

Into The Deep Dan Burke

Arturo Cuomo

Into the Deep Dan Burke, 2016 Prayer-- it's mysterious, challenging, frustrating . . . and life-changing. Discover why growing in prayer, which sometimes can be compared to a battle, is worth every ounce of effort you give it. Even if you've never prayed, or if you've never developed the habit of daily prayer, God is waiting to meet you where you are and encourage you every step of the way. Using a simple approach to prayer, you'll learn how even ten minutes a day can change your life. Author Dan Burke explains how to set up your own sacred prayer space, discusses the common obstacles to prayer, and provides practical ways to overcome them. You'll also read stories of others who are seeking to orient themselves to God through prayer. If you're ready for God to transform your heart and mind, you will know the life that Jesus has promised; a life of peace and joy that cannot be taken away by the trials of this world.

The Law and Dan Mesa Dan Sears, 2012-07 Through coincidences of fate and personality, some people seem to do the impossible and make it seem easy. Dan Mesa, former teacher and current Arizona Ranger, is just such a man. He never sought to become a hero; it just happened. A key member of the Rangers unit in Tucson, Dan is called on to head east, where he picks up William J. Ranson, transporting him to Arizona to testify against Carlos Meana, a trafficker in illegal aliens and murder for hire. Dan's involvement earns him the notice of an eastern crime syndicate who also has ties in Dan's hometown of Tucson. Suddenly, there's a price on his head but he's not a man to go down without a fight. Despite dealing with the fallout of killing the man who was once his best friend, Dan will protect the people he cares about, including his son and neighbors at all costs. East meets west as the mob comes to Arizona, and only time will tell which will come out on top.

Three Blind Mice Ken Auletta,1992 What happened to network television in the 1980s? How did CBS, NBC, and ABC lose a third of their audience and more than half of their annual profits? Ken Auletta, author of *Greed and Glory on Wall Street*, tells the gripping story of the decline of the networks in this epically scaled work of journalism. He chronicles the takeovers and executive coups that turned ABC and NBC into assets of two mega-corporations and CBS into the fiefdom of one man, Larry Tisch, whose obsession with the bottom line could be both bracing and appalling. Auletta takes us inside the CBS newsroom on the night that Dan Rather went off-camera for six deadly minutes; into the screening rooms where NBC programming wunderkind Brandon Tartikoff watched two of his brightest prospects for new series thud disastrously to earth; and into the boardrooms where the three networks were trying to decide whether television is a public trust or a cash cow. Rich in anecdote and gossip, scalpel-sharp in its perceptions, *Three Blind Mice* chronicles a revolution in American business and popular culture, one that is changing the world on both sides of the television screen.
