**How to Date a Married Woman - A Guide for Men Who Want Stimulating Sex, More Intimacy, and a Better Relationship** Adam Riley, 2010-07-13 The Hottest Woman of My Life... If you're like me, you're married, but you're still looking for a good time. You want to be with a woman who can take care of you in all ways possible...if you know what I mean. Sure, a good relationship is more than just sex...most of the time. But sometimes it's just sex... That's because women want sex too...without the strings that often come with it. And here's the good news... Your wife, believe it or not, is one of these women...and she wants this type of sex...with you! If you're looking to improve your marriage and bring back the passion you had when you first started dating, this is the book for you. I'm going to show you exactly what to do to supercharge your relationship and give you step-by-step techniques that will improve your communication, intimacy, and sex life. You'll learn things like: The biggest relationship complaint women have about men (and how to ensure your wife doesn't have this complaint about you) A simple way for you to double or even triple the connection between you and your spouse -- an obvious strategy that eludes 9 out of every 10 couples (This one revelation could change your entire relationship!) How to avoid the really dumb mistake most husbands (and nearly all wives) make - fix this and you could stop a divorce! A special technique (used in a special way) that will reignite your sex life! (This is so simple... over 75% of couples overlook it.) The ultimate passion killer (and how to avoid it) How to turn a dead relationship into something fresh and exciting! I'll show you exactly what to do to improve your marriage! Follow my plan and get ready for the hottest woman in your life!

**How to Date Yourself and Fall in Love** Dorothy C. Pincus, 2003-09 THE CORNER provides an historical record of the life style of young men in what could be considered a typical neighborhood prior to and during the WW II period in America. Toledo, Ohio is the setting of this documentary. The specific scene is the corner of Junction Avenue and Lucas Street, located in a solid Polish/American neighborhood. The story could be written of many other neighborhoods and ethnic and racial groups throughout the United States. It just so happens that the writer was a member of this particular group and neighborhood. Dramatic changes have taken place since the time period addressed in THE CORNER. WW II impacted the way of life of all Americans. Ethnic and racial neighborhoods and groups are still located throughout the country but on a far

less scale. Nicknames, a sign of popularity in most cases or of a special trait of the individual, are not as common in today's society. New and interesting developments have impacted the old meetings places and methods of communication amongst the young men throughout America. Television; new and interesting hobbies; and diverse civic, religious, and other group organizations that provide meeting places and many other features that make for a more effective life style of American youth have replaced the old but unforgettable meetings on the local corners. Unfortunately a part of American culture and history are lost for the ages. THE CORNER captures a capsule of a part of American life during an era that has literally disappeared from the the American scene.
