Genuine Thoughts on the Stories Untold. Life is a Story - story.one Ly,2023-09-01 If you ask who dares to cry. This is us, we dare to fly. If you scold who dares to scream. This is us, we dare to dream. This is us, incredibly loud together.

Ashes to Ashes The Gardener, Ashes to Ashes book is about an adventure with some of the Greek Gods now known as Angels walk the earth again to stop a formidable foes. They will have to overcome their differences and make a team as Atlas and Cyclops are released from their prison. The angels will have to travel the world seeing old heroes and villains as the search for items. Can they put their egos and squabbles aside or will they let them hinder them as the titans threaten to come back to take over the universe back?

State of Ruin Kelly Edelman,2017-12-06 The year is 1862. Desdemona is an unconventional young lady who wants to aid the Union cause. Despite ineligibility due to her age and her familys disapproval, she volunteers as a nurse at Armory Square Hospital. On her first day, she finds her ward bombarded with an onslaught of wounded men. A large battle just took place what would come to be known as the Battle of Antietam, the single bloodiest day of the Civil War and the casualties are pouring in. Warren Cleary fought in that battle. He wakes up suffocated behind a shroud of bandages. It isnt until he meets the ward nurse, Miss Kensington, that he discovers how severe his injuries truly are and the small detail that hes a now a Rebel prisoner in a Yankee hospital. Stripped of all vanity and independence, Warren must learn to cope with his life-shattering afflictions and the death of the friend hed been trying to save. Mona tries to endure the trials of discrimination and hospital horrors, in addition to accepting the courtship of her ward surgeon, Dr. Nathan Angle. Warren teeters between wanting to live as a damaged man or die. As the two try to survive a war pitting Americans against each other, they face betrayals and death and budding feelings between them that throw all into discord. Theyve got to choose whether to navigate through their broken worlds together or apart and decide if they can live with the consequences. State of Ruin brings to light common obstacles faced during the Civil Wars times of turmoil and devastation. It speaks to what true love is worth, even smothered beneath the tension of a country coming apart at the seams. It speaks to hope and shatters the facade of painted faces and American-Victorian propriety. It is proof that an ending worth having is never without its tribulations but always worth them.

Savagery in the Heart of Europe Raphael Israeli,Albert Benabou,2013 One of the most tragic and cruel periods in

modern European history unfolded in the early 1990s, as we watched the rampages committed by all parties in the Bosnian War. The Serbs, who were in control of the destiny of Yugoslavia and were the mainstay of the Yugoslav army, gradually lost their grip, as international intervention favored the independence of Bosnia. The flames of war pitting the three populations against each other brought about the deaths of hundreds of thousands, and ended with the imposed Dayton Accords, with which the parties were not entirely content. The war showed not only that old enmities never die - for all parties saw this war as a continuation of World War II horrors, when the Croats and their Bosnian partners collaborated with the Nazis - but also as a heritage of the old Balkan wars, where outside intervention, notably Muslim, American, NATO, and UN was necessary to bring the conflict to an end (for now). Born in Fes, Morocco, Raphael Israeli teaches Islamic, Chinese, and Middle Eastern history at Hebrew University, Jerusalem. He is a graduate of Hebrew University in history and Arabic literature, and has a Ph.D. in Chinese and Islamic history from the University of California, Berkeley.

Helluva Luxe Natalie Essary, 2012 On the corner of 13th and Fascination stands one helluva perfect Goth bar, where there's always a seductive selection of fashion, music, and drama. But when an unknown DJ shows up at the door and lands the best gig in town without paying her dues, everyone's curiosity is piqued higher than Morrissey's hair. Especially that of the model who falls for her, the bartender who befriends her, and the doorman who'd kill to keep the family together. *Helluva Luxe* is a humorous, dark and sexy story about making strangers into family and seeing the world the way you want to see it. So if you've ever grilled a cheese with a blowtorch, painted teeth down the side of your '59 Chevy, or borrowed your dog's collar to wear out on a Saturday night, then you'll dig the Luxe.

Finding Lalla's Anna Anna Dao, 2024-04-22 Born to a globetrotting diplomat father and haunted by the silence of her absent mother, Anna's childhood is a tapestry woven from fragments of different cultures. Guided by the unwavering love and wisdom of her Malian grandmother, Lalla, Anna seeks solace in ancestral traditions as she navigates a life marked by loneliness and displacement. But years of nomadic existence take their toll, leading to emotional burnout in the bustling heart of New York City. Facing fractured relationships and the ghosts of her past, Anna embarks on a transformative journey. Fueled by resilience and Lalla's enduring spirit, she confronts long-buried truths, mends broken bonds, and finally discovers the courage to embrace her true self. *Finding Lalla's Anna* is a captivating memoir of cultural identity, family, and the unwavering strength of love. It's a poignant exploration of belonging, self-discovery, and the power of ancestral wisdom to
