Steven Scott Pither

The Complete Book of Numerology David A. Phillips, Ph.D.,2005-11-01 Discover the science of self-discovery To the conventional scientist, numbers are merely symbols of comparative quantities, but in the broader, metaphysical sense, they assume a deeper, more profound significance. The Complete Book of Numerology reveals the underlying meaning behind the numbers in your life and enables you to understand the connection between your numerological patterns and your degree of abundance, health, and general well-being. Overall, delving into the world of numbers will provide you with a simple and accurate way to decipher your experiences in the same manner that a road map helps you navigate a route that you haven't previously traveled.

The Complete Book of Numerology Joyce Keller,Jack Keller,2015-11-03 Numerology is arguably the oldest of the divination arts and often the least understood. In the Complete Book of Numerology, Joyce Keller and her collaborator and husband Jack Keller provide a simple, intelligent, and useful guide which outlines the history, the various systems (Pythagorean, Chaldean, and Chinese), as well as the uses and applications of numerology. From numerology as applied to names and what it can tell you, the concept and reality of lucky and unlucky numbers, and the practical applications of numerology (for success, evaluating relationships, and to anticipate the larger cycles of life), the Complete Book of Numerology provides readers with a solid understanding, allowing them to utilize and incorporate into their life this, the science of the ancients.

Numerology: The Complete Guide Matthew Oliver Goodwin,2005-08-15 Numerology, the simplest of the occult sciences to master, offers deep insights into the personality. You can use numerology to understand yourself, friends, associates, and lovers. You can see the dynamics of relationships and you can determine the best time to marry, change jobs, move, invest,

and travel. Here is the definitive work on Numerology. Organized for clarity that a beginner can grasp easily and detailed so that the advanced student will find useful new information. This volume is designed as a working manual. Among its features are many examples and some new material on the meanings of the Master Numbers and Doubled Numbers.

Discovering the Inner Self David A. Phillips,2004 Based on 40 years of study and research, Discovering the Inner Self is one of the most respected and definitive guides to numerology available. When first writing this book Dr David Phillips believed that numbers were becoming more important than words and that can certainly be said for the new millennium. Discovering the Inner Self enables you to understand the connection between your numerological patterns and your levels of abundance, health and the quality of your relationships. It is the perfect book for anyone with an interest or a fascination in the power of numbers.

Numerology Hans Decoz,2001-01-01 For lovers of tarot, astrology, and deepening your connection with yourself and others-- a divine roadmap to numerology Ever notice how some numbers seem to follow us throughout the course of our lives? Consider the numbers we choose when buying a lotto ticket--birth dates, anniversaries, ages, and addresses as well as other hopefully lucky numbers. They each have some personal meaning. Through the centuries, numerologists have been studying the significance of numbers and perfecting their art in the belief that numbers strongly influence both our behavior and our fate. They have learned that by understanding the meaning of numbers, we can gain greater insight into ourselves. In Numerology: Key to Your Inner Self, world-renowned numerologist Hans Decoz and accomplished writer Tom Monte have teamed together to produce an easy-to-understand guide that introduces the reader to the basic concepts and applications of numerology. Presented here is a technique that relates the major questions of an individual's life -his talents, challenges, career, and personal growth--with the basic numeric facts of his existence--his birth date and name. The book begins with a fascinating explanation of what numerology is and an intriguing look at the philosophy that lies behind it. It then examines how numerology works, focusing on the numeric meanings of personal names, birth dates, and language in general. Included is a step-by-step guide to calculating your own numbers and interpreting them in chart form.

Numerology: The Complete Guide Matthew O. Goodwin,

The Complete Book of Numbers Steven Scott Pither,2002 Experience the power and deep meaning inherent in the

spiritual science of numbers. This breakthrough book will show you that numerology consists of more than just nine numbers. It involves our entire mathematical system--from arithmetic to modern physics--and is rich in psychological insight. Combining the mystery of the occult with the objectivity of science, this book expands numerology far beyond any current concept of it. It explains the little-known history of number symbolism and offers a step-by-step progression of spiritual development. ·For those interested in the scientific/mathematical basis for the occult and numerology ·Presents a deeper, more meaningful level of Pythagorean numerology than anything available elsewhere ·Teaches how to do numerology and, more importantly, how to make the interpretations ·Offers a numerical interpretation of the nature of time
