

# Killdozer The True Story Of The Colorado Bulldozer Rampage

**Liam Llewellyn**

**Killdozer** Patrick Brower, 2017-10 The full examination of the incident and aftermath in the story of a man who built a tank out of a bulldozer and sought revenge against his perceived enemies in the small town of Granby, Colorado. He wreaked havoc and destroyed numerous buildings with his monstrous machine before taking his own life in a stand-off with law enforcement.

Malice Liam Llewellyn, 2018-06-04 Marvin Heemeyer was a blue-collar man whose greatest joy in life was to see his muffler-repair shop prosper. When he felt the government of Granby, Colorado, was conspiring against him and the success of his business, he decided to take action. He did not take his vengeance by walking into the town hall with a gun. Nor did he build bombs and deliver them to local politicians. No, Marvin was more ingenious than that. He put his welding skills to work. In so doing, Marvin Heemeyer made history as one of the most original, complex, controversial, and misunderstood criminals in history. Malice is the story of his life leading up to his one-of-a-kind crime. Exhaustively researched, author Liam Llewellyn portrays the story in its entirety, then poses an alternative interpretation. Malice challenges the reader to ask such questions as: Do governments conspire against individuals? In the wake of enormous tragedy, do governments tell the truth? What is a criminal? Do two wrongs make a right?

Grand County Penny Rafferty Hamilton, PhD and the Grand County Historical Association, 2023 Established in 1874, before Colorado became a state, Grand County is nestled in the north-central Rocky Mountains. Named for the Grand River (renamed the Colorado River), Grand County encompasses 1,868 square miles, which is larger than Rhode Island. For thousands of years, Indigenous, nomadic tribes enjoyed natural hot springs and summer hunting. Spanish explorers, French fur trappers, and mountain men followed. In 1858, the gold rush brought rugged prospectors, creating towns named Coulter, Gaskill, Lulu City, and Teller. Later, homesteaders, loggers, merchants, and the Moffat Railroad built Arrow, Hideaway Park, Winter Park, Fraser, Tabernash, Granby, Grand Lake, Hot Sulphur Springs, Parshall, Kremmling, and Radium. Today, tourists flock to Rocky Mountain National Park, Arapaho National Forest, and award-winning dude ranches and resorts to enjoy some of the world's most beautiful lakes, mountain ranges, and abundant wildlife. Written in an easy-to-read pictorial

format with over 200 curated photographs, Grand County is for readers interested in true stories of Western grit and courage.
