Michelle Roehm McCann

Struck By Lightning Chris Colfer, 2012-11-20 *Struck By Lightning*: The Carson Phillips Journal follows the story of outcast high school senior Carson Phillips who blackmails the most popular students in his school into contributing to his literary journal to bolster his college application; his goal in life is to get into Northwestern and eventually become the editor of *The New Yorker*. At once laugh-out-loud funny, deliciously dark, and remarkably smart, *Struck By Lightning* unearths the dirt that lies just below the surface of high school. The film *Struck By Lightning* features Colfer's own original screenplay. Colfer also stars in the film alongside Allison Janney, Christina Hendricks, Dermot Mulroney, Sarah Hyland, and Polly Bergen.

Behind the Headlines Karyn Turk, 2021-10-12 In the days of clickbait news, it's hard to see the truth behind today's biggest stories. Karyn Turk, Mrs. Florida 2016, was no stranger to headlines. She worked behind the scenes as an executive for CBS, then won the 2016 Mrs. Florida Pageant just as Donald J. Trump was running for president. She supported his campaign, all while wearing a sash and crown. She became a well-recognized crisis media manager for high-profile political cases that made headlines, and had no fear of controversy. Karyn's desire to stand up for those she felt were being mistreated was no secret. She was an outspoken, loud, and proud conservative with a social media following and a big mouth. She was reaching a high point in her career. Then cancel culture came for her. The deep-state Florida swamp rose up, and the connected legal gators began to circle her. The headlines were as salacious as they could be: "Mrs. Florida stole pennies off her Mother's eyes before she died," "Fresh off a fundraiser for Roger Stone, Mrs. Florida pleads guilty to social security fraud." The true story was of a daughter who tried to stand up against corruption and abuse—but it was a story that none of the newspapers or media outlets reported. Instead, a misdemeanor for a seventeen-thousand-dollar misappropriation of her mother's social security pension was the charge, and a month-long jail sentence in a maximum-security prison the resulting consequence—a bizarre result for someone with no criminal record at all. *Behind the Headlines* reveals how Karyn's career, family life, and credibility was called into question because of the impact cancel culture has on society.

The Glee Cast Felicity Britton, 2012-08-01 As USA TODAY, the Nation's No. 1 Newspaper, puts it about the television megahit *Glee*, There have been few shows as rousing, promising, perplexing and potentially heartbreaking as this high school musical comedy....It's an outlandishly entertaining musical schoolhouse romp. Much of *Glee*'s appeal comes from its cast of

outsiders and misfits--singers and dancers almost as talented as the actors who play them. Viewers love Chris Colfer as the bullied gay Kurt Hummel, Amber Riley in the role of plus-size diva wannabe Mercedes Jones, Lea Michele's take on Miss Perfect Rachel Berry, Jane Lynch's unforgettable performances as nasty cheerleading coach Sue Sylvester, and Mark Salling's bad boy image in the role of jock football player Noah Puck Puckerman. And that's only some of the Glee talent readers will get to know in this entertaining biography. From Broadway veterans to virtual unknowns, these gifted performers all have one thing in common. They worked tirelessly to achieve their goals and never, ever gave up on their dreams.

Share the Glee Lisa Damian Kidder, 2013-11-07 A must-have for hardcore Gleeks and casual fans alike, this guide is packed with resources, photos, and inside stories about everybody's favorite glee club. Tracing the success of the show through its 70-plus awards and consistently sky-high ratings, *Share the Glee* takes a look back at the original cast and follows its evolution over four seasons, through celebrity guest stars Josh Groban, Britney Spears, and Gwyneth Paltrow, and up to the recent announcement that American Idol star Adam Lambert and X-Factor judge Demi Lovato will be joining the show for Season Five. Though Cory Monteith's Finn will be absent from the show, he lives on in this tribute that explores his hardships as a teenager to his on-screen relationship with Rachel Berry and real-life relationship with Lea Michele. Change is a constant in Season Five, with the departure of Quinn, Mercedes, Brittany, Puck, and Mike. *Share the Glee* is the perfect tool to commemorate your beloved characters and introduce your soon-to-be favorites.

Boys Who Rocked the World Michelle Roehm McCann, 2012-10-30 Meet young men with grand goals in these profiles of forty-six movers and shakers who made their mark before they turned twenty. This engaging and thought-provoking collection of influential stories provides forty-six illustrated examples of strong, independent male role models, all of whom first impacted the world as teenagers or younger. This updated and expanded edition of *Boys Who Rocked the World* encompasses a variety of achievements, interests, and backgrounds, from Wolfgang Amadeus Mozart and Steve Jobs to Crazy Horse and Stephen King—each with his own incredible story of how he created life-changing opportunities for himself and the world. Personal aspirations from today's young men are interspersed throughout the book, which also includes profiles of teenagers who are rocking the world right now—boys like John Collinson, the youngest person to climb the Seven Summits, and Alec Looorz, who founded the nonprofit organization Kids vs. Global Warming. It's never too soon to start making a difference, and this empowering collection of accomplished young men makes for ideal motivation.
