

Poemas Sobre La Dictadura Del 76 En Argentina

Fernando Reati, Paula Simón

Handbook of Latin American Studies, Vol. 76 Katherine D. McCann, 2023-03-28 Beginning with Number 41 (1979), the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research underway in specialized areas.

Filosofía de la incomunicación Fernando Reati, Paula Simón, 2021-07-28 Al producirse el golpe militar de 1976, comenzó en la Unidad Penitenciaria 1 (UP1) de Córdoba un experimento casi único en el país. Por más de tres años se prohibió toda comunicación con el exterior, incluidos diarios, revistas, libros, radios y televisores, y sobre todo visitas y correspondencia con familiares. A pesar del férreo aislamiento, comenzó un sistema de comunicación clandestina por el cual las presas y los presos políticos, con ayuda de detenidos por causas comunes, lograron enviar y recibir cartas en pedazos de papel higiénico, envoltorios de cigarrillos e incluso trozos de tela. A diferencia de la correspondencia en cárceles donde se permitió la comunicación, las cartas clandestinas de la UP1 no se han estudiado y constituyen un segmento particular de las narrativas carcelarias que permanece en sombras. ¿En qué se distinguían o parecían a las cartas escritas legalmente? ¿Cómo se relataba aquello inédito que se estaba viviendo? Este libro indaga en textos prohibidos que fueron una vía de denuncia, un escape del encierro y la rutina carcelaria, y un motor para echar a andar el pensamiento entre las paredes de la penitenciaría.

Historia comparada de las literaturas argentina y brasileña - Tomo V Marcela Croce, 2020-05-01 Una tensión domina el período que se extiende desde la caída de los gobiernos populistas hasta la conciencia trágica del subdesarrollo que Latinoamérica asume en los años 60: la que oscila entre la búsqueda de un refugio privado y la asunción del compromiso político. Esas alternativas enmarcan el boom en la década inmediatamente posterior a la Revolución Cubana, fenómeno estrictamente contemporáneo de la Teoría de la Dependencia que clausuró con un diagnóstico desolador el entusiasmo desarrollista iniciado hacia mitad del siglo. Así, a los ensayos optimistas de Raúl Prebisch y Celso Furtado les responden los

textos desencantados de Fernando Henrique Cardoso y Theotônio dos Santos, beneficiarios de cierto repertorio sociológico instalado por Gino Germani y Florestan Fernandes. En otro orden, la preferencia por el género fantástico en autores argentinos como Cortázar, Bianco y Bioy Casares encuentra correspondencia en Brasil a través de Lispector, Lins y Rubião, al tiempo que la poesía se vuelve vocera de militancias políticas, y el teatro exhibe su aptitud para representar cambios sociales y conflictos culturales, además de encarar la denuncia dramática del contexto. La ebullición de los géneros indagada en este volumen suprime las convenciones tradicionales y exige otras reevaluaciones, las que operan sobre los cánones nacionales e instalan a Borges y Guimarães Rosa, respectivamente, como clásicos universales desde las construcciones estéticas de la pampa y el sertão.
