The Gospel According To Monty Python Julian Doyle, 2014-06-04 THE GOSPEL ACCORDING TO MONTY PYTHON Who was the real Brian? Who was the real Jesus? Did the Romans build the Jerusalem Aqueduct? Were the Magi really wise? And were the Peoples Front of Judea, splitters? All the crucial issues this book dares to confront. 'Life of Brian' editor Julian Doyle, not only reveals some telling information about the filming process but also compares each and every hysterical scene of the film with the actual Biblical events and comes to some extraordinary conclusions, including the well held belief that 'Life of Brian' is the most accurate Biblical film ever made. A must not only for Python fans but film students wishing to understand the process of comedy editing.

A Book about the Film Monty Python's Life of Brian Darl Larsen, 2018-02-15 As a follow-up to their first true feature film, Monty Python and the Holy Grail, the comic troupe next decided to tackle a “shadow” version of the Christ story. Shot in the Middle East and produced during Margaret Thatcher’s ascendant years, the film satirized—among other matters—authoritarianism and religious zealotry. Upon its release, Monty Python’s Life of Brian was both a critical and commercial success, and has been since hailed as one of the greatest comedies of all time. But the film also faced backlash from religious groups for its blasphemy, perceived or otherwise. In *A Book about the Film Monty Python's Life of Brian: All of the References from Assyrians to Zeffirelli*, Darl Larsen identifies and examines the plethora of cultural, historical, and topical allusions in the film. In this resource, Larsen delineates virtually every allusion and reference that appears in the film—from first-century Jerusalem through 1970s Great Britain. Organized chronologically by scene, the entries in this cultural history cover literary and metaphoric allusions, symbolisms, names, peoples, and places, as well as the many social, cultural, and historical elements that populate this film. By closely examining each scene, this book explores the Pythons’ comparisons of the Roman and British Empires and of Pilate and Margaret Thatcher. In addition, Larsen helps to situate Life of Brian in the “Jesus” re-examination of the postwar period, while also taking a close look at the terror groups of first-century Judea and the modern world. *A Book about the Film Monty Python's Life of Brian* will appeal to scholars of history, film, British culture, and pop culture, as well as to the many fans of this iconic group.

Dispatches from the Tenth Circle Robert Siegel, 2001 The Onion is laugh-out-loud, go-tell-your-friends, get-angry-you-didn't-think-of-it funny. -Conan O'Brien Outside of maybe Dario Fo, an Italian who few are sure exists, the Onion people make the most consistently perfect and excoriating social commentary we currently have. But will those Nobel bastards honor them, too? Only God, our merciless and just God, knows. -Dave Eggers The funniest publication in the United States. -The New Yorker This publication is tasteless and destructive to our shared values. Read it for yourself and you'll see what I mean. Seriously, what else could make me laugh-much less laugh uproariously-while being offended week after week after week? -Al Gore The Onion is the funniest thing in news since Dan Rather's spooky stare. -Matt Groening Brutal satire that rushes into the far reaches of race, class, sexuality, and culture where many publications-and critics-fear to tread. -Chicago Tribune The Onion, unlike any other entity in our media culture, offers a refreshingly honest look at our complicated life. -Ken Burns
