

# A Most Agreeable Murder

**L Darling-Hammond**

*A Most Agreeable Murder* Julia Seales, 2024-04-30 NATIONAL BESTSELLER • “A delightful cocktail that mixes elements of the Bridgerton series, Jane Austen’s *Pride & Prejudice* and Agatha Christie’s Miss Marple mysteries . . . The payoff is a wealth of wit, hilarity and suspense.”—People (Book of the Week) When a wealthy bachelor drops dead at a ball, a young lady takes on the decidedly improper role of detective in this action-packed debut comedy of manners and murder. This edition includes a reader’s guide and a sneak peek at Beatrice Steele’s return in *A Terribly Nasty Business!* Feisty, passionate Beatrice Steele has never fit the definition of a true lady, according to the strict code of conduct that reigns in Swampshire, her small English township: She is terrible at needlework, has absolutely no musical ability, and her artwork is so bad it frightens people. Nevertheless, she lives a perfectly agreeable life. But she harbors a dark secret: She is obsessed with true crime. If anyone in her etiquette-obsessed community found out, she’d be deemed a morbid creep and banished from respectable society forever. For her family’s sake, she’s vowed to put her obsession behind her. Eligible bachelor Edmund Croaksworth is set to attend the approaching autumnal ball, and the Steele family hopes that younger daughter Louisa will steal his heart. So Beatrice must be on her best behavior—a difficult challenge when a disgraced yet alluring detective inexplicably shows up to the ball. Beatrice is just holding things together when Croaksworth drops dead in the middle of a minuet. As a storm rages outside, the evening descends into a frenzy of panic, fear, and betrayal as it becomes clear that the guests are trapped with a killer. Contending with competitive card games, tricky tonics, and Swampshire’s infamous squelch holes, Beatrice must rise above decorum and decency to pursue justice and her own desires—before anyone else is murdered. A PUBLISHERS WEEKLY BEST BOOK OF THE YEAR

*The Maverick* Bennett Foster, 2023 Young Ray Verity took to the outlaw trail when his three brothers were killed by ranchers who believed the Verity boys guilty of cattle rustling. He swore vengeance on Miles Tenbow, whom he held responsible for the crime. From the hills near the range which had once been his Ray came down to pursue his enemy; but when it was within Ray's power to kill him, Ray saved Tenbow's life instead, then fled to save his own. Ray returned again and again, and each time he learned more of the circumstances that had caused his brothers' deaths and put a price on his own head. Finally, with the girl who stood by him, he discovered the real killers and took revenge. Then he would come down from the outlaw trail and claim his rightful heritage. In a story of youth in revolt, Bennett Foster writes with warmth and

excitement of an untamed maverick who grew to manhood amid gun smoke and treachery and proved himself the best man on the range.--

A Terribly Nasty Business Julia Seales, 2025-06-24 London provides fabulously deadly opportunities for a fledgling inspector in the twisty follow-up to Julia Seales's bestselling debut, *A Most Agreeable Murder*, hailed by *People* as a "delightful cocktail . . . of wit, hilarity, and suspense!" After achieving her lifelong dream of solving a murder, bringing a killer to justice, and proving she is not, in fact, a morbid creep, Beatrice Steele feels like everything is finally falling into place. She's traded her etiquette-obsessed community of Swampshire for the big city of London, accompanied by her ever-trusty chaperone, Miss Bolton. They've settled in a lovely neighborhood, Sweetbriar, known for its proximity to the Sweet Majestic theater, picturesque pleasure gardens, and an unfortunate infestation of flying squirrels. But Beatrice's favorite part is that Sweetbriar is also home to DS Investigations, the new office she opened with the prickly, annoyingly logical Inspector Drake to solve the city's brutally thrilling crimes. However, nothing is turning out how Beatrice imagined it would. Sir Huxley, famed gentleman inspector and Beatrice's former crush, is still considered the real investigator in London, so the only cases left for Beatrice and Drake are lost pets and spectacles. Not that Beatrice has much time for crime-solving anyway, as her mother still expects her to find an eligible (rich) husband to protect their family from destitution. Beatrice is struggling to balance all the demands on her and begins to wonder if she can become a true detective in a city that feels full of false promises. That is until a string of murders thrusts Beatrice and Drake into the center of a scandal that pits the neighborhood's wealthiest against the arts community, spreading fear and chaos throughout the city. As they follow the trail through bewildering ballrooms, secretive shops, and odd operas, Beatrice must survive threats to her partnership, her business, and her place in society to break the case—before it's too late.

**Crimen Con Clase / A Most Agreeable Murder** Julia Seales, 2023-10-24 Uno de los debuts más esperados del año: un crimen a puerta cerrada con ecos de Agatha Christie y Jane Austen que ya está siendo adaptado al cine y cuyos derechos de traducción se han vendido a ocho idiomas. Beatrice Steele guarda un oscuro secreto: está obsesionada con el asesinato. No con el acto de cometerlo, sino con el acto de resolverlo. Beatrice Steele, del pequeño municipio de Swampshire, en la campiña inglesa, nunca ha encajado en la definición de una verdadera dama según el estricto código de conducta que allí rige: no sabe coser ni tiene talento para la música. Vive sin sobresaltos junto a su madre, cuya única obsesión es conseguir un buen partido para sus hijas, junto a su padre, un bromista sin remedio, y junto a sus dos hermanas menores. Sin embargo, Beatrice guarda un secreto: sueña con resolver casos de crímenes reales sobre los que lee en el periódico e incluso ha llegado a cartearse con un inspector de Londres. Si alguien se enterara de su extraña afición, Beatrice sería considerada un bicho raro y sería expulsada para siempre de su respetable círculo social. Cuando un misterioso detective caído en desgracia se deja ver sin motivo en Swampshire durante el gran baile de otoño y el soltero de oro con quien su madre quiere casar a

otra de sus hijas, Louisa, se desploma en medio del salón, Beatrice intuye que están atrapados con un asesino y que es la oportunidad perfecta para resolver un crimen. Críticas: «Una absoluta delicia [...], una novela que atrapa, un intrincado rompecabezas que resolver y numerosas capas de ingenio mordaz que harían sentirse orgullosa a Jane Austen. Los amantes de las novelas de misterio no pueden perderse esta». Ashley Winstead «Ingenioso e inteligente, es como si Agatha Christie y Jane Austen hubieran escrito juntas». India Holton «Si creciste leyendo a Jane Austen y Agatha Christie, te encantará Un crimen con clase ». Kate Stayman-London «Un debut excepcional [...]. Los fans de Jane Austen quedarán cautivados». Publishers Weekly

*You May Now Kill the Bride* Kate Weston, 2024-05-14 The bride-to-be drops dead at her bachelorette weekend, with all of her bridesmaids as suspects for her murder, in this wry thriller full of deadly twists and characters you'll love to hate. "I laughed, I gasped, and said 'I do' to this chilling romp sparkling with humor, Prosecco, and murder."—Julia Seales, bestselling author of *A Most Agreeable Murder* Who will be left standing when the bouquet is thrown? Lauren, Saskia, Dominica, Farah, and Tansy have been best friends since grade school. They wonder if that was the last time they all actually liked each other. As adults, their lives have splintered. Tansy runs a vegan café and is preparing for a shotgun marriage to awful Ivan. Farah is engaged and is fast becoming a complete bridezilla. Dominica is a successful divorce attorney with no time for anything but work. Lauren has had a total "failure to launch" in her career and love life, consumed by a man who has spent years stringing her along. Saskia has married into wealth and a different circle of friends in a fancy part of London. Some days it seems that the only thing holding the group together is an event that happened in their youth twenty years ago—an incident they've all sworn to keep secret in order to protect one another. When the group is reunited at Tansy's bachelorette-cum-wellness-retreat weekend, it doesn't take long for old grudges to surface. Then the bride-to-be chokes to death on a poisoned drink, and all of the bridesmaids are suspects. Kate Weston explores the complexities of female friendship in this searingly funny, page-turning thriller. One of these bridesmaids may be a killer, and the group had better watch their sash-covered backs, because your oldest friends aren't always your closest. . . .

### A Most Agreeable Murder Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Most Agreeable Murder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Most Agreeable Murder has opened up a world of possibilities. Downloading A Most Agreeable Murder provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Most Agreeable Murder has democratized knowledge. Traditional books and

academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Most Agreeable Murder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Most Agreeable Murder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Most Agreeable Murder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Most Agreeable Murder has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can

make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About A Most Agreeable Murder Books**

1. Where can I buy A Most Agreeable Murder books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
