Have a Beautiful Day Bryan Arndt PhD, 2014-11-26 I love early mornings, including that period of darkness before sunrise. It is during this special time of day that I can be alone with my thoughts, write uninterrupted, and feel as if I am at my most productive. Over the years I have also found the best way to begin each day is to thank the universe for the gift of a new day. These expressions of gratitude have a way of returning more of what it is I love about my life back to me. I have also found that a good quote, an affirmation or two, thoughts from our ancient wisdom writers, or words of inspiration from a variety of people especially creative people are the best way to kick off my day. I make every moment special and meaningful. I make every moment productive and rewarding. I make every moment positive and life-affirming. Enjoying a lifetime's worth of beautiful days this is what I imagine, believe, and create for my whole self each and every day. You can do the same; you too can imagine believe create a lifetime's worth of beautiful days. How? Open the book to today's date it can all begin right now. Have a beautiful day.

1000 + 1 Fortunes, Short Stories and Proverbs for Success Canute Kelly, 2014-11-05 No two human beings have the same fingerprint nor feel the same sensations in exactly the same way at exactly the same time, and yet we can relate to a lot of the same emotions in similar ways. I reflected on some of the things my grandmother would say to me, thought about scenes I have seen in movies and how knowledge and habits are passed down through generations, and it makes me think of how connected we are as human beings. Some of the contents of things I have received from the papers in fortune cookies remind me of things my grandmother would say and sometimes take me back to pleasant memories from my childhood, and just like how a cookie is shared, I wanted to share the emotions the fortunes elicit.

Reeling in the Years Tim Bergling, 2004 Reeling in the Years illustrates the wide range of emotions at work in younger/older gay male relationships - from fear and loathing to love and happiness. Beneath the bitchy asides, passionate relationships, rock-solid friendships, and hateful distrust, men struggle to answer the question: Can older gay men really be friends with younger gay men? In their own words, hundreds of men discuss what it's like to be 16, 28, 40, or 70, examining myth and reality about age and aging from different attitudes and perspectives.--Jacket.
