La nueva legislación social argentina Jerónimo Remorino,1955

Compendio de normas de Derecho Comercial de la empresa y de defensa de los consumidores María Victoria

Rainero,2019-11-04 A partir de la unificación legislativa introducida en el sistema normativo argentino por la Ley 26944, este régimen legal diferenciado para los negocios mercantiles se encuentra presente no solo en el articulado del Código Civil y Comercial de la Nación, sino también en una innumerable cantidad de leyes especiales complementarias que se han dictado en materia comercial y consumeril, las cuales subsisten como microsistemas con plena vigencia en el derecho privado. En este contexto, surgió la necesidad de sistematizar estos microsistemas, ordenando las principales normas mercantiles, de derecho empresarial y defensa de los consumidores, agrupándolas en un compendio que las unifica, y posibilita su consulta accesible.

Aspectos jurídicos de los contratos de producción agrícola Food and Agriculture Organization of the United

Nations,International Fund for Agricultural Development ,2018-06-26 Este documento es principalmente una síntesis de la Guía Jurídica de UNIDROIT / FAO / FIDA sobre la agricultura por contrato. Se trata de un documento exhaustivo que considera la agricultura por contrato desde el punto de vista del derecho privado y trata de proporcionar orientación sobre el diseño y la aplicación de contratos sólidos, contribuyendo así en general a crear un entorno propicio para la agricultura por contrato. La publicación no pretende cubrir todos los contratos agrícolas posibles. Su alcance se limita a la relación bilateral entre productor (es) y contratista a través de la agricultura por contrato. Esto involucra a las partes que firman un contrato que podría establecerse por un plazo fijo, por un ciclo de producción, por varios o muchos ciclos o años, o por un período

indefinido. El documento tiene como objetivo proporcionar asesoramiento para promover relaciones armoniosas entre todas las partes involucradas en los contratos y los que les asesoran.
