**Lorraine Gamman, Margaret Marshment**

*The Politics of Porn for Young People in New Zealand* Claire Meehan, 2023-12-11 This book sheds light on young New Zealander's social realities and lived experiences of their digital and sexual lives through an understanding of how they think about and engage with porn. Drawing on qualitative empirical data from interviews with 106 young New Zealanders, each chapter examines young people's creation of informal norms through an investigation of the broader issues associated with their engagement with porn, namely consent, gender, pleasure and 'empowerment.' Following this, the book gives voice to young New Zealander's perceptions of the value of the sexuality education they receive. Finally, this text argues toward a co-constructed intersectional sexuality education.

In the House of the Hangman volume 6 John Bloomberg-Rissman, 2016-12-31 A marathon dance mix consisting of thousands of mashed up text and image samples, *In the House of the Hangman* tries to give a taste of what life is like there, where it is impolite to speak of the noose. It is the third part of the life project Zeitgeist Spam. If you can't afford a copy ask me for a pdf.

**Subjectified** Suzannah Weiss, 2024-05-09 *Subjectified* is a book about subjects, objects, and verbs. It is also a book about clothing-optional resorts, masturbation circles, and sex parties. Suzannah Weiss takes the reader through her adventures as a sex and relationship writer to explore how we can create a world with less objectification and more subjectification - placing women and other marginalized groups in the subject role of sentences and actions. Offering a deeply personal critique of sexual empowerment movements, Weiss presents a way forward that focuses on what women desire, not what men desire from them. *Subjectified* calls for women everywhere to inhabit their bodies and hearts - to look through their own eyes and speak as "I." The book is for everybody wanting to understand themselves as subjects. Wholeheartedly, the author invites you to follow her search for subjecthood and, should you desire, forge your own path out of objecthood. Now available as an audiobook.

**Gender, Sex, and Politics** Shira Tarrant, 2015-06-19 *Gender, Sex, and Politics: In the Streets and Between the Sheets* in

the 21st Century includes twenty-seven chapters organized into five sections: Gender, Sexuality and Social Control; Pornography; Sex and Social Media; Dating, Desire, and the Politics of Hooking Up; and Issues in Sexual Pleasure and Safety. This anthology presents these topics using a point-counterpoint-different point framework. Its arguments and perspectives do not pit writers against each other in a binary pro/con debate format. Instead, a variety of views are juxtaposed to encourage critical thinking and robust conversation. This framework enables readers to assess the strengths and shortcomings of conflicting ideas. The chapters are organized in a way that will challenge cherished beliefs and hone both academic and personal insight. Gender, Sex, and Politics is ideal for sparking debates in intro to women's and gender studies, sexuality, and gender courses.

*Straight Korean Female Fans and Their Gay Fantasies* Jungmin Kwon, 2019-02-15 This book is about ardent Korean female fans of gay representation in the media, their status in contemporary Korean society, their relationship with other groups such as the gay population, and, above all, their contribution to reshaping the Korean media's portrayal of gay people. Jungmin Kwon names the Korean female fandom for gay portrayals as "FANTasy" subculture, and argues that it adds to the present visibility of the gay body in Korean mainstream media, thus helping to change the public's perspective toward sexually marginalized groups. The FANTasy subculture started forming around text-based media, such as yaoi, fan fiction, and U.S. gay-themed dramas (like *Will & Grace*), and has been influenced by diverse social, political, and economic conditions, such as the democratization of Korea, an open policy toward foreign media products, the diffusion of consumerism, government investment in the culture, the Hollywoodization of the film industry, and the popularity of Korean culture abroad. While much scholarly attention has been paid to female fandom for homoerotic cultural texts in many countries, this book seeks to explore a relatively neglected aspect of the subculture: its location in and influence on Korean society at large.

*Men Speak Out* Shira Tarrant, 2013-02-11 *Men Speak Out: Views on Gender, Sex, and Power*, Second Edition highlights new essays on pornography, pop culture, queer identity, Muslim masculinity, and the war on women. With personal candor and political insight, this collection of diverse authors explores sex work, digital activism, incarceration, domestic violence, surviving incest, and standing firmly as male allies facing the backlash against women's reproductive rights. Featuring eleven new essays and six revised thematic sections, this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change. The contemporary, compelling essays in *Men Speak Out* appeal to students, scholars, activists, and everyday readers.

**Pornification** Kaarina Nikunen, Susanna Paasonen, Laura Saarenmaa, 2007-11-01 *Pornification* presents an international overview of how pornography - from softcore to hardcore, gay to straight, female to male, black to white - infiltrates and proliferates through our media. Porn is everywhere; from the suggestiveness of music videos to the explicit discussions of

popular magazines; from the erotica of advertising to the refashioning of sex acts into art works; from a small garage industry to an internet empire. The media immerses us in the pornographic aesthetic. Now integral to popular culture, porn is part of our everyday lives. Sexual desire is commodified, pornified and the media leads the way. Exploring music videos, alt porn sites, Cosmogirls and Gaydar online forums, H&M's street advertising, retro pin-ups, film and educational sex videos alike, *Pornification* analyses the transformation of porn in today's media and its impact on our culture.

*Porn After Porn* Enrico Biasin, Giovanna Maina, Federico Zecca, 2014 After the digital turn, sexual representations have been increasing both quantitatively and qualitatively. This volume investigates the emergences of alternative pornographies, mapping its main areas such as alt porn, queer pornography, indie porn, post porn, feminist pornography, and amateur porn.

*Porn 101* James E. Elias, Veronica Diehl Elias, Vern L Bullough, 1999-10-01 Is the sex depicted in pornographic movies a reflection of what happens in real life? Do such movies exploit their female and male actors? Should pornography be held responsible for misconceptions about women and sex, or for violent behaviour in men? What is obscenity? What is the difference between the erotic, the pornographic, and the artistic? Should society heed the constant calls for censorship, or is pornography a form of speech that, though objectionable to some, is deserving of Constitutional protection? These questions and more in the controversial pornography debate are pondered in this wide-ranging collection of essays by both scholars and those who work within the porn industry, from actors and actresses to directors and writers, including even top First Amendment attorneys. The effects of pornography on its audience - one of the most heated topics - are examined in depth with all available international data, while tell-all stories from behind the scenes of the industry provide unique insight into porn's production. An all-inclusive volume, *Porn 101* ranges from gay to straight pornography, from sadomasochism to phone sex, and includes discussion of the special issues raised by child pornography.

*The Feminism and Visual Culture Reader* Amelia Jones, 2010 Feminism is one of the most important perspectives from which visual culture has been theorised and historicised over the past 30 years. This book brings together a wide array of writings, including classic texts and polemical new pieces.

***Mexico City in Contemporary Mexican Cinema*** David William Foster, 2002-06-15 Just as Mexican national life has come to center on the sprawling, dynamic, almost indefinable metropolis of Mexico City, so recent Mexican cinema has focused on the city not merely as a setting for films but almost as a protagonist in its own right, whose conditions both create meaning for and receive meaning from the human lives lived in its midst. Through close readings of fourteen recent critically acclaimed films, this book watches Mexican cinema in this process of producing cultural meaning through its creation, enactment, and interpretation of the idea of Mexico City. David William Foster analyzes how Mexican filmmakers have used Mexico City as a vehicle for exploring such issues as crime, living space, street life, youth culture, political and police corruption, safety hazards, gender roles, and ethnic and social identities. The book is divided into three sections. Politics of

the City examines the films *Rojo amanecer*, *Novia que te vea*, *Frida*, *naturaleza viva*, and *Sexo, pudor y lágrimas*. *Human Geographies* looks at *El Callejón de los Milagros*, *Mecánica nacional*, *El castillo de la pureza*, *Todo el poder*, and *Lolo*. *Mapping Gender* discusses *Danzón*, *De noche vienes*, *Esmeralda*, *La tarea*, *Lola*, and *Entre Pancho Villa y una mujer desnuda*.

The Sexual Body Shelly Eversley, Jennifer Morgan, 2007-06 During the past thirty years, controversies have raged over the associations among women's bodies, sex, and questions of women's liberation. Through critical essays, fiction, poetry, and images, this provocative issue draws on the expertise of a variety of disciplines to explore a range of topics, including soul food, the works of performance artist Sarah Jones, photographer Renee Cox, filmmaker Spike Lee, dance hall music, and the history of slavery, as it reveals how women's bodies have been portrayed and how society views, discusses, and practices sex today.

*Porn Studies* Linda Williams, 2004 In her pioneering book *Hard Core*, Linda Williams put moving-image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres. Now, fifteen years later, she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching. *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed. With revenues totaling between ten and fourteen billion dollars annually--more than the combined revenues of professional football, basketball, and baseball--visual, hard-core pornography is a central feature of American popular culture. It is time, Williams contends, for scholars to recognize this and give pornography a serious and extended analysis. The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core. Contributors examine varieties of pornography from the tradition of the soft-core pin-up through the contemporary hard-core tradition of straight, gay, and lesbian videos and DVDs to the burgeoning phenomenon of pornography on the Internet. They explore, as examples of the genre, individual works as divergent as *The Starr Report*, the pirated Tommy Lee/Pamela Anderson honeymoon video, and explicit Japanese ladies' comics consumed by women. They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant-garde. To take pornography seriously as an object of analysis also means teaching it. *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form. Contributors. Heather Butler, Rich Cante, Jake Gerli, Minette Hillyer, Nguyen Tan Hoang, Despina Kakoudaki, Franklin Melendez, Ara Osterweil, Zabet Patterson, Constance Penley, Angelo Restivo, Eric Schaefer, Michael Sicinski, Deborah Shamoan, Maria St. John, Tom Waugh, Linda Williams

**One for the Girls!** Clarissa Smith, 2007 Against the claims of the increasing sexualization of culture, one truism is constantly rehearsed - that women have little taste for pornography. *One for the Girls!* offers a new basis for understanding women's pleasures in sexually explicit materials, focusing on the production and consumption of *For Women* magazine. This

thought-provoking book argues that theories of harm and women's subordination have deflected attention away from the lived experiences and practices of pornography. By focusing on an individual publication, this book illuminates the ways in which pornography is a social product and subject to a range of institutional practices which influence its styles and presentations. The investigation is complemented by a study of For Women readers, offering a multi-dimensional understanding of their relationships with this soft-core magazine--P. [4] of cover.

Creative Camera ,1991

**Art/Porn** Kelly Dennis,2009-03 Art/Porn argues the distinctions between erotica and pornography are based on an age-old antithesis between sight and touch, an antithesis created and maintained for centuries by art criticism. It reveals how the world of art and pornography are much closer than we think.--Back cover.

**Fantasies of Femininity** Jane M. Ussher,1997 An account of how women have managed to resist the archetypal fantasies of femininity and what it supposedly is to be a woman, and how women have consequently redefined the boundaries of their sex.

The Female Body Laurence Goldstein,1991 Reflective essays on women's appearance by anthropologists, poets, psychologists, artists, and historians. -- Back cover.

**More Dirty Looks** Pamela Church Gibson,2004-01-26 Drawing on the radical work around gender, identity and sexuality within critical theory, this book argues for the significance of pornography in debates around gender, feminism and masculinity and the importance of the topic in our understanding of issues of power and cultural identity.
