The Secret is in the Sauce Maria Ana Gonzalez de Leon Hudson, 2006

Big Secrets William Poundstone, 2011-02-22 The inside story on institutional secrets, including the formula for Coca-Cola, how to beat a lie detector, currency conspiracies, and other hidden facts. Are there really secret backward messages in rock music, or is somebody nuts? We tested suspect tunes at a recording studio to find out. What goes on at Freemason initiations? Here's the whole story, including—yes!—the electric carpet. Colonel Sanders boasted that Kentucky Fried Chicken's eleven secret herbs and spices "stand on everybody's shelf." We got a sample of the seasoning mix and sent it to a food chemist for analysis. Feverish rumor has it that Walt Disney's body was frozen and now lies in a secret cryonic vault somewhere beneath the Pirates of the Caribbean exhibit at Disneyland. Read the certified stranger-than-fiction truth. Don't bother trying to figure out how Doug Henning, David Copperfield, and Harry Blackstone, Jr., perform their illusions. *Big Secrets* has complete explanations and diagrams—nothing left to the imagination.

Marketing Built by Love Daniel Bussius, 2023-09-26 A revolutionary approach to marketing, based on neuroscience and psychology, that will transform your business forever Mention the word "marketing," and every executive cringes. For decades, we've been told that marketing success is hidden behind secret strategies, hacks, and platforms promising incredible results. Yet those results never come, and business owners around the world are left with lost money and lost time—worse off than where they started. In *Marketing Built by Love*, Daniel Bussius asserts, with compelling support from academic research, neuroscience, psychology, and over a decade of rigorous real-world testing, that there are four indispensable pillars to marketing success—pillars based on one reality of marketing that will never change: your audience is

human. Whether you're a small business owner, marketer, or executive, this book will teach you: • How to mimic the human experience to cultivate customer loyalty • The four vital components every foundational marketing plan needs • How to align your marketing with the five science-based stages of human relationships • How to implement these strategies in a proven marketing framework Marketing Built by Love will reshape the way you think about marketing and how you communicate with your customers, giving you the framework and strategies you need to create repeatable, consistent marketing success today, tomorrow, and decades into the future.
