The Five Temptations of a CEO Patrick M. Lencioni, 1998-09-28 Absorbing, compelling, and utterly memorable, *The Five Temptations of a CEO* is like no other business book that's come before. Author Patrick Lencioni—noted screenplay writer and sought-after executive coach -- deftly tells the tale of a young CEO who, facing his first annual board review, knows he is failing, but doesn't know why. This book provides extraordinary insight into the pitfalls that leaders face when they lose sight of the true measure of success: results. This model is required reading for my staff. —Eric Schmidt, chairman of the board and CEO, Novell Any executive can learn how to: recognize the mistakes that leaders can make avoid errors before they occur and much more! Refreshingly original and utterly compelling, the story of this executive (written to be read in one sitting) will be enjoyed, remembered, and reread for years to come. It serves a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors—behaviors that are painfully difficult for each of us to master. Lencioni delivers a provocative message: CEOs mainly have themselves to blame when things go wrong. If you're a CEO (or any manager for that matter), do you have the courage to face the blame? Doing so could change your future-for the better. —Dr. Jerry Porras, coauthor, *Built to Last*; professor, Stanford School of Business You won't find any dry management

rhetoric in this razor-sharp novelette. Apply these riveting lessons in leadership with the self-assessment at the end of the book. It will change your career!

Included in the set are: The Five Temptations of a CEO: A Leadership Fable Absorbing, compelling, and utterly memorable, The Five Temptations of a CEO is like no other business book that's come before. Author Patrick Lencioni deftly tells the tale of a young CEO who, facing his first annual board review, knows he is failing, but doesn't know why. Refreshingly original and utterly compelling, the story

of this executive will be enjoyed, remembered, and reread for years to come. It serves a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors -- behaviors that are painfully difficult for each of us to master. *The Four Obsessions of an Extraordinary Executive: A Leadership Fable* In this stunning follow-up to his best-selling book, *The Five Temptations of a CEO*, Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time, Lencioni's focus is on a leader's crucial role in building a healthy organization -- an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as the frustrated head of one consulting firm faces a leadership challenge so great that it threatens to topple his company, his career, and everything he holds true about leadership itself. In the story's telling, Lencioni helps his readers understand the disarming simplicity and power of creating organizational health, and reveals four key disciplines that they can follow to achieve it. *The Five Dysfunctions of a Team: A Leadership Fable* In *The Five Dysfunctions of a Team*, Patrick Lencioni once again offers a leadership fable that is as enthralling and instructive as his first two best-selling books, *The Five Temptations of a CEO* and *The Four Obsessions of an Extraordinary Executive*. This time, he turns his keen intellect and storytelling power to the fascinating, complex world of teams. Throughout the story, Lencioni reveals the five dysfunctions which go to the very heart of why teams even the best ones-often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. Just as with his other books, Lencioni has written a compelling fable with a powerful yet deceptively simple message for all those who strive to be exceptional team leaders. Please note that these books are also available individually.
