Love & Luck Jenna Evans Welch, 2019-06-04 A New York Times bestseller From the author of the New York Times bestselling Love & Gelato comes a heartwarming tale of a road trip through Ireland filled with love, adventure, and the true meaning behind the word family. Addie is visiting Ireland for her aunt's over-the-top destination wedding and hoping she can stop thinking about the one thing she did that left her miserable and heartbroken—and threatens her future. But her brother, Ian, isn't about to let her forget, and his constant needling leads to arguments and even a fistfight between the two once inseparable siblings. Miserable, Addie can't wait to visit her friend in Italy and leave her brother—and her problems—behind. So when Addie discovers an unusual guidebook, Ireland for the Heartbroken, hidden in the dusty shelves of the hotel library,

she's able to finally escape her anxious mind and Ian's criticism. And then their travel plans change. Suddenly Addie finds herself on a whirlwind tour of the Emerald Isle, trapped in the world's smallest vehicle with Ian and his admittedly cute, Irish-accented friend Rowan. As the trio journeys over breathtaking green hills, past countless castles, and through a number of fairy-tale forests, Addie hopes her guidebook will heal not only her broken heart, but also her shattered relationship with her brother. That is if they don't get completely lost along the way.

Eat Pray Love Made Me Do It Various, 2016-03-29 A New York Times Bestseller -- True stories inspired by one of the most iconic, beloved, bestselling books of our time, *Eat Pray Love* by Elizabeth Gilbert. Elizabeth Gilbert's *Eat Pray Love* has become a worldwide phenomenon, empowering millions of readers to set out on paths they never thought possible, in search of their own best selves. Here, in this candid and captivating collection, nearly fifty of those readers—people as diverse in their experiences as they are in age and background—share their stories. The journeys they recount are transformative—sometimes hilarious, sometimes heartbreaking, but always deeply inspiring. *Eat Pray Love* helped one writer to embrace motherhood, another to come to terms with the loss of her mother, and yet another to find peace with not wanting to become a mother at all. One writer, reeling from a difficult divorce, finds new love overseas; another, a lifelong caregiver, is inspired to take an annual road trip, solo. A man leaves seminary, embraces his sexual identity, and forges a new relationship with God. A woman goes to divinity school and grapples with doubt and belief. One writer's search for the perfect pizza leads her to New Zealand and off-the-grid homesteading, while another, in overcoming an eating disorder, redefines her relationship not only with food but with herself. Some writers face down devastating illness and crippling fears, and others step out of their old lives to fulfill long-held dreams of singing, acting, writing, teaching, and learning. Entertaining and enlightening, *Eat Pray Love Made Me Do It* is a celebration for fans old and new. What will *Eat Pray Love* make you do?

Path of Love: Cinque Terre, Italy M. L. Buchman, 2018-04-30 -a Love Abroad B&B romance- Welcome to the Cinque Terre, the jewel of the Italian Coast. In shades of warm gold, apricot, and peach, these remote stone villages face the Mediterranean. Their narrow cobbled streets are car-free. Instead they're filled with soft sunlight and hope. Erica Barnett always dreamed of visiting Italy. But she never planned to arrive alone and devastated. Putting her life back together ranks as a distant second to the priority of fixing her heart. Ridley Claremont III, wealthy son of a Californian vintner and his trophy wife, discovers the shallowness of his life when his parents are killed in a car wreck. Seeking forgetfulness on a motorcycle driving the European backroads, he stumbles into the tiny cliffside town of Corniglia. Vibrant life greets him around every corner: food and flowers, gelato and friendship. And the wine, most especially the wine. A man who never faced himself and a woman who finally has, meet in the only place they can. Along the Via dell'Amore, the Path of Love, in Cinque Terre, Italy.

In Love in New York Caitlin Leffel, Jacob Lehman, 2015-01-13 New York is a city for lovers: *In Love in New York* guides the reader to the most romantic sights and destinations the city has to offer. Whether you want to watch the sun rise over the East River like Woody and Diane or enjoy a Cary Grant/Deborah Kerr moment at the top of the Empire State Building, there is no greater city than New York for couples in love. The book begins with first impressions, the iconic New York sights that never fail to dazzle: the skyline (and the best places to view it), the most beautiful blocks and neighborhoods, the famous views (rooftops, bridges, riverside parks). Chapters follow on great date ideas, including destination museums and unusual dinner-and-a-movie/theater combinations. For readers ready to commit, the authors detail the best proposal spots; where to go ring shopping; the coolest places to register for gifts; and information about the legal requirements for marrying in the city (gay and straight), including a rundown on the classic City Hall wedding—with the best places to buy flowers and to celebrate afterwards, naturally. There are also ideas for planning honeymoons and anniversaries. Throughout, sidebars offer romantic options such as wonderful bars with fireplaces, the prettiest park benches, great New York literary and film affairs to inspire your visit, and romantic day trips within and near the five boroughs. From champagne on the Peninsula rooftop in midtown to ice skating in Bryant Park, *In Love in New York* is the perfect gift for any couple dreaming of experiencing the

romance of New York.

How to Fall in Love with Anyone Mandy Len Catron, 2017-06-27 “A beautifully written and well-researched cultural criticism as well as an honest memoir” (Los Angeles Review of Books) from the author of the popular New York Times essay, “To Fall in Love with Anyone, Do This,” explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, “Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation” (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists’ research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she’d read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. “Perfect fodder for the romantic and the cynic in all of us” (Booklist), *How to Fall in Love with Anyone* flips the script on love. “Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship” (The Toronto Star).

We all know how this ends Anna Lyons, Louise Winter, 2021-03-18 'Wonderful, thoughtful, practical' - Ciriad Lloyd, Griefcast 'Encouraging and inspiring' - Dr Kathryn Mannix, author of Amazon bestseller *With the End in Mind* *We all know how this ends* is a new approach to death and dying, showing how exploring our mortality really can change our lives. End-of-life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking, surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day. From working with the living, the dying, the dead and the grieving, Anna and Louise reveal the lessons they've learned about life, death, love and loss. Together they've created a profound but practical guide to rethinking the one thing that's guaranteed to happen to us all. We are all going to die, and that's ok. Let's talk about it. This is a book about life and living, as much as it's a book about death and dying. It's a reflection on the beauties, blessings and tragedies of life, the exquisite agony and ecstasy of being alive, and the fragility of everything we hold dear. It's as simple and as complicated as that.
