*Cash and Carry* Jim Reisler, 2009-01-22 C.C. Cash and Carry Pyle made several fortunes representing professional football and tennis players--before losing everything and disappearing into history's dustbin. This work reevaluates Pyle's fast life and times while analyzing his extraordinary and enduring legacy. In 1925, Pyle rocked the sports world by inducing Red Grange to abandon the leafy confines of the University of Illinois for pro football, in essence thumbing his nose at protesting academics who insisted the move would irreparably harm both the college game and Grange's career. The book continues through all of Pyle's successes, and more than a few of his failures, including his signing of controversial French tennis star Suzanne Lenglen and his near-bankruptcy following losses incurred staging the short-lived annual Union Derby, as newspaper columnists dubbed the notorious 3,470-mile transcontinental footrace first held in 1928.

**Hinglaj Devi** Jürgen Schaflechner, 2018 In this book, Jürgen Schaflechner examines the political and cultural influences at work at the most influential Hindu pilgrimage site in Pakistan, Hinglaj Devi. The unique character of this pilgrimage site and its modern importance not only for Hindus, but also for Muslims and Sindhi nationalists, brings to the fore the lives of Hindu minorities in the Islamic Republic.

**Devotional Islam in Contemporary South Asia** Michel Boivin, Remy Delage, 2015-12-22 The Muslim shrine is at the crossroad of many processes involving society and culture. It is the place where a saint - often a Sufi - is buried, and it works as a main social factor, with the power of integrating or rejecting people and groups, and as a mirror reflecting the intricacies of a society. The book discusses the role of popular Islam in structuring individual and collective identities in contemporary South Asia. It identifies similarities and differences between the worship of saints and the pattern of religious attendance to tombs and mausoleums in South Asian Sufism and Shi'ism. Inspired by new advances in the field of ritual and pilgrimage studies, the book demonstrates that religious gatherings are spaces of negotiation and redefinitions of religious identity and of the notion of sainthood. Drawing from a large corpus of vernacular and colonial sources, as well as the register of popular literature and ethnographic observation, the authors describe how religious identities are co-constructed through the management of rituals, and are constantly renegotiated through discourses and religious practices. By enabling

students, researchers and academics to critically understand the complexity of religious places within the world of popular and devotional Islam, this geographical re-mapping of Muslim religious gatherings in contemporary South Asia contributes to a new understanding of South Asian and Islamic Studies.

*Wild Goddesses in India and Nepal* Axel Michaels,Cornelia Vogelsanger,Annette Wilke,1996 She kills and destroys. She causes illness and disaster. The wild goddess evokes fear and terror. People worship her with blood-sacrifices and alcohol in order to appease her rage, but also in order to participate in her power for she is at once a force of destruction and a force of regeneration, of life, and of sexuality. Her creative violence reflects the ambivalent power of nature. The idea of frightening goddesses is preserved in regionally different forms throughout South Asia. The Institute for the Science of Religions, University of Berne, and the Museum of Anthropology of the University of Zurich, coordinated a symposium on wild goddesses in India and Nepal. The papers and reports on ongoing research presented at this symposium are published in this volume.
