Star Wars: The Fallen Star (The High Republic) Claudia Gray,2022-01-04 NEW YORK TIMES BESTSELLER • In this gripping sequel to *Star Wars: The Rising Storm*, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary but victorious thanks to its Jedi protectors—and there is no monument to their cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the farthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover—from the pain of their injuries and the grief of their losses. But the storm they thought had passed still rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet—one designed to snuff out the light of the Jedi.

A Fallen Star, 1905

The Fallen Star Missy Harrison, 2017-10-24 The Fallen Star tells the story of a bright little star's journey to self-

realization, not to mention self-confidence. It follows the adventures of a little star who focuses so much on what others think about him that he begins to lose his light and even falls from the sky! In light of this, he convinces himself that he doesn't belong in the sky. But as he aimlessly wanders around on Earth, he soon discovers that he certainly does not belong there either. Worried that he doesn't quite fit in anywhere, he is soon set straight by a group of children, who show him the situation in a new light. One special child helps him realize that, for those who are true to themselves and doing what they love, what others think does not matter.

Fallen Star Series Candy J Starr, 2017-06-15 Rock You (book 1) Working for a cranky hermit in an isolated house sounds like Ruby's idea of heaven - but her boss isn't what she expects. Tex is a fugitive from the rock and roll world after a tragedy

halted his career. The two of them live together but avoid each other until Tex screws up, forcing them to move into closer quarters. The sanctuary they build is enough for Ruby, but the outside world encroaches. She thinks their fledgling love can't shine brighter than the rock dream but can Ruby bear to let Tex go? Cry For You (book 2) A million girls would swap places with me in a heartbeat. They weep for Tex and maul each other to get closer to him. The way they obsessed over him and put him on pedestal scared the hell out of me. I don't want our relationship made public. Every single fan would question my place beside me. Hell, I question it myself. Tex is a star and I'm nobody. Even worse, there's one fan scarier than all the rest. She'd go to any lengths to get Tex. Tex promised to protect me but she watches my every move, just waiting for her chance to destroy me. Be With You (book 3) So finally our house has been rebuilt and Tex is on track with his career. But where does that leave me? Tex thinks we can build a future together but I worry that I'm too damaged to be with him. It doesn't help that the man who almost destroyed me in the past comes back into my life. How can Tex help me when he has cracks appearing in his own life? He thinks he's dealt with his sister's death but he's in denial. Is the love we share enough to overcome the ghosts of our pasts?
