Davashi M. Shabazz

Crying out to God Davashi M. Shabazz, 2016-04-21 The purpose of this book is for each of us to experience God's love and God's unfiltered passion for us, and that we learn God on a personal and intimate level. That we become proactive in seeking God and as a friend once said, Pursue the God that pursued you. My prayer is that as you read this book, the words will spark a deep desire within your heart, mind and soul to learn the truth about God. A desire to learn the truth about God, His love for you, His will, His purpose for your life, and so much more! I heard a minister say, Each generation has to find their own truth about God. Therefore, it is my continuous desire that we find our own personal truth in God and allow that truth to be our compass. This book is a tool for you to use daily. Read it, meditate on the word, write down your revelations because the real awakening is revealed once you go beyond the words on the following pages, dig deeper into the word of God and spend time in prayer. As you dig, I promise that you will see truths never seen before, and you will experience a revelatory flow from heaven that is just for you! Seek God. Pursue God. Experience God as you actively learn about His goodness, mercy and love.

American Spirit Tamara Maxwell, 2017-09-25 To have the American dream or to understand the American spirit is to understand that it is not a golden ticket you acquire because of your color, race, or financial status. It is not because there is a secret that only certain people know to obtain happiness and success. It is not one specific type of story. My story is like millions of others out there. It is not special. It is not glorious. It is not filled with luck and handouts or a million dollars. It is a story of truth in finding joy and satisfaction in being all that you can be. This is a story about being resilient and having faith and in being able to stand and thrive and be successfully happy with what you are given. This book is about how to overcome the anti-American spirit of victimization and entitlement and let the American spirit rise in you and fight the good fight, fight for your life, your future, your dreams, and your success, and in doing so, the American spirit lives, and the American dream is achieved. Uncomplicated Ruth Teal, 2013-03 We had a most incredible late spring storm. It began during the early evening, fully displaying all the majesty and power of God. More brilliant than fireworks on the 4th of July, the light show danced on the big black night screen of the sky. The show was complete with loud and distant rumblings of thunder, followed by buckets of rain. The next morning I had put everything else back in place, so I headed over to the hammock to hook it back up. When I

picked it up and unfolded it where the wind had thrown it together, I disturbed a tiny frog who had evidently gone there for cover. Just as the tiny frog took his shelter in the hiding place of the wet, heavy hammock, we can take our shelter in the shadow of God's wings. In *Uncomplicated*, Ruth Teal takes experiences from her life and connects them to biblical concepts. Ruth covers a range in topics--many funny, many thought provoking. Throughout her day, Ruth is able to find God's presence in everything. Each section is its own short story, so keep it in your purse for on-the-go reading. Whether you're cozying up on the couch with a cup of tea, or reading on the run, *Uncomplicated* will lighten your spirit and inspire your day.
