Evangeline Clint Adams,2015-05 The stars are infallible; one's true destiny cannot be altered. Or can it? A descendant of presidents John and John Quincy Adams, and the black sheep of her family, astrologer Evangeline Adams flees provincial Boston in 1899 to launch her business in New York City. On the train ride, she casts her own horoscopic chart. Her findings--death on November 10, 1932 and an unusual intimate union--alarm her. Soon after, she meets actress and suffragist Emma Sheridan-Fry, and she spends the rest of her life torn between society's restrictions and the trail-blazing nature that made her one of the most prominent female businesswomen of her time. Peopled with real historical figures, including J.P. Morgan, King Edward VII, Enrico Caruso, Rudolph Valentino, Charles Schwab, Mary Pickford, Charlie Chaplin, Sheridan-Fry (who was known to have been a companion of Evangeline's) and occult figure Aleister Crowley, Evangeline The Seer of Wall St. immerses readers in a New York populated with the Wall Street wealthy and the downtrodden, all of whom visited Evangeline's Carnegie Hall office.

The Complete Idiot's Guide to Astrology Madeline Gerwick-Brodeur,Lisa Lenard,1997 A basic guide to astrology.

Signs of Success Steven Mark WEISS, 2008-05-16 J.P. Morgan once famously remarked, “Millionaires don’t have astrologers. Billionaires do.” For modern business professionals, the idea that what’s in the stars might have some bearing on the very cut-and-dried, numbers-dominated corporate environment may seem pretty “out there.” But time and time again, the science of astrology has been shown to provide uncanny insight into timing and trends. This book examines the accomplishments of hundreds of business greats—from Walt Disney to Oprah Winfrey to Bill Gates—through the remarkable and surprising lens of astrology. *Signs of Success* gives all readers, be they astrological doubters, dilettantes, or devotees, a practical and entertaining overview of the many applications of astrology to business endeavors. The book provides an analysis of the 12 zodiacal business personality types, and fascinatingly recounts how an understanding of the stars has affected landmark business events throughout history. Witty, wise, and practical, this delightful book shows readers that when it comes to real-world business and leadership, the sky truly is the limit.

WISDOM OFFERS LONG LIFE AND WEALTH AND HONORS. FOR THIS REASON, THE TITLE OF THIS BOOK IS: GET WISDOM AND NOT MONEY.AMONG THE PROBLEMS, WE CAN TAKE ADVANTAGE AND BE BILLIONAIRE OR MILLIONAIRE; CATEGORICALLY AFFIRMS THE AFTER TEN YEARS OF DEEP RESEARCH TIRELESSLY NIGHTS AND DAYS, THE AUTHOR PRODUCED HIS QUOTES, TO HELP READERS WORLDWIDE UNDERSTAND THE KEYS TO SUCCESS.As the title says, this book is a must-read for those who live broken in poverty, financially desperate, struggling every day to pay their bills, and want to live freely and do what they want to do in life. The book belongs to the category of personal development, in order to encourage people. People are increasingly facing 21st-century diseases, such as; depression, stress and anxiety, because of financial problems causing social problems, and many unfortunately fall into drugs, alcoholism, prostitution, robberies, suicides, destroying families. This book will radically change your philosophy of thought, your daily habits will change, influencing your character or personality and consequently, your life will change forever if you believe and apply in practice the principles contained in this book. Try to learn from brilliant people so that you can have an intelligent and more productive mindset. Let me quote Mr Satya Nadella, Microsoft's CEO, he

said; Our mission is to empower all people and organizations on the planet to achieve more. As an author and researcher, I categorically affirm that we live in the age of intelligence, digital age, AI and those who exploit knowledge to better serve people, are successful in life. We live in troubled times of wars, hunger, strange diseases arise, and insecurity has increased in people about the future, but with this book, you will increase your confidence, your belief about the future. Remember that successful people are confident and optimistic about the future and create strategies to solve problems using their mental capacities. I understand that success is the ability to solve the needs of other people, making their lives easier, and worth living just to serve others. I am excited by the fact that my book is being sold worldwide in electronic and physical form, and I am serving people by awakening that we can do extraordinary projects if we believe and put into practice. To be a successful person, I understand that it is the radical ability to serve people, adding values, goods and services to change their lives. All great leaders are great public servants, and they don't work for themselves but for other people. In my particular experience, you should not trust banks, your family, trust the Creator of the Universe first and then trust yourself. If you trust people you will be disappointed and waste your precious time. These are the words of the author who suffered in the flesh and soul because I trusted banks and people. The good news I have for you is: Your success is within you. When I started to trust myself, my whole life changed, producing products of my own imagination. The language resources used in this book are: Hyperbole, imperative, rules of three, emotive language, statistics, rhetorical question, persuasive, repetition, informal, formal language, image, personification, simile, superlatives, quotation, fact and opinion.
