**Opening His Gift: God's Love for YOU!** Alice Elizabeth Mendez, 2010-10-30 Opening His Gift: God's Love for YOU! is a Christ-centered Mentoring Ministry available to women of all ages, cultures and denominations based on the Titus 2 Model. If only I had someone to talk with, someone to share life's challenges with, someone who would not judge or condemn. How comforting that would have been to know that I wasn't alone in my circumstances. Looking back now, I realize that I was searching for a mentor. Ladies, God does have women that He has equipped to love, encourage and mentor you. Women world-wide have made a commitment to invest in the lives of other women on a regular basis and develop friendships. Through your mentoring experience you will discover how much God truly loves you and the unique plan He has especially for YOU!

**You Are God's Gift to the World** Louis M. Savary, 2013-01-10 Everyone wants their life to have meaning and purpose. Everyone wants to feel they are valuable and important. Everyone, deep down, wants to make a positive difference. God put those powerful desires into our genes and those longings in our hearts. At your birth, you were designed and destined to be an instrument of God's work in the world. As a living gift from God, you were born to make a positive contribution. No matter who you happen to be rich or poor, healthy or ill, employed or free, talented or ordinary you can make a positive difference. Millions do it every day. You Are God's Gift to the World shows you how you can make a contribution simply by starting each day with the intention of living in an attitude of gratitude grateful to God for the gift of life, for being a gift to the world and beloved of God. In this grateful and grace-filled attitude as you acknowledge that you are God's gift you spontaneously discover, again and again, things you can do to make the world a better place in your family, at your workplace, in your neighborhood and beyond. Learn who you are truly called to be and discover ways you can make it happen.

**1 John, Revised and Extended** L. Daniel Cantey, 2021-07-28 In 1 John: On Docetism and Resurrection (2016), the author elucidated the fundamental principles driving the modern order. The latter works according to a novel form of salvation, an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism.

The modern heresy turns on faith in the Christ-Idol, an idolatry hidden for centuries beneath the cover of Western Christianity. Its theological solution requires renewed engagement with the Trinitarian love, understanding that love as a function of mutual life-giving between the divine persons. The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos, seeking theological foundations for the society that might follow. It details the meaning of various aspects of docetic (modern) society through a Johannine lens, explaining these aspects as forms of oppression. The author counters these through the Eastern Orthodox focus on the inner life over the external one, the spiritual world over the physical, and the proper appreciation of hierarchy as opposed to docetic equality.

**"Bula" Man-River** Kiang P Lee, 2013-03-06 The parable of the Bula man-river is the story of the miraculous life God promises man from the beginning. By creating man in His own likeness, He forever placed man on a path of living the miraculous life. He is divine and we are mortal, and whenever the two intersect, miracles happen. As humans, it's impossible for man to experience the glory of God's divine Being, so he experiences miracles – the divine spark. Miracles are foretastes of man's future in the glorious presence of God. It's a life of unimaginable, awe-inspiring wonder, both now and future. From the beginning, Adam and Eve experienced this miraculous life firsthand. God lovingly and miraculously planted them a garden-home which had all the resources for their survival and happiness. God did not point to a jungle and charged Adam with planting a garden himself. No, God planted it with His own hands. This miraculous life was man's destiny from the start, and continues to this day. The whole earth, hanging in the blackness of space, is the larger Edenic home we all share as co-inhabitants of it. But man fails to respond with gratitude to "dress and keep it." Lost in the jungle of his own narcissistic 'self,' man seeks for life's answers which only the "BULA" man-river can supply. For those who change into the likeness of God's love, God leads them to a new Eden. This is where the miraculous life is lived as naturally as breathing. This is what this book is about – miracles! It begins with the life of the "BULA" man-river! He is the product of God's love. It begins with love-gifts from the Father which form the substance of the three-dimensional life of the "BULA" man-river – the Miracle Man. Read about the two wonderful love-gifts of the Father.
