Jesus and Buddha Marcus Borg, 2020-11-03 Discover the teachings of Jesus and Buddha with over 100 examples presented side by side to reveal striking similarities. A perfect book for anyone interested in Christianity, Buddhism, mindfulness, meditation, and all ways of seeking enlightenment. This stunning collection is perfect for those curious about the influential teachers, Jesus and Buddha, and their lessons of peace, love, patience, and kindness. Witness as two of the most holy beings meet in a thought-provoking encounter of the spirit. Compare the Bible verse: "Jesus knew all people and needed no one to testify about anyone; for he himself knew what was in everyone" (John 2.24-25) to the Buddhist scripture: "He was expert in knowing the thoughts and actions of living beings" (Vimalakirtinirdesha Sutra 2). Jesus and Buddha is a timeless testament to what makes us similar rather than different. This enlightening book also makes a great gift.

Jesus, Buddha, Krishna, and Lao Tzu Hooper, Richard, 2012-05-01 Draws parallels between different religious faiths by presenting side-by-side comparisons of four leaders' teachings on topics such as knowledge, suffering, death, and liberation, along with commentaries for each topic.

Jesus, Buddha, Krishna & Lao Tzu Richard J. Hooper, 2012 In this fascinating volume, theologian and philosopher Richard Hooper reveals the common spiritual threads of the world's great religious traditions. Hooper organizes hundreds of sayings attributed to Jesus, Buddha, Krishna and Lao Tzu thematically and assembles these parallel sayings into four columns for easy reference. Culled from more than fifty ancient Christian, Buddhist, Hindu and Taoist texts, Jesus, Buddha, Krishna, and Lao Tzu includes topics such as, The Great Way, Suffering, and more. Each topic includes an insightful introduction that sends a powerful message that will be welcomed by all who seek the truth within, and within their own spiritual tradition.

Jesus and Lao Tzu Martin Aronson, 2002-10-22 "Emphasizes the kinship of two sages who celebrated the core virtues of simplicity, humility, and love." —Spirituality & Practice Comparing the New Testament with the Tao Te Ching, Taoism's most sacred book, Jesus and Lao Tzu reveals a surprising set of examples in which these two spiritual masters point their followers in the same direction. With over 90 parallel sayings, readers find fresh understanding and new perspectives here, since the time-honored teachings are presented side by side. The book also shows how these shared truths transcend traditional religious boundaries. "The never-ending search for parallels between religions East and West continues in this volume, which lays out parallels between the two teachings, both of which encourage humility, gentleness and integrity while condemning

materialism, injustice, hypocrisy and violence.” —Bible Review “There is plenty of fuel for meditation in those side-by-side gems.” —Detroit Free Press “A fine multifaith resource.” —Spirituality & Health

Jesus in Your Backpack William R. Grimbol, 2007 *Jesus in Your Backpack* is based on the belief that spirituality is not the result of indoctrination, but of inspiration. This book shows teens how they can connect with Jesus as a teacher, role model, sage, and spiritual seeker. Free of dogma and doctrine, *Jesus in Your Backpack* does not impose Jesus as a savior, nor preach the absolute, heaven-or-hell rules of conservative Christianity. The author freely acknowledges both fact and myth while telling the story of Jesus's life and crucifixion. *Jesus in Your Backpack* offers teens guidance from a man who is passionate about peace, justice and creating genuine hope rooted in unconditional love. His wisdom transforms lives by encouraging teenagers to be fully human while discovering heaven in the here and now.

Wisdom of the Carpenter Ron Miller, 2003 These little known teachings of Jesus from the Gospel of Thomas, the Book of Q and other lost sources offer a radical message of spiritual awakening.

The Insurgency of the Spirit Robert E. Shore-Goss, 2020-10-06 *The Insurgency of the Spirit* taps multi-disciplinary methodologies of post-colonial biblical scholarship and anthropology, liberation theologies, indigenous studies, grief/trauma research, and nature-meditation writings to shape a constructive retrieval of the animist Jesus. The vision that emerges is one that sets forward an Earth-loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems.

A Life Lived and Laid Down for Friends Don Erickson, 2019-08-06 *A Life Lived and Laid Down for Friends* reflects on the iconoclastic life and ministry of Jesus of Nazareth. From the “riches in the rags” story of the nativity to his compassion-moved sacrifice to save his disciples, this book reflects on Jesus as first and foremost a spiritual teacher who embodied compassion. Pastor and author Don Erickson shows how the humility embodied by society's most vulnerable was, for Jesus, the benchmark for inclusion in God's kingdom. The book also looks at Jesus' approach to religious pluralism, a reality he experienced in ancient Palestine under Roman rule. It was an approach that evidenced Jesus pointing to expressions of compassion, rather than to mere faith. In addition, the book examines the story of Jesus' crucifixion and resurrection, offering a view that both asserts the centrality of the passion and bases it in historical context that avoids universalizing the story away. The crucifixion itself is shown to be a portrait of embodied, representative compassion that is salvific in its reach. Inspired by the powerful teachings of liberation theology, as well as a Buddhist-influenced approach to the Gospels, *A Life Lived and Laid Down for Friends* gives a fresh, poignant portrait of Jesus that defies Trump-America's resistance to Jesus' radically compassionate life and teaching.

Dead Sea Scrolls Jonathan Goodson Campbell, 1998 Relying on concrete evidence, the author analyzes the theories

linking Jesus to the Scrolls, shows how the Scrolls relate to early Christianity, probes the relationship between the Bible and the Scrolls, and considers the mystery of the Scrolls' authorship.

One World, Many Neighbors Perry C. Cotham,2008 Is there a God who calls us to a discipleship of our minds? What is the uniqueness of Christianity? Do the major non-Christian worldviews and world religions have any insights or inspiration to offer those who have chosen the Christian journey? Is God at work within the various religions drawing people to himself? Addressing provocative questions like these, Professor Perry Cotham challenges readers to re-examine long-held attitudes on life's most crucially important issues.
