Radiohead FAQ Dan Caffrey, 2021-03-15 No band in recent history has divided listeners' opinions as much as Radiohead. Are they the Beatles of the twenty-first century, or is their music just pretentious, overly melancholic, and sometimes boring? Musician, pop-culture critic, and playwright Dan Caffrey wasn't always a Radiohead fan, but that all changed one Chicago winter, when he suddenly found their album *In Rainbows* to be a welcome source of sonic warmth. An extension of Caffrey's deep but often cautious love for the band, *Radiohead FAQ* presents a fittingly sideways look at what he's dubbed the world's most famous cult band. Inside these pages, readers will find the essentials of the Radiohead story—along with deep dives into seldom explored topics, from the humor surrounding the band's music to the numerous hip-hop artists who have sampled their songs. Each chapter is devoted to a band member plus their producer and sixth member Nigel Godrich, revealing comprehensive biographical details about each person. The end result is a book custom made for casual Radiohead fans and obsessives alike—filled with little known facts, new ways of looking at their music, and, like any music book worth its salt, maddening opinions.

Radiohead Jonathan Hale, 1999 The first book ever on this amazing band whose huge international appeal continues to grow. Loaded with photos, trivia, history and information in print for the first time, plus the most complete discography of the band's output available. At once an informed commentary on the contemporary rock scene and a guide to an incredibly popular rock group, this biography offers Radiohead fans a picture packed, story filled music lovers feast.

Radiohead - the Bends Radiohead, Radiohead, 2002-03 Tagged album of the year by nearly every major music paper in Britain, *The Bends* propelled Radiohead to stardom in their native Britain. This album-matching folio includes all 12 songs, photos, and a bio. Titles are: Planet Telex * The Bends * High and Dry * Fake Plastic Trees * Bones * [Nice Dream] * Just * My Iron Lung * Bulletproof . . . I Wish I Was * Black Star * Sulk * Street Spirit [Fade Out].

Radiohead Tim Footman, 2002 One of the most talented and eclectic bands around today, Radiohead currently has an enormous fan base, expanding with every album and every tour. Now, tying in their next massive world tour, this is the only photo-text book available on the band, complete with authoritative text written by a former colleague of frontman Thom Yorke. Consisting of a chronological documentary, in words and 70 full-colour photos, as well as a complete discography put together by one of Radiohead's biggest collectors, this book will thrill fans both old and new.
