Meanjin Vol 76, No 4 Meanjin Quarterly, 2017-12-01 In the December 2017 edition of Meanjin, futurist Mark Pesce argues that we are entering an age in which it will be increasingly hard to determine what, if anything, in our universe of information and sensation, is actually real; and that's not good news. For historian Rebe Taylor the discovery of a cache of Australian Aboriginal artefacts in an obscure British museum began an investigation that led back to the last years of Indigenous Tasmanians and the founding moments of the Victorian settlement; and from there to a consideration of the complex notion of 'humane colonisation'. Yassmin Abdel-Magied recounts her many, failed, attempts to leave Australia; Di Morrissey considers Australia in Three Books; Maxine Beneba Clarke is lost for words at writers' festival question time; Steven Carroll reports from his writing desk; Indigenous writer Claire G. Coleman looks at the arrival of Europeans and asks: 'just who are the nomads?'; while Lauren Rosewarne tries to find a feminist sub-category for the media mean girls. There's a feast of fiction and poetry too in this bumper summer edition, with new stories from Gay Lynch, Alan Wearne, Raaza Jamshed Butt, John Morrissey and more.

Chameleon William Kienzle, 2012-11-13 An intriguing blend of glory and gore from the master of the theological mystery.—Booklist As usual, Kienzle's book is graced by fine touches. —Chicago Tribune From William X. Kienzle, author of the classic mystery, *The Rosary Murders*. When a prostitute is murdered after midnight on the mean streets of Detroit, it

usually isn't front-page news. But when a prostitute's body is found dressed in a nun's habit outside one of Detroit's oldest—and at one time most prestigious—Catholic churches, it strikes the interest of the curious minded. And when that prostitute is Helen Donovan, a call girl who numbered among her clientele some of the city's most powerful figures, and whose sister is the most influential nun in the Detroit archdiocese, the prostitute's death takes on a significance that no one can ignore. Chameleon, William X. Kienzle's thirteenth installment in the enormously popular Father Koesler mystery series, delves into the worlds of Catholic Church policies and Detroit's deteriorating core city to try to unravel a murder long on motives, but short on suspects. As tensions mount, Kienzle's venerable priest/sleuth, Father Koesler, is called on by the Detroit Homicide Division to lend his religious perspective to the investigation. Kienzle again endows Father Koesler with the kind of thoughtful insight and compassion that allow him to see into the heart of the case at hand. Chameleon is filled with the sense of authenticity that comes from Kienzle's meticulous research and his determination to write about the two things he knew best: Detroit and the Catholic Church.

The Narrative of the Occident Georg Schmid, 2009 Civilizations «narrate themselves» in order to establish legitimacy, succeed against others, portray their own merits to their best advantage. The results express societal dynamics, yet also have a retroactive effect and decisively influence the self-conceptions of the «initiating societies». Political philosophies, interpretations of history and social perceptions of artistic achievements all contribute to these narratives. The dignified components, however, are by no means the sole or even the most important ones. Distinction in material culture (technological proficiency, popular art forms, etc.) or economic adroitness are even more consequential. The occidental narrative has been badly vacillating lately. Its severe crisis - due in part to a lack of collective self-confidence, but also to disagreements between its main strands - merits a meticulous analysis of a multitude of criteria. The resulting critique is embedded in reflections on a general theory of narrativity.

One Night of Passion Elizabeth Boyle, 2009-03-17 They Met At London's Notorious Cyprian's Ball . . . Georgiana Escott has one night to find the perfect man to ruin her and leave her with a tattered reputation so she can avoid an arranged marriage to an aging, despicable roue. With a misstep, she tumbles into the arms of the disgraced and dashing Lord Danvers. But Georgie doesn't know that the lover she has enticed to follow her into the night and the stranger she holds responsible for her misfortunes are in the same . . . When Lord Danvers find himself entangled with a tempting Cyprian, his secret mission to expose a dangerous spy goes awry. Yet once he starts to unmasked this bewitching lady, he realizes the seductress who claims his heart may be the traitor he seeks. Mistrust makes them adversaries in a perilous game—but how can he dismiss his obsession with her when one night of passion entwined their lives forever?
