

Tinimbang Ka Ngunit Kulang

Luis Francia

Martial Law Melodrama José B. Capino, 2020-01-07 Lino Brocka (1939–1991) was one of Asia and the Global South's most celebrated filmmakers. A versatile talent, he was at once a bankable director of genre movies, an internationally acclaimed auteur of social films, a pioneer of queer cinema, and an outspoken critic of Ferdinand Marcos's autocratic regime. José B. Capino examines the figuration of politics in the Filipino director's movies, illuminating their historical contexts, allegorical tropes, and social critiques. Combining eye-opening archival research with fresh interpretations of over fifteen of Brocka's major and minor works, *Martial Law Melodrama* does more than reveal the breadth of his political vision. It also offers a timely lesson about popular cinema's vital role in the struggle for democracy.

Sine Gabay Nick Deocampo, 2017-12-02 *Sine Gabay* contains a compilation of 100 Filipino films that Deocampo had featured in his numerous film screenings and lectures. Included are titles of classic feature-length films like *Bata, Bata. . . Paano Ka Ginawa?*, *Burlesk Queen*, *Himala*, and *Oro, Plata, Mata*, as well as documentaries, animation, experimental films, and even propaganda movies. The book serves as an excellent teaching module containing valuable lessons and informational data about the chosen films. Listed inside are the films' synopses, filmography, audience suitability and MTRCB ratings, recommended study areas, guide questions, and a valuable resource of contacts where to rent, purchase, or borrow viewing copies.

The Encyclopedia of Film James Monaco, 1991 An alphabetical reference on the major film figures (stars, producers, directors, writers, et al.), past and present. Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with. Annotation copyrighted by Book News, Inc., Portland, OR

The Other View: The academe, politics, memory Elmer A. Ordoñez, 2010 The columns are superior specimens of opinion journalism, the language urbane but always lucid. The learned references are always apropos and certain to be appreciated by city dwellers but perhaps out of reach of non-humanities majors. The views are unmistakably Left but they are worded so lightly as to be acceptable to literate middle-class readers. --Bienvenido Lumbera, National Artist for Literature

Showdown'98, 1998

The Philippines Damon L. Woods, 2006 A unique, revealing look at the history and contemporary culture of the Philippine Islands and their multicultural and foreign-influenced facets. Interest in the Philippines has grown substantially over recent years. The Philippines: A Global Studies Handbook provides an all-encompassing introduction to the dramatic history of this intriguing nation as well as the contemporary social, political, economic, religious, and artistic life, written for travelers, business people, researchers, students, or general readers. The author, an award-winning professor of Asian studies, explores the effects of centuries of change and continuity on this fascinating, often contradictory land. It is a locals-eye view that gets straight to the heart of the Filipino experience—a cultural tour that measures the profound impact of the islands' Japanese, Spanish, and American conquerors, as well as the influence of Islam, the Marcos regime, and the People Power revolutions that ousted Ferdinand Marcos and, 15 years later, Joseph Estrada.
