Nasser Amiri

Quotationary - The A-Z Book of Quotations Nasser Amiri, 2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

Shakespeare and Scotland Willy Maley, Andrew Murphy, 2018-07-30 Shakespeare and Scotland is a timely collection of new essays in which leading scholars on both sides of the Atlantic address a neglected national context for an exemplary body of dramatic work too often viewed within a narrow English milieu or against a broad British backdrop. These essays explore, from a variety of critical perspectives, the playwright's place in Scotland and the place of Scotland in his work. From critical reception to dramatic and cinematic adaptation, the contributors engage with the complexity of Shakespeare's Scotland and Scotland's Shakespeare. The influence of Scotland on Shakespeare's writing, and later on his reception, is set alongside the dramatic effects that Shakespeare's work had on the development of Scottish literature, from the Globe to globalisation, and from Captain Jamy and King James to radical productions at the Citizens' Theatre in Glasgow.

When True Love Came to China Lynn Pan, 2015-11-01 The Guardian's Best Books of 2015 Most people suppose that the whole world knows what it is to love; that romantic love is universal, quintessentially human. Such a supposition has to be able to meet three challenges. It has to justify its underlying assumption that all cultures mean the same thing by the word 'love' regardless of language. It has to engage with the scholarly debate on whether or not romantic love was invented in Europe and is uniquely Western. And it must be able to explain why early twentieth-century Chinese writers claimed that they had never known true love, or love by modern Western standards. By addressing these three challenges through a literary, historical, philosophical, biographical and above all comparative approach, this highly original work shows how love's profile in China shifted with the rejection of arranged marriages and concubinage in favour of free individual choice, monogamy and a Western model of romantic love. 'This book, Lynn Pan's best to date, adds a wonderful new angle by encouraging us, via comparison, to better appreciate how unusual, even in some ways exotic, a part of the Western past we

take for granted, as though it were natural, actually is. While the reader will learn a great deal about Chinese literary and cultural traditions from this book, if read with an open mind the Western reader may end up rethinking things about his or her tradition just as deeply.' —Jeffrey N. Wasserstrom, Chancellor's Professor of History, University of California at Irvine
'Nobody writes about China quite as brilliantly as Lynn Pan, who in this new, illuminating work on love showcases her trademark erudition entwined with a novelist's sensibility. Pan's rare skill makes the book a treat from start to finish; a sumptuous, deft and moving analysis of China's relationship with love.' —Mishi Saran, author of *Chasing the Monk's Shadow: A Journey in the Footsteps of Xuanzang and The Other Side of Light*

Shakespeare in the Theatre: Peter Hall Stuart Hampton-Reeves, 2019-05-16 Peter Hall (1930-2017) is one of the most influential directors of Shakespeare's plays in the modern age. Under his direction, the Royal Shakespeare Company and the National Theatre rediscovered Shakespeare as a writer who could comment incisively on the modern world. Productions such as *Coriolanus*, *The Wars of the Roses* and *Hamlet* established his reputation as a director able to bring Shakespeare to the heart of contemporary politics. He later cemented his reputation with epic productions of *Coriolanus* and *Antony and Cleopatra* at the National. With the Peter Hall Company, Hall continued to work intensively on Shakespeare, directing plays in the UK and America. Reviewing Hall's work in its cultural and creative context, this study explores his approach to directing and rehearsal. This is the first book to analyse all of Hall's professional Shakespeare productions in a historical context, from the Suez crisis to the 9/11 attacks and beyond.

British Humanities Index, 2008

Tuned and Under Tension Philip Raisor, 1998 Most of the previous critical work on W. D. Snodgrass concentrates on his early period. These new essays, by both established and emerging scholars, constitute a close reading of the later poetry, principally *Midnight Carnival*, *The Death of Cock Robin*, *Each in His Season*, and *The Fuehrer Bunker*. The collection also contains the first interview with Snodgrass conducted after the publication of the new *Bunker* in 1995.

Horror Films of the 1970s John Kenneth Muir, 2007-09-27 Independent filmmaker and horror-film scholar John Kenneth Muir says, 'Art does not exist in a vacuum. Instead, it is inexorably bound to the time period from which it sprang.' In his entertaining and scholarly filmography of over 200 films arranged by year, Muir sees the historical and social happenings of the 1970s as giving rise to the unusually high number of groundbreaking horror films of the decade, as well as the more routine ones. Following a general introduction, Muir provides a synopsis and commentary, a list of cast and crew, significant quotations by critics for each motion picture as well as by participants in the film's making when available, and stills for selected films. Interesting appendixes, notes, a bibliography, and an index are included.--*The Best of the Best Reference Sources*, American Libraries, May 2003.

Beckett on and On-- Lois Oppenheim, Marius Buning, 1996 Cogent arguments are offered for the development of new

habits of reading and new strategies for understanding that acknowledge difference while not resorting to the objectivation of the Other in differentiation, and for coming to terms with the meaning of directorial fidelity and role, in particular of the Beckett director in relation to the psychic sensibility of the performer.

Coleridge's Figurative Language Tim Fulford, 1991

Stage Blood Roxana Stuart, 1994 Vampires, since they found a home in the psyche of the West 250 years ago, have always been objects of fascination for popular audiences. Recently they have gained the attention of scholars in the fields of popular culture, literary history, folklore, and cultural anthropology. Now reduced to a cliché and figure of fun, the vampire originally took on its characteristics in the public imagination from a series of plays written and performed by some of the most important figures in 19th-century theatre: Dion Boucicault, Eugene Scribe, Alexandre Dumas pere, Gilbert and Sullivan, Charles Nodier, T.P. Cooke, Marie Dorval, and J.R. Planche. Roxana Stuart's study approaches the subject primarily from the viewpoint of literary criticism but also includes production history, providing the reader with a useful look at theatre practices, as well as social and psychological insights into popular taste and imagination as reflected in the changing persona with which each period and culture endows the vampire, from the relative innocence of the Romantics to the evolving patterns of sadism, misogyny, and xenophobia of the end of the century.

The John Lennon Encyclopedia Bill Harry, 2000 The John Lennon Encyclopedia is the most comprehensive book about John Lennon ever produced. By best-selling author and Beatles expert Bill Harry, this A-Z guide will tell you everything you ever wanted to know about one of the twentieth century's most talented and enigmatic figures. From his difficult childhood to his early days with the Beatles, and from his groundbreaking solo projects to his work with Yoko Ono, this book reveals in intimate detail the man behind the myth, helping to explain Lennon's enduring status as a popular icon. It contains every track Lennon ever wrote or worked on, every gig he ever played, and full biographies of everyone who was involved in his life story. This is the most comprehensive guide ever published to the guiding genius of the world's greatest band. It comes in at almost one thousand pages, and half-a-million words, this is the ultimate celebration of all things Lennon.

Public Library Catalog Juliette Yaakov, 1994 **** Cited in Sheehy and Walford. A core working tool for acquisitions librarians, reference librarians, and catalogers in public and undergraduate libraries, the Catalog is a list of recommended reference and nonfiction books for adults, published quinquennially with annual supplements for the intervening years. The titles are classified by subject and include complete bibliographical data as well as descriptive and critical annotations. This edition consists of 7,735 titles and 3,999 analytical entries. Some 4,000 additional titles will appear in the four supplements. In addition to the main classified catalog, there is a comprehensive author, title, subject, and analytical index, and a directory

Travels in Greeneland Quentin Falk,2000 Rightly regarded as one of the 20th century's literary giants, Graham Greene has had his work translated to the cinema more than any other major modern writer. In *Travels in Greeneland*, Quentin Falk examines all facets of Greene's involvement with the film world, including his distinguished stint as a critic in the 1930s. Contrasts are made between the work he himself adapted for the screen, such as *The Third Man* and *Our Man in Havana*, and the work that has been adapted by others, like *The Heart of the Matter* and *The Honorary Consul*. Now revised and expanded, this fully illustrated volume brings the story up to date with Neil Jordan's 1999 film *The End of the Affair*.
