52 Quotes to live by Zett Why, 2012 *52 Quotes to Live By* is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You

have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things. Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.

Truisms of Life Ray Claveran, My hope in writing this book is to help as many people as possible to avoid mistakes we make in our daily lives and to understand what we must do to get along with one another. I know I have made my share of mistakes, and that is okay. The problem I had as a young man was to own up to my mistakes, whether they were words or actions. Looking back, I can see where a simple apology and to ask for forgiveness would have been the easy way to go. You know what they say about hindsight.

Anyone curious about Tarot will enjoy the ease and depth of *Integral Tarot*. is what others have to say about Integral Tarot: Decoding the Essence: Ronald Scott Maestri, Comedian, Producer and Talk Show Host on QVC and Shop at Home Network, said this about Integral Tarot: Suzanne Wagner dazzles me every time she reads my Tarot cards. I'd watch in amazement, as she would literally dance across the messages of the cards, hitting me right between the eyes with their messages of truth and wisdom. Her personal experience and understanding of them is obviously quite vast, based on her own years of working experience. In a rare opportunity, Suzanne shares her incredible insights into how to read each and every card with her book, Integral Tarot. Today, I have a greater insight into myself. I start each day with my own personal readings. Using Suzanne's book as my guide, those cards speak truths directly to me, even more clearly than when I was a passive observer getting read by someone else. Now, I can hear my guardian angel speak right through me, and you will too. I highly recommend this book to you. It will change your life, just as it continues to change mine. Joel Castleberg, Producer and Owner of Panama Pictures said this about the book: I have owned and experimented with a Tarot deck for over 15 years and never really knew how to work with it. Working with Suzanne's Tarot book for only a short time has been extraordinary...in terms of learning about the Tarot, but mostly as a guide in my own personal exploration of consciousness.

In Love, Where I Belong Brenda VanWinkle, 2011-07-19 Using insightful teachings as well as beautifully described real-life experiences, the stories in *In Love, Where I Belong* weave together the profound reality that God's love is for everyone, not just the "super-spiritual," and that we all have a place where we belong—in His heart. Author Brenda VanWinkle knows what it's like to be shackled to fear and loneliness. She also knows the sweet triumph of overcoming and finding genuine peace in the Lord. Her early childhood, though idyllic in spots, was also marred by the death of her mother. Over time, however, the discovery of God's love for her washed away the insecurities. Today, she ministers with her husband, repairing broken relationships around the world.

A Midsummer Madness Guy Franks,2018-05-09 It is 1986 in Connecticut and the great renaissance of minor league baseball is in full swing. Shakespeare (Shake) Louis Glover is managing the New Britain Kingsmen, a Double-A team in the Eastern League. Shake, who is named after the Bard and Lou Gehrig, embodies the harmony that is Shakespeare and baseball. As a new season begins, Shake knows there is no other place in the world he'd rather be. As the crack of the bat echoes throughout the ballpark, great characters and themes of Shakespeare begin to emerge from the shadows. Rex Lyon, the volatile owner of the Kingsmen, disowns his daughters in Lear-like fashion only to find reconciliation at his tragic end. Second baseman Dane Hamilton, who is seemingly Hamlet reincarnated, broods while learning a secret about his father that changes his life. Hank Prince is a player with great potential who would rather hang out with his Falstaff-buddy than assume the greatness bestowed upon him. Even though the Kingsmen are an excellent team with top prospects, now only time will tell if they have what it takes to be champions. *A Midsummer Madness* follows a Double-A baseball team as the themes and poetry of Shakespeare blend with the dirt and grass of baseball to create a tragic-comic tale.

When the Light Went Out Bridget Morrissey,2019-06-04 *I Was Here* meets *Suicide Notes from Beautiful Girls* in this story of seven friends, five years of silence, and the one mystery that will bring them back together again. It's been five years since Marley Bricket died by accidental gunshot. On the night of the annual memorial, Olivia Stanton, the only witness to Marley's death, gets an unexpected visitor in the form of Nick Cline. He's the boy who pulled the trigger on what he didn't know was a loaded gun. Since then, nothing in the quiet desert town of Cadence, California has ever been the same. Nick's surprise reappearance puts all the Kids of Albany Lane in one place for the first time since Marley died. The once-inseparable group of neighborhood friends, formerly led by Marley herself, has disbanded. But when Olivia discovers a scavenger hunt orchestrated by Marley before she died, the group must come together again to complete it, reopening old wounds and unearthing new questions about what really happened. Most importantly, did Marley know the gun was loaded? A thrilling, adventure-filled story that captures the anguish of losing a friend.—Kirkus

Underneath Everything Marcy Beller Paul,2015-10-27 Underneath Everything is a seductive, gorgeously written debut about two girls bound by an obsessive and toxic friendship, perfect for fans of Lauren Oliver and Courtney Summers. Mattie shouldn't be at the bonfire. She should be finding new maps for her collection, hanging out with Kris, and steering clear of almost everyone else, especially Jolene. After all, Mattie and Kris dropped off the social scene the summer after sophomore year for a reason. But now Mattie is a senior, and she's sick of missing things. So here she is. And there's Jolene: Beautiful. Captivating. Just like the stories she wove. Mattie would know—she used to star in them. She and Jolene were best friends. Mattie has the scar on her palm to prove it, and Jolene has everything else, including Hudson. But when Mattie runs into Hudson and gets a glimpse of what could have been, she decides to take it all back: the boyfriend, the friends, the life she was supposed to live. Problem is, Mattie can't figure out where Jolene's life ends and hers begins. Because there's something Mattie hasn't told anyone: She walked away from Jolene over a year ago, but she never really left.
