Nasty, Brutish, and Short Scott Hershovitz, 2022-05-03 An NPR Best Book of 2022 * One of Christian Science Monitor's 10 best books of May "This amazing new book . . . takes us on a journey through classic and contemporary philosophy powered by questions like 'What do we have the right to do? When is it okay to do this or that?' They explore punishment and authority and sex and gender and race and the nature of truth and knowledge and the existence of God and the meaning of life and Scott just does an incredible job." —Ryan Holiday, The Daily Stoic Some of the best philosophers in the world gather

in surprising places—preschools and playgrounds. They debate questions about metaphysics and morality, even though they’ve never heard those words and can’t tie their shoes. They’re kids. And as University of Michigan professor of philosophy and law Scott Hershovitz shows, they can help grown-ups solve some of life’s greatest mysteries. Hershovitz has two young sons, Rex and Hank. From the time they could talk, he noticed that they raised philosophical questions and tried to answer them. They re-created ancient arguments and advanced entirely new ones. That’s not unusual, Hershovitz says. Every kid is a philosopher. Powered by questions like: Does Hank have the right to drink soda? Is it ever okay to swear? and, Does the number six exist? the Hershovitzes take us on a fun romp through classic and contemporary philosophy. If we join kids on philosophical adventures, Hershovitz argues, we can become sharper thinkers and recapture their wonder at the world.

Love and Serve Pastor Ross L. Worch, 2021-07-26 Love and Serve is composed of 377 devotions to give daily guidance in our servant ministry to reflect God's love to all around us. There are 366 devotions for every day of the year, plus eleven additional devotions for the Church year celebrations that move around the calendar because they are controlled by the changing date of Easter each year. That makes this devotional book useable year after year. By ecclesiastical rules, Easter is the first Sunday after the first full moon after the first day of spring. There are thirty-five possible dates for Easter, from March 22 to April 25. The devotions for Ash Wednesday, Palm Sunday, Holy Thursday, Good Friday, Easter, and Pentecost can be plugged in each year on the specific date that applies for that year. Love and Serve is really a group of 377 mini-sermons to help us turn God's Word into daily action. Each devotion is headed by words from the Bible, and the devotion answers the question, What does this mean for us in the twenty-first century? And each devotion ends with a short prayer that is intended to help us put our words into action. This love (agape) is the kind of unconditional love that God has for each of us and the way God wants us to love each other. Agape, when done as God intended, is a verb, an action word. God calls on us to be his ambassadors here on earth. We are to represent God to our neighbors. Love and Serve, used daily, can greatly assist in this endeavor. We are called upon to love God and neighbor and to do God's work with our hands. We are called to love and serve.

A Think-Aloud Approach to Writing Assessment Sarah Beck, 2018 The think-aloud approach to classroom writing assessment is designed to expand teachers’ perspectives on adolescent students as writers and help them integrate instruction and assessment in a timely way. Emphasizing learning over evaluation, it is especially well-suited to revealing students’ strengths and helping them overcome common challenges to writing such as writer’s block or misunderstanding of the writing task. Through classroom examples, Sarah Beck describes how to implement the think-aloud method and shows how this method is flexible and adaptable to any writing assignment and classroom context. The book also discusses the significance of the method in relation to best practices in formative assessment, including how to plan think-aloud sessions

with students to gain the most useful information. Teachers required to use rubrics or other standardized assessment tools can incorporate the more individualized think-aloud approach into their practice without sacrificing the rigor and consistency more regulated approaches require. "Details how both students and teachers can benefit from engaging in this practice, and does so in ways that allow readers to adapt it to their own situations." —Peter Smagorinsky, University of Georgia "This is the first truly new way of thinking about assessing writing that I have encountered in a long time." —Heidi L. Andrade, University at Albany-SUNY "An invaluable guide for using think-aloud formative assessments to gain insight into student writing development. Every high school and college writing instructor should read it!" —Amanda J. Godley, University of Pittsburgh

"The Kingdom of God is Within You" graf Leo Tolstoy,1894 The Kingdom of God Is Within You is a non-fiction book written by Leo Tolstoy. A philosophical treatise, the book was first published in Germany in 1894 after being banned in his home country of Russia. It is the culmination of thirty years of Tolstoy's thinking, and lays out a new organization for society based on an interpretation of Christianity focusing on universal love. The Kingdom of God is Within You is a key text for Tolstoyan proponents of nonviolence, of nonviolent resistance, and of the Christian anarchist movement. The title of the book originates from Luke 17:21. In the book Tolstoy speaks of the principle of nonviolent resistance when confronted by violence, as taught by Jesus Christ. When Christ says to turn the other cheek, Tolstoy asserts that Christ means to abolish violence, even the defensive kind, and to give up revenge. Tolstoy rejects the interpretation of Roman and medieval scholars who attempted to limit its scope. How can you kill people, when it is written in God's commandment: 'Thou shalt not murder'? Tolstoy took the viewpoint that all governments who waged war are an affront to Christian principles. As the Russian Orthodox Church was--at the time--an organization merged with the Russian state and fully supporting state's policy, Tolstoy

sought to separate its teachings from what he believed to be the true gospel of Christ, specifically the Sermon on the Mount. Tolstoy advocated nonviolence as a solution to nationalist woes and as a means for seeing the hypocrisy of the church. In reading Jesus' words in the Gospels, Tolstoy notes that the modern church is a heretical creation: Nowhere nor in anything, except in the assertion of the Church, can we find that God or Christ founded anything like what churchmen understand by the Church. Tolstoy presented excerpts from magazines and newspapers relating various personal experiences, and gave keen insight into the history of non-resistance from the very foundation of Christianity, as being professed by a minority of believers. In particular, he confronts those who seek to maintain status quo: That this social order with its pauperism, famines, prisons, gallows, armies, and wars is necessary to society; that still greater disaster would ensue if this organization were destroyed; all this is said only by those who profit by this organization, while those who suffer from it - and they are ten times as numerous - think and say quite the contrary.
