When Tomorrow Starts Without Me Lori Plegge, 2014 Most people who have lost a child write books about how to cope with the child's death. Author Lori Plegge has taken a different perspective on losing a child. Instead of writing about how to cope with the death of a child, she has decided to write a story about her son's life. When Tomorrow Starts Without Me is a true story about the life and death of a young man named Anthony. No matter how hard Lori tried to raise Anthony right, he made some bad choices in his life and those bad choices led to his death. When reading this book you will experience every emotion possible, you become a part of the story. When Tomorrow Starts Without me is not just a sad story about the death of a 19 year old boy but it also tells you funny childhood stories along with some near death experiences Anthony had. Even though the loss of a child is a very tragic thing, Lori has managed to take that tragedy and turn it into something positive to help others.

**Miracles Flowing in Grace** Holly Park, 2024-10-08 Miracles Flowing in Grace is an essay on faith by Holly Park, published in Korea last August. The book inspires believers to look back on their lives. It makes readers shed tears spontaneously at the portrait of a tumultuous life that she has lived. Yet she has lived a life of service and shared her wealth according to God's will. The motive for publishing the book, which showed her true face in an anonymous benefactor, picked up a pen according to the words of God, who urged her to now testify of the grace given to you and the power of God. -- Byung Min, Editorial Writer at the Korea Times Holly Park, who wholeheartedly obeys the command, Love your neighbor as yourself, has been a missionary who sends love offerings with God's compassionate heart to the hungry and naked children abroad. I realized that this book, a record of her life, was written not only about her but also about the work of the Lord throughout her life. --Rev. Seongwon Park, CEO of the Nanum House
