## Alex Finlay

The Night Shift Alex Finlay, 2022-03-01 From the author of the breakout thriller *Every Last Fear*, comes Alex Finlay's electrifying next novel *The Night Shift*, about a pair of small-town murders fifteen years apart—and the ties that bind them. One of the Best or Most Anticipated Books of 2022: Newsweek • PopSugar • E! News • Goodreads • Book Riot • BookBub • The Nerd Daily • SheReads • Novel Suspects • Crime by the Book • London Times A Library Reads Selection—Best Book Voted By Librarians for March 2022 “The night was expected to bring tragedy.” So begins one of the most highly-anticipated thrillers in recent years. It’s New Year’s Eve 1999. Y2K is expected to end in chaos: planes falling from the sky, elevators plunging to earth, world markets collapsing. A digital apocalypse. None of that happens. But at a Blockbuster Video in New Jersey, four teenagers working late at the store are attacked. Only one inexplicably survives. Police quickly identify a suspect, the boyfriend of one of the victims, who flees and is never seen again. Fifteen years later, more teenage employees are attacked at an ice cream store in the same town, and again only one makes it out alive. In the aftermath of the latest crime, three lives intersect: the lone survivor of the Blockbuster massacre who’s forced to relive the horrors of her tragedy; the brother of the fugitive accused, who’s convinced the police have the wrong suspect; and FBI agent Sarah Keller who must delve into the secrets of both nights—stirring up memories of teen love and lies—to uncover the truth about murders on the night shift. Twisty, poignant, and redemptive, *The Night Shift* is a story about the legacy of trauma and how the broken can come out on the other side, and it solidifies Finlay as one of the new leading voices in the world of thrillers.

One of the Most Anticipated Books of 2023: • BookPage • BookBub • E! News • Go BookMart • Goodreads • PopSugar • The Every Girl • She Reads • Beyond the Bookends A stay-at-home mom with a past. A has-been rock star with a habit. A reality TV producer with a debt. Three disparate lives. One deadly secret. Twenty five years ago, Jenna, Donnie, and Nico were the best of friends, having forged a bond through the abuse and neglect they endured as residents of Savior House, a group home for parentless teens. When the home was shut down—after the disappearance of several kids—the three were split up. Though the trauma of their childhood has never left them, each went on to live accomplished—if troubled—lives. They haven’t seen one another since they were teens but now are reunited for a single haunting reason: someone is trying to kill them. To survive, the group will have to revisit the nightmares of their childhoods and confront their shared past—a past that holds the secret to why someone wants them dead. It’s a reunion none of them asked for . . . or wanted. But it may be the only way to save all their lives. *What Have We Done* is both an edge-of-your-seat thriller and a gut-wrenching coming-of-age story. And it cements Alex Finlay as one of the new leading voices in thrillers today.

Online • Goodreads • BuzzFeed • PopSugar • BookBub • Bibliofile • Mystery and Suspense A LibraryReads Selection — A Top Book Voted by Librarians for March 2021 An Indie Next Pick — A Top Book Voted by Independent Bookstores for March 2021 In one of the year’s most anticipated debut psychological thrillers, a family made infamous by a true crime documentary is found dead, leaving their surviving son to uncover the truth about their final days. “They found the bodies on a Tuesday.” So begins this twisty and breathtaking novel that traces the fate of the Pine family, a thriller that will both leave you on the edge of your seat and move you to tears. After a late night of partying, NYU student Matt Pine returns to his dorm room to devastating news: nearly his entire family—his mom, his dad, his little brother and sister—have been found dead from an apparent gas leak while vacationing in Mexico. The local police claim it was an accident, but the FBI and State Department seem far less certain—and they won’t tell Matt why. The tragedy makes headlines everywhere because this isn’t the first time the Pine family has been thrust into the media spotlight. Matt’s older brother, Danny—currently serving a life sentence for the murder of his teenage girlfriend Charlotte—was the subject of a viral true crime documentary suggesting that Danny was wrongfully convicted. Though the country has rallied behind Danny, Matt holds a secret about his brother that he’s never told anyone: the night Charlotte was killed Matt saw something that makes him believe his brother is guilty of the crime. When Matt returns to his small hometown to bury his parents and siblings, he’s faced with a hostile community that was villainized by the documentary, a frenzied media, and memories he’d hoped to leave behind forever. Now, as the deaths in Mexico appear increasingly suspicious and connected to Danny’s case, Matt must unearth the truth behind the crime that sent his brother to prison—putting his own life in peril—and forcing him to confront his every last fear. Told through multiple points-of-view and alternating between past and present, Alex Finlay’s *Every Last Fear* is not only a page-turning thriller, it’s also a poignant story about a family managing heartbreak and tragedy, and living through a fame they never wanted.
