

The Hive Gregg Olsen

Walter Korpi

The Hive Gregg Olsen,2021-06-08 In the Pacific Northwest, police officer Lindsay Jackman is investigating the murder of a young journalist. Lindsay learns the victim was writing an exposé on a charismatic wellness guru. Marnie Spellman built a cosmetics empire and became a legend, a healer, and the queen of holistic health and eternal beauty. In her inner circle is an intimate band of devotees called the Hive. Lindsay focuses her investigation on Marnie and the former members of the Hive, who are just as determined to keep Lindsay from their secrets as they are to maintain their status.

Out of the Woods GREGG. OLSEN,2025-08-05 From a girl's abduction by a serial killer to the harrowing aftermath--a gripping and heart-wrenching true-crime story by Gregg Olsen, the #1 New York Times bestselling author of *If You Tell*. In May 2005, authorities discovered the Groene family murdered in their Idaho home. The family's youngest members--eight-year-old Shasta and her brother, nine-year-old Dylan--were nowhere to be found. As a community prayed for their return, Shasta and Dylan were already miles away in the woods of Montana at the hands of serial killer Joseph Edward Duncan. After a harrowing forty-eight day ordeal, Shasta was rescued. In many ways, her survival story was only beginning. In the following years, while Shasta struggled to outrun her trauma, a pattern of self-destructive behavior shadowed her like an ever-worsening thunderstorm. She still had hope buried deep inside. Every bit as much as the little girl who had been held captive in the woods. This would be an all-new battle for Shasta. And she was determined not to lose. *Out of the Woods* is the haunting and intimate true-crime story of one of the most notorious criminal cases in American history--and a young woman's journey to reclaim her life in its wake.

If I Can't Have You Gregg Olsen,Rebecca Morris,2014-05-20 In *If I Can't Have You*, bestselling author Gregg Olsen and co-author Rebecca Morris investigate one of the 21st Century's most puzzling disappearances and how it resulted in the murder of two children by their father. Every once in a great while a genuine murder mystery unfolds before the eyes of the American public. The tragic story of Susan Powell and her murdered boys, Charlie and Braden, is the only case that rivals the Jon Benet Ramsey saga in the annals of true crime. When the pretty, blonde Utah mother went missing in December of 2009 the media was swept up in the story - with lenses and microphones trained on Susan's husband, Josh. He said he had no idea what happened to his young wife, and that he and the boys had been camping in the middle of a snowstorm. Over the next three years bombshell by bombshell, the story would reveal more shocking secrets. Josh's father, Steve, who was sexually

obsessed with Susan, would ultimately be convicted of unspeakable perversion. Josh's brother, Michael, would commit suicide. And in the most stunning event of them all, Josh Powell would murder his two little boys and kill himself with brutality beyond belief.

Улей Грегг Олсен, 2022-04-27 Кто скрывается за безупречно красивой маской? Мессия или шарлатан? Тело молодой журналистки находят на дне ущелья, и детектив Линдси Джекман берется за расследование. Вскоре Линдси узнает, что жертва писала разоблачительную статью о Марни Спеллман – гуру здорового образа жизни, увлекающей за собой миллионы людей. По словам Марни, когда она была ребенком, рой пчел поднял ее над землей к солнечному свету, освещая духовную связь с природой – чудо, благодаря которому она построила косметическую империю и стала легендой, целительницей, королевой здоровья и вечной красоты. Своих приближенных она называет Ульем и только с ними разделяет секреты своего успеха, включая те, что окутаны тьмой в течение двадцати лет. Преисполненная решимости раскрыть тайны Улья, Линдси сосредотачивает свое расследование на Марни и бывших членах Улья. Но по силам ли ей раскрыть эти тайны, не увязнув в смертельном и сладком яде?

By the River's Edge Gregg Olsen, 2026-06-23 The decades-long manhunt for a serial killer takes a stunning turn in a haunting and harrowing true crime shocker by Gregg Olsen, the #1 New York Times bestselling author of *If You Tell*. In 1990 in Washington state, the bodies of Yolanda Sapp, Nickie Lowe, and Kathy Brisbois were found on the banks of the Spokane River. They were part of a close-knit alliance of sex workers whose oath to protect each other was, in the end, hopeless. For twenty-two years their brutal murders went unsolved. In 2012, a DNA cold hit pointed to Douglas Perry. A repeat assault offender, Douglas was currently incarcerated in Carswell, Texas. But there was a twist: The facility was for female prisoners. The man authorities hunted for decades was now Donna Perry. Her gender reassignment not only helped to mask the evil deeds of the past, it ended a life of childhood traumas and a pent-up rage unleashed on nearly thirty victims, according to Donna herself. Through total reinvention, she believed she'd finally slayed the monster within. *By the River's Edge* is the astonishing true story of an elusive serial killer, an escape plan like no other, and the women who lived and died on the fringes of the Lilac City for whom justice was at long last served.

The Deep Dark Gregg Olsen, 2006-03-28 “A vividly detailed, heartbreaking tale about a dark, alien place, the people who loved working there and a town that has never been the same. He brings to life the hot, dirty, treasure-hunt environment where danger was a miner's heroin. —Seattle Times “Investigation at its best.” —Tucson Citizen On May 2, 1972, 174 miners entered Sunshine Mine in Kellogg, Idaho, on their daily quest for silver. From his office window, safety engineer Bob Launhardt could see the air shafts that fed fresh air into the mine, which was more than a mile below the surface. Sunshine was a fireproof hardrock mine, full of nothing but cold, dripping wet stone. There were many safety concerns, but fire wasn't one of them. So when thick black smoke began pouring from one of the air shafts, Launhardt was as amazed as he was struck

with fear. When the alarm sounded, less than half of the dayshift was able to return to the surface. The others were too deep in the mine to escape. Scores of miners died almost immediately, but in one of the deepest corners of the mine, Ron Flory and Tom Wilkinson were left alone and in total darkness, surviving off a trickle of fresh air from a borehole. The miners' families waited and prayed, while Launhardt refused to give up the search until he could be sure that no one was left underground. In *The Deep Dark*, Gregg Olsen looks beyond an intensely suspenseful story of the rescue and into the wounded heart of Kellogg, a quintessential company town that has never recovered from its loss.

Power Resources Theory and the Welfare State Walter Korpi, 1998-01-01 Rather than simply asserting that all social policies in all capitalist societies exist to maintain capitalism and serve the long-term interests of the capitalist class, PRT examines the nature and impact of social policies and the level and types of social inequality in a variety of advanced capitalist nations.
