**Take This Regret** A. L. Jackson,2012-04 There are some mistakes we make that we will regret for the rest of our lives. For Christian Davison, it was the day he betrayed Elizabeth Ayers. For five years, Christian has regretted the day he walked away from his family and will do anything to win them back. Can Elizabeth forgive someone who has committed the unforgiveable? Or are there some wounds that go so deep they can never heal?

**If Forever Comes** A. L. Jackson,2013-09-07 If Forever Comes, the final chapter in the New York Times Bestselling Regret Series (Lost to You and Take This Regret). Christian Davison's life is complete. With a ring on Elizabeth's finger and his daughter at his side, he's ready to run headlong into their future. Elizabeth Ayers never believed she would again find this kind of joy-the joy of a family and the wholeness found in the touch of the man she's always loved. Their love is intense and their passion only grows as they set out to rediscover each other. But life is never easy. Rocked by the unforeseen, Christian and Elizabeth will find themselves fighting for the one thing they hold most important-family.

Why did I take THIS job? Karen Radcliff,2013-02-27 This book is dedicated to every employee that is challenged with their job positions, and is striving to do what is right. This book is also dedicated to every employer that has hired and or fired me. This book is also dedicated to every employee that has worked with me and against me.

*Do You Take This Maverick?* Marie Ferrarella,2015-07-21 I DO...I DON'T. . . I DO? RUST CREEK RAMBLINGS The fallout from last month's wedding-to-end-all-weddings continues. Did you hear that Claire Strickland and her oh-so-handsome husband, Levi Wyatt, have called it quits? Everyone thought these two were the perfect couple with the most perfect baby. One minute they were together, the next there was a poker game and then... What could have possibly steered these two young lovebirds off course? Even though they are on the outs, rumor has it that Claire and Levi have both taken up domicile at Strickland's Boarding House. We find this behavior highly suspect--and everyone in town is weighing in, too So don't pack your suitcases yet, dear readers--we have a feeling this love story is far from over

**Nemesis** Mark Binmore,2017-10-08 After A Sorta Fairytale was published, I was inundated with requests to talk more about my prose lyrics. One part of me felt that the text should speak for itself and that to 'explain' would be like naming the

colours of a painting while forgetting to look at the picture. This was why I only explained some of the words and meanings contained within the book. Another part of me wanted to acknowledge the genuine interest people were showing and so I replied, haphazardly it seemed, to those who would have asked. For this publication I have decided to continue the theme but this time in full. I have, in response, provided some background to the pieces in the hope that the understanding of the words and meanings may have some uniformity. This, of course, will go part of the way to explain them, for it is also my hope that everyone who reads them may hold their own interpretation. I have written about them by searching for the genesis of the words in diaries and notebooks I have kept and so the background has, as a result, the flavour of a personal journal. It is, in a way, my book of days. It's only when you finish the book – the stories and what they are saying – that you know. I write a piece. I work on it for a while and then leave it. I might not go back to these words for three, maybe six months. When I do go back, that's where I try and see what the emotional feeling was, what was in the words. There is also reflection contained within this publication as I revisit just a few pieces, a process that presents (so I have been told) a fascinating portrait of a writer in a constant state of evolution. I have re-written some elements whilst keeping the essence of verse – making these something of a Director's Cut but in word, not vision. For some time I have felt that I wanted to revisit some of my works and that they could benefit from having new life breathed into them and now these selections have another layer of work woven into their fabric. Nemesis has an arrangement of journeys, in the rain, through the length of a lifetime, amongst history, between emotions, and journeys across great oceans. So although it's not a 'themed' collection of words, as such, there is an underlying connection between the pieces. These notes are only part of the equation.
