**The Gathering, A Womanist Church** Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society, primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation. Experiences of the triple oppression of racism, sexism, and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all. The Gathering is unique, the only church founded and identified as womanist, applying womanist theology to the full life and worship of a church. The Gathering, a womanist faith community in Dallas, Texas, welcomes all people to partner in pursuing racial equity, LGBTQ equality, and dismantling PMS (patriarchy, misogyny, and sexism), following Jesus in liberating the oppressed and lifting up the marginalized. The Gathering, A Womanist Church tells the story of the birth and ongoing development of a womanist faith community. This book includes personal narratives of people transformed in this community, womanist co-pastors' sermons informed by their experiences and those of other Black women, and litanies for womanist worship.

Famous First Impressions Paul Volponi, 2025-09-04 A unique exploration of opening lines from classic literature to modern music. You never get a second chance to make a first impression. In that spirit, Famous First Impressions: The Power of Perfect Opening Lines revels in the greatest openings from novels, plays, poems, songs, films, speeches, and more. Bestselling author Paul Volponi examines how talented writers and artists instantly gain our attention, often in just a few words, and dissects each line's style, value, and impact. Exploring themes such as crime and punishment, dystopian landscapes, identity, science fiction, and the natural world, Volponi reveals the interconnectedness of opening lines ranging from Emily Dickinson's I'm Nobody! Who are You? to Taylor Swift's Blank Space. Famous First Impressions features individuals as diverse as Toni Morrison, Adele, Edgar Allan Poe, Don McLean, Maya Angelou, William Shakespeare, Dr. Seuss, Anne Frank, and Dr. Martin Luther King Jr., introducing readers to new genres and writers while also providing fascinating insight into those they already love. And with science fiction and drama discussed in the same breath as classic rock and poetry, this book is sure to inspire less-than-enthusiastic readers and booklovers alike.
