*City of Northern and Central Italy* by Augustus J. C. Hare Augustus John Cuthbert Hare, 1876

*Old Buildings, New Ideas* Françoise Astorg Bollack, 2023-12-18 Some architectural transformations are modest, some are revolutionary. Shining a light on the hidden side of the accepted narrative of the history of architecture, this book explores works which transform existing buildings to build a way forward, through adaptations, additions and visual shifts. Examining 30 buildings across Europe, North America and South America, spanning from the early Middle Ages to the end of the 20th century, it demonstrates the creative possibilities of working with existing buildings. The book reveals how formal inventions can shape architecture and our environment over time in a built world constantly in a state of becoming. As we face a climate emergency, it taps into our deep cultural knowledge about the inventive use and re-use of buildings. Generously illustrated with architectural plans and over 300 colour images, it provides an alternative to the dominant view which sees conservation and preservation of historic buildings as a 20th century creation.

*Time Out Venice* Editors Out,2010-02-01 Venice conjures images of gondolas drifting along misty canals and pigeon-feeding visitors dwarfed by the splendor of St. Mark's. For tourists seeking these typical Venetian icons, this magical city will never disappoint. But for a more rounded experience, the longtime residents and experts who have contributed to Time Out Venice take readers down backstreets and into campi and calli where few tourists tread: to hidden churches with hidden artworks; to architectural and sculptural gems in concealed courtyards; and to districts where the everyday life of Venice goes on in time-honored, washing-festooned, market-haggling fashion. Included is a wealth of practical information on escaping the menu turistico to discover authentic eateries; hiring a gondola and coping with acqua alta; finding budget digs in a city of haute hotels; and traveling beyond the Venetian lagoon to the magnificent cities — Padua, Verona, Vicenza, Treviso — and countryside of the mainland Veneto region.
