A Mother's Journey of Faith Hope and Love Sylvina V. Ellis, 2012-10-12 My name is Sylvina Boddie Ellis, am from the Island of St Kitts in the West Indies. Resideing in the Florida Keys. I love to read and write, And dream of becoming an Author one day. This is my first book..

Women in Contemporary Indian Films and Media Aysha Viswamohan, 2024-12-23 This book investigates the ways in which contemporary Indian cinema, particularly 2010 onwards, has projected and represented women on screen – not just on films and TV but also on new media platforms like OTT and other digital media. The wide-ranging essays reflect on issues of gender violence, sexuality, performance, domestic and public spaces, along with the role of women in the Indian film industry. They draw on current global discourses on gender including #Me Too, 'Time's Up', LGBTQIA, and a call for wages for women on a par with their male counterparts and other socio-cultural debates in the Indian society. The book will be of great interest to scholars and researchers of film studies, gender studies, culture studies, and South Asian studies.

Dates from the Diary of an Indian Woman Swati Jain, 2016-05-11 This book will open a window into a woman's experiences of moving into a new house, managing office responsibilities and taking care of the love of her life. Marriage doesn't just change your house and your roommate; it brings about a complete change. It is not simple accepting the new house, new family members and a new life partner. It takes a very big heart and a lot of adjustment. Here are some chapters from the diary of a newlywed Indian woman and her journey, for a year, in her new house.

God Is an Indian Giver Gene Kalmes, 2008-06-26 Sean Kayne has had strange unexplainable phenomena happening to him his entire life. Is he a pawn in a war between Heaven or Hell? Is he a life long mind control victim? Or has drug and alcohol abuse made him insane? This surreal story is both dark and hilarious.

Latinx Literature Unbound Ralph E. Rodriguez, 2018-05-08 Since the 1990s, there has been unparalleled growth in the literary output from an ever more diverse group of Latinx writers. Extant criticism, however, has yet to catch up with the diversity of writers we label Latinx and the range of themes about which they write. Little sustained scholarly attention has

been paid, moreover, to the very category under which we group this literature. *Latinx Literature Unbound*, thus, begins with a fundamental question “What does it mean to label a work of literature or an entire corpus of literature Latinx?” From this question others emerge: What does Latinx allow or predispose us to see, and what does it preclude us from seeing? If the grouping—which brings together a heterogeneous collection of people under a seemingly homogeneous label—tells us something meaningful, is there a poetics we can develop that would facilitate our analysis of this literature? In answering these questions, *Latinx Literature Unbound* frees Latinx literature from taken-for-granted critical assumptions about identity and theme. It argues that there may be more salubrious taxonomies than Latinx for organizing and analyzing this literature. Privileging the act of reading as a temporal, meaning-making event, Ralph E. Rodriguez argues that genre may be a more durable category for analyzing this literature and suggests new ways we might proceed with future studies of the writing we have come to identify as Latinx.

Fitting Indian Jyoti Chand,2025-05-13 This debut teen graphic novel from social media influencer Jyoti Chand and rising star illustrator Tara Anand follows one girl’s journey navigating high school and her mental health within a traditional South Asian family. Perfect for fans of Netflix’s *Never Have I Ever* and Tillie Walden’s *Spinning*. All Nitasha’s parents want is for her to be the perfect Indian daughter—something she is decidedly not. Everything she does seems to disappoint them, especially her mom. They just don’t get that she’ll never be like her doctor older brother. To make matters worse, she’s never quite felt like she belongs at school either, and lately, her best friend, Ava, and her crush, Henry, seem to be more interested in the rich new girl than in her. Alcohol takes the edge off, but when that doesn’t work, Nitasha turns to cutting. She can’t stop asking herself: Will she ever be enough for her friends or her family? Or even for herself? This authentic and powerful teen graphic novel shines a light on how harmful the stigma of mental illness is and how lifesaving a community that is honest about mental health can be.
