The Head Coach Ralph Delahaye Paine, 1910

The Greatest Coach Ever (The Heart of a Coach Series) Fellowship of Christian Athletes, 2010-07-26 Coach John Wooden's teams won 10 NCAA mens basketball championships at UCLA and Sporting News magazine named him the greatest coach of all time. Yet decades after he retired and now after his passing, his wisdom, capsulated so clearly in his famous Pyramid of Success, continues to guide new generations of athletes, coaches, and people of all walks of life. In *The Greatest Coach Ever*, the Fellowship of Christian Athletes features forty tributes from athletes, coaches, and other influential leaders like Bobby Bowden, Tom Osborne, Sue Semrau, Tony Dungy, Mike Singletary, Tamika Catchings, Joe Girardi, Jim Tressel, and David Robinson, paying honor to Coach Wooden and reflecting on how his example has challenged and changed them. Their stories can challenge and change your life, too. Coach Wooden appreciated the tributes and the honor of being called the greatest coach ever, but felt uncomfortable with the title. He was eager to see that this book points to the one whom he calls the greatest coach ever. I am happy being remembered as a man of integrity. I like that--John Wooden, May 21 2010

A Legacy of Madness Tom Davis, 2011-09-28 Dorothy Winans Dede Davis had worried, fussed, and obsessed for the last time. Her heart stopped beating in a fit of anxiety, soon after her wobbly legs gave way. Helplessly self-absorbed and severely obsessive compulsive, Dede led a tormented life. She had moved from nursing home to mental institution in recent years, but what really caused her death? The story of a loving family coming to grips with its own fragilities, *A Legacy of Madness* relays Tom Davis's journey to uncover, and ultimately understand, the history of mental illness that led generations of his suburban American family to their demise. In the end, we witness Davis's powerful transition as he makes peace with the past and heals through forgiveness and compassion for his family—and himself.

Empower Tareq Azim, Seth Davis, 2024-08-20 Descendants of Afghan game changers dedicated to monarchy and independence, Tareq Azim's family became refugees in 1979, fleeing the Soviet invasion. Transitioning from affluence to Section 8 housing in San Francisco, Azim immersed himself in American life through sports, excelling in grappling, boxing, and football. In 2004, he returned to Afghanistan, discovering a dire situation that made children vulnerable to recruitment

by anti-peace militias. Recognizing the transformative power of sports, Azim committed to training these children, facing hurdles to establishing the Afghan Women's Boxing Federation, the official governing body for women's sports for the National Olympic Committee, and the first ever in the history of any Islamic republic. Despite initial resistance from influential warlords, he obtained their approval and support, revolutionizing women's participation in sports and proving that Afghanistan was ready for social change. His compelling journey unfolds in his memoir, *Empower*, offering insights on conquering fear and leveraging its strength. Azim's narrative encompasses diverse case studies, featuring figures such as MMA star Jake Shields, former congresswoman Tulsi Gabbard, and San Francisco 49ers owner Jed York, presenting a road map for overcoming fear and embracing empowerment in life--

I Died but Lived to Tell My Story Ronald W. Page, 2015-12-21 This book is a story of how one man experienced many tragedies and struggles as a young boy through adulthood. His story is an inspiration to anyone who is living or has lived through similar experiences. In reading about the author's life experiences, you may feel a connection or conviction, but know that God will carry you through your struggles to help with your own experiences. Testimony: I finished your book AGAIN today and don't know if I ever told you that I enjoyed it so much that I've highlighted so many parts it looks like a coloring book now! I remember some of the stories just like they were yesterday. Your book truly shows that God is in control and if we have faith in him our hardships along with our happiness are to bring us closer to him. One sentence that sticks in my mind - Don't let the hearse be the only ride that takes you to church. God Bless Lorie H.

Root for the Underdog Charles Young, 2010-10-08 Some of my fondest memories in sports have come from games or situations where the impossible becomes reality. As I watched, I had this feeling that I hoped an unlikely athlete would become the hero of the moment or an underdog team could pull out an unexpected victory. Some boys and girls only ever have one opportunity to have this feeling, and we all hope that we can be there to share it with them. This book contains the stories of some of these young athletes. I hope you enjoy reading these stories and get the feeling of why it is fun to Root for the Underdog. Sports have been a big part of my life since my childhood days in Levittown, Pa. I enjoyed baseball from my Little League all the way up to high school. I liked so many sports that I was always busy playing something. In high school I lettered in soccer, tennis and basketball. In the summer I pitched softball for several adult teams. At Kutztown University I concentrated on tennis and basketball. After graduating from college I played on a semi-professional basketball team, the Exeter Black Knights, which won the National Amateur Basketball Championship in 1969. I still enjoy watching sports on television and in person - especially when my grandchildren are participating.

Devil at My Heels David Rensin, Louis Zamperini, 2024-04-16 The bestselling autobiography of the legendary Louis Zamperini, hero of the blockbuster *Unbroken*. A modern classic by an American legend, *Devil at My Heels* is the riveting and deeply personal memoir by U.S. Olympian, World War II bombardier, and POW survivor Louis Zamperini. His inspiring story of courage, resilience, and faith has captivated readers and audiences of *Unbroken*, now a major motion picture directed by Angelina Jolie. In *Devil at My Heels*, his official autobiography (co-written with longtime collaborator David Rensin), Zamperini shares his own first-hand account of extraordinary journey—hailed as one of the most incredible American lives of the past century (*People*). A youthful troublemaker, a world-class NCAA miler, a 1936 Olympian, a WWII bombardier: Louis Zamperini had a fuller life than most. But on May 27, 1943, it all changed in an instant when his B-24 crashed into the Pacific Ocean, leaving Louis and two other survivors drifting on a raft for forty-seven days and two thousand miles, waiting in vain to be rescued. And the worst was yet to come when they finally reached land, only to be captured by the Japanese. Louis spent the next two years as a prisoner of war—tortured and humiliated, routinely beaten, starved and forced into slave labor—while the Army Air Corps declared him dead and sent official condolences to his family. On his return home, memories of the war haunted him nearly destroyed his marriage until a spiritual rebirth transformed him and led him to dedicate the rest of his long and happy life to helping at-risk youth. Told in Zamperini's own voice, *Devil at My Heels* is an unforgettable memoir from one of the greatest of the Greatest Generation, a living document about the brutality of war, the tenacity of the human spirit, and the power of faith.

Slow Getting Up Nate Jackson, 2014-09-02 One man's odyssey into the brutal hive of the National Football League As an unsigned free agent who rose through the practice squad to the starting lineup of the Denver Broncos, Nate Jackson took the path of thousands of unknowns before him to carve out a professional football career twice as long as the average player. Through his story recounted here—from scouting combines to preseason cuts to byzantine film studies to glorious touchdown catches—even knowledgeable football fans will glean a new, starkly humanized understanding of the NFL's workweek. Fast-paced, lyrical, dirty, and hilariously unvarnished, *Slow Getting Up* is an unforgettable look at the real lives of America's best athletes putting their bodies and minds through hell.
