**W. J. Thorold, Arthur Hornblow, Perriton Maxwell, Stewart Beach**

*All of Me* Jos Willems, 2006-04-30 Louis Satchmo Armstrong was not only jazz's greatest musician and innovator, but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music. Overcoming social and political obstacles, he created a long and impressive career and an enormous musical output. Now, his groundbreaking musical career is amassed and detailed in this discography of all his works, from professionally made commercial releases, to amateur and unissued recordings. *All of Me* is a comprehensive, chronological discography born out of love and admiration for Louis Armstrong, and devotion to years of collecting his musical accomplishments. Author Jos Willems has meticulously compiled all of Satchmo's known recordings-both studio and live performances-and with assistance from internationally renowned specialists, has assembled an impressively detailed, accurate, and complete listing. This volume is superbly formatted and presented, logically organized, and thoroughly indexed by song title and individual. Researchers, collectors, and enthusiasts can easily look up any detail of a recording: issues and releases of particular songs; publishing companies; producers; catalog numbers; dates, times, and locations of recordings; musicians Armstrong played with; and format, be it 78 or 45 RPM records, LPs, CDs, or media appearances. Every detail of Armstrong's career is listed in this impressive volume, shedding light on the enormity of his impact on jazz and popular culture. This is the ultimate reference guide for the complete works of Louis Armstrong.
