Know What Matters Ron Shaich, 2023-10-24 A Wall Street Journal and USA Today bestseller Ron Shaich, founder and former CEO of Panera Bread, shares the lessons he learned from a lifetime of asking what really matters and then making the transformations necessary to bring what really matters to life. Shaich is a business visionary who has been part of building three iconic restaurant brands: Au Bon Pain, Panera Bread, and now Cava. Along the way, he developed fast casual, a \$100 billion-plus segment of the industry. Now he reveals what he learned about entrepreneurship, running large enterprises, business transformation, and life itself. He illustrates these lessons with his experiences turning a 400-square-foot cookie store into 2,400 restaurants with \$5 billion in revenue, delivering annual investor returns of 25 percent over two decades, and outperforming both Starbucks and Chipotle. How did Shaich succeed repeatedly in such a notoriously tough industry? By discovering today what will matter tomorrow and never hesitating to undertake sweeping transformations in order to get the job done. Shaich offers clear-headed lessons for the entire life cycle of an enterprise, from bootstrapping a startup to going public to managing large companies to selling a business. And the relevance of his message doesn't end in the boardroom. He challenges readers to grapple with how the business impacts life, sharing his own struggles and setbacks with as much candor as he describes his successes. Telling yourself the truth, knowing what really matters, and getting it done is the path to creating and sustaining a meaningful life, a market-leading business, and even a healthier society. Shaich's reflections are sometimes practical (Make smart bets), sometimes philosophical (Conduct an annual pre-mortem), often challenging (You don't own the business, the business owns you), and always incisive (You take the money, I'll take control.). Know What Matters is a powerful guide to building transformative businesses while leading a life you respect and leaving a positive impact on the world.

Finlay Donovan Is Killing It Elle Cosimano, 2021-02-02 Getting the job done for one single mom takes on a whole new meaning in *Finlay Donovan is Killing It*. A USA Today bestseller! One of *Suspense Magazine's* Best Thrillers of 2021 One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery “Finlay Donovan is irresistible!”—Janet Evanovich *Finlay Donovan is killing it . . . except, she’s really not. She’s a stressed-out single-mom of two and struggling novelist, Finlay’s life is in chaos: the new book she promised her literary agent isn’t written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school*

with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moments, Finlay Donovan Is Killing It is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

Opting for Elsewhere Brian Hoey,2014-12-31 Do you get told what the good life is, or do you figure it out for yourself? This is the central question of *Opting for Elsewhere*, as the reader encounters stories of people who chose relocation as a way of redefining themselves and reordering work, family, and personal priorities. This is a book about the impulse to start over. Whether downshifting from stressful careers or being downsized from jobs lost in a surge of economic restructuring, lifestyle migrants seek refuge in places that seem to resonate with an idealized, potential self. Choosing the option of elsewhere and moving as a means of remaking self through sheer force of will are basic facets of American character, forged in its history as a developing nation of immigrants with a seemingly ever-expanding frontier. Building off years of interviews and research in the Midwest, including areas of Michigan, Brian Hoey provides an evocative illustration of the ways these sweeping changes impact people and the communities where they live and work as well as how both react--devising strategies for either coping with or challenging the status quo. This portrait of starting over in the heartland of America compels the reader to ask where we are going next as an emerging postindustrial society.
