

Twitter Trend In Pakistan

Dr Paula Peres,Dr Anabela Mesquita

Social Media Impacts on Conflict and Democracy Lisa Schirch,2021-04-26 Social media technology is having a dramatic impact on social and political dynamics around the world. The contributors to this book document and illustrate this tectonic shift on violent conflict and democratic processes. They present vivid examples and case studies from countries in Africa, South and Southeast Asia, Latin America as well as Northern Ireland. Each author maps an array of peacebuilding solutions to social media threats, including coordinated action by civil society, governments and tech companies to protect human minds, relationships and institutions. Solutions presented include inoculating society with a new digital literacy agenda, designing technology for positive social impacts, and regulating technology to prohibit the worst behaviours. A must-read both for political scientists and policymakers trying to understand the impact of social media, and media studies scholars looking for a global perspective.

The Blue Elephant Rahul Das,2020-09-12 How can India and the rest of the world use culture as a tool for shared progress? In The Blue Elephant, Rahul Das, a reverse migrant, consultant and backpacker explores Soft Power, an abstract topic in International Relations, by weaving together his experiences with relatable ideas. 'A comprehensive introduction to the why, what and how of Soft Power; Timely, thoughtful and trenchant.' KISHORE MANDHYAN, FORMER POLITICAL DIRECTOR, CABINET OF THE UN SECRETARY GENERAL 'A much-needed spotlight on the need for India to reprioritise its Soft Power' SUHASINI HAIDAR, DIPLOMATIC EDITOR, THE HINDU 'A quirky mix of hard research and personal narrative' TEJASVI SURYA, HON'BLE MEMBER OF PARLIAMENT 'This book has a soul, a positive intent and is firmly supported by strong intellectual understanding; must be discussed by national leaders and the mainstream media' RAHUL EASWAR, AUTHOR 'The Blue Elephant charts out a dynamic path to embolden India in times to come' MIRA MISRA KAUSHIK, ORDER OF THE BRITISH EMPIRE 'An interesting concept distilled in a unique and relatable manner. Our vibrant youth must be aware of our Soft Power potential' DR RITESH MALIK, ENTREPRENEUR 'An easy read as it shares Rahul's experiences across his travels' DATO ONG ENG BIN, CEO, OCBC BANK MALAYSIA 'A great view of the steps India must take to assert itself on the global stage' BALAJI VISWANATHAN, QUORA TOP WRITER 'Rahul has chosen a fascinating topic and expressed his thoughts breezily, with flair'. SHASHANK MANI TRIPATHI, FOUNDER, JAGRITI YATRA 'Soft Power presents a huge opportunity for India, the country that aims to be the next great power. Rahul Das hammers home this idea comfortably in

The Blue Elephant.’ SUBRAMANI MANCOMBU, EXECUTIVE EDITOR, SWARAJYAMAG

Non-State Actors in Diplomacy Farkhondeh Akbari,2025-11-12 This book examines which characteristics allow a non-state armed actor to be considered an effective diplomatic actor for the purpose of a meaningful peace settlement. The work demonstrates how such characteristics can potentially contribute to a more successful outcome in peacemaking initiatives with non-state armed actors, and how their absence can become a peril for peace. Addressing a gap in the diplomatic studies literature, the book is concerned with defining, characterising and categorising the effectiveness of diplomatic actors. It argues that the critical characteristics are autonomy, organisational coherence and representativeness, all of which non-state armed actors need to possess to a sufficient degree if they are to engage in meaningful negotiations which could lead to a sustainable peace settlement. The empirical data are drawn from analysis of the diplomatic engagements with the Khmer Rouge that led to 1991 Paris Peace Agreements in relation to the Cambodian conflict and from exploration of the difficulties experienced in attempting to negotiate a peace settlement with the Taliban in Afghanistan. The book’s detailed analysis of these two case studies demonstrates the value of the diplomatic actors’ framework. This book will be of much interest to students of diplomacy studies, peace studies, Asian studies and international relations.

COVID-19 in South, West, and Southeast Asia Mohd Mizan Aslam,Rohan Gunaratna,2022-12-19 Aslam and Gunaratna bring together a broad analysis of the responses of states in Asia to the threats presented by the COVID-19 pandemic in its early phase. While the impact of the pandemic has undoubtedly been disastrous, it has also taught many lessons about social, political, economic, and security norms in modern civilization. The contributors to this book look at how these lessons have been learned—often the hard way—by a range of states including India, Pakistan, Sri Lanka, Singapore, Indonesia, Thailand, Brunei Darussalam, and Jordan, as well as by international organizations including ASEAN. They look at a range of issues, going beyond the most apparent healthcare concerns to also look at challenges such as the gig economy, terrorism, extremism, religious identity, and cybersecurity. Using these country-based case studies, this book establishes a framework for understanding these challenges and establishing best practice and scalable solutions for addressing them. A valuable resource for scholars and practitioners trying to understand how the world will and won’t be changed by the impact of COVID-19, especially in the realms of security, society, and economy.

Homeland Security, Third Edition: A Complete Guide Mark Sauter,James Jay Carafano,2019-04-12 The definitive guide to the homeland security enterprise—updated with critical changes in missions, tactics, and strategies International terrorists and rogue nations continue to threaten U.S. citizens, while domestic extremist groups seek to attack the American way of life and hackers take advantage of the Internet to inflict new types of havoc at work and home. Meanwhile, today's human-made and natural disasters can impact communities on the scale of weapons of mass destruction. Given the range and intensity of today's threats, we're all on the front lines of national security. The most detailed and comprehensive work of its kind, *Homeland Security: A Complete Guide* provides insights to keep yourself, your family, your business, and your community safe from terrorism and disaster. Written by two global experts on domestic security, this new edition brings you up to date on the latest threats to U.S. security and the most effective methods for eliminating or mitigating them. *Homeland Security: A Complete Guide, Third Edition* has been expanded and revised to include: NEW insights on cyber security, Electro-Magnetic Pulse, and other emerging threats NEW techniques and controversies, such as metadata collection, surveillance by US intelligence agencies, drones, interrogation, and countering violent extremist programs NEW information about homegrown terrorism and radicalization NEW content about ISIS and foreign fighters NEW information about controversial domestic extremist groups like AntiFa, BLM, and the AltRight This edition retains the critical information that has made it the go-to guide for leaders and concerned citizens alike—from the history of American homeland defense from the nation's earliest days to the events of 9/11, from and the birth of the Department of Homeland Security to the emergence of today's vast homeland security enterprise. With the important updates in this edition, you will be even better prepared for terrorism and disasters.

The End of Reading David Trend,2010 Big changes have been taking place in reading in recent years. While American society has become more visual and digital, the general state of literacy in America is in crisis, with educators and public officials worried about falling educational standards, the rising influence of popular culture, and growing numbers of non-English-speaking immigrants. But how justified are these worries? By focusing on «reading», this book takes a serious look at public literacy, but chooses not to blame the familiar scapegoats. Instead, *The End of Reading* proposes that in a diverse and rapidly changing society, we need to embrace multiple definitions of what it means to be a literate person.
