Angels and Ministers of Grace Defend Us! Gregory William Mank, 2022-06-07 Like a lovingly guided midnight tour, this book covers the seductive shadows of the most fascinating horror films and melodramas from the 1930s and 1940s. From the bloody censorship battles behind 1935's *Bride of Frankenstein*, to the sexual controversies of 1941's *Dr. Jekyll and Mr. Hyde* and the gruesome Nazi atrocities of 1943's *Women in Bondage*, this book delves into newly excavated research to tell the behind-the-scenes sagas of some of Hollywood's most frightening films. Peek behind the scenes, revel in on-the-set anecdotes and get a look at the script notes illuminating characters like *Werewolf of London*, *Richard III*, *Panther Woman* and *Rasputin*. Included are profiles of the performers and filmmakers who made the nightmares feel all too real in the darkened theaters of yesteryear, and an examination of the factors that have kept these films popular so many decades later.

Remnants of the Franco-Algerian Rupture Mona El Khoury, 2020-09-28 At the end of French colonization in Algeria, four categories of people held French citizenship or had strong ties with France: European settlers, Jews, mixed-race individuals, and Harkis. The end of the War of Independence exiled most of them from Algeria, traumatized them in various ways, and transferred many to metropolitan France. *Remnants of the Franco-Algerian Rupture: Archiving Postcolonial Minorities* examines the legacies of these transnational identities through narratives that dissent from official histories, both in France and Algeria. This literature takes particular stories of exile and loss and constructs a memory around a Mosaic father figure embodying the native land, Algeria. Mona El Khoury argues that these filiation narratives create a postcolonial archive: a discursive foundation that makes historical minorities visible, while disrupting French and Algerian hegemonies. El Khoury questions the power of literature to repair history while contending that these literary strategies seek to do justice to the dead Algerian father, even as they valorize enduring minority identifications.

Red Hot and Holy Sera Beak, 2013-07-01 When one person dares to speak her truth, it challenges us all to live our own. With *Red Hot and Holy*, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability—vibrantly

mixed with red wine, rock songs, tattoos, and erotic encounters—Sera candidly chronicles the highs and lows of her mystical journey. From the innocence of her childhood crush on God; through a whirlwind of torrid liaisons and bitter break-ups with Christianity, Buddhism, Sufism, Hinduism, and the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak's luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book *The Red Book* a breakout success. With *Red Hot and Holy* she offers a far more personal book—an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love.

Bible and Cinema Adele Reinhartz, 2013-10-08 This is a comprehensive introduction to the ways in which the Bible has been used and represented in mainstream cinema. Adele Reinhartz considers the pervasive use of the Bible in feature films, and the medium of film as part of the Bible's reception history. The book examines how films draw on the Old and New Testament and the figure of Jesus Christ in various direct and indirect ways to develop their plots, characters, and themes. As well as movies that set out explicitly to retell biblical stories in their ancient context, it explores the ways in which contemporary, fictional feature films make use of biblical narrative. Topics covered include: how filmmakers make use of scripture to address and reflect their own time and place. the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption. the role of the Bible as a source of ethics and morality, and how this connection is both perpetuated and undermined in a range of contemporary Hollywood films. films that create an experience of transcendence, and the ways in which the Bible figures in that experience. Reinhartz offers insightful analysis of numerous films including *The Ten Commandments* and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. Students will find this an invaluable guide to a growing field.
