If you like snarky fae, brooding royals, sizzling romance, and fierce heroines, you'll love this breathtaking fae fantasy. Every young woman dreams of marrying a king. Everyone except for me. Because the king I am to wed has razor sharp fangs and a thirst for blood. All my life I knew I'd come of age during the Hundred Year Reaping. According to the ridiculous treaty, two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother. Not me. I was supposed to be safe. Two girls were chosen from my village already. But when they are executed for offending the king, my sister and I are sent in their place. What a mess. Then again, maybe it's not so bad. The younger brother I'm paired with doesn't seem as monstrous as I'd expected. He's delightfully handsome too. But nothing compares to the chilling, dangerous beauty of the fae king. And when my sister flees the castle and her terrifying husband-to-be, I'm left to marry him instead. If I go through with this, I might not survive my wedding night. If I don't, no one is safe, neither human nor fae. An ancient war will return, bringing devastation we haven't seen in a thousand years. Can I sacrifice myself for the good of my people? Or will a dangerous desire be the death of me first? If I don't lose my heart, the king will certainly lose his. I'll carve it out with an iron blade if I have to. The animosity between Darkness and Light continues to grow, as do Jayne's supernatural, elemental abilities in the Green Forest. Long-lost friends arrive, new friends leave, passion burns, and mysteries abound. What is Light and what is Dark? Who can the Light Fae trust? The War of the Fae series is perhaps one of the best examples of this magical connection with her readers. Casey has created a whole world of characters that you very quickly care very much about. ~Lisa Ann, Reviewer on Goodreads "The drama flew through the roof. Jayne's powers are

growing and the demand on her is insane. What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of 'paranormal young adult fantasy'. Jayne is still cracking jokes, is still cursing, is still making stupid decisions, is still relateable, still has ulterior motives, still is Jayne." ~Marlon Balraj, Blogger and Reviewer at We Live and Breathe Books blog "Better and better. I can't think if a single thing in this series that I don't like and that is saying a lot. The further I get into it the more I can't stop reading. Definitely a series you want to read in order and well worth the read." ~ Amazon Reviewer "Each book gives you more and more. Books 1,2,3 were fantastic. Each book after gives you more and more insight into each character. I am reading these books faster then most because the writer keeps me interested. The anticipation of the next twist is what keeps me wanting to turn the page." ~ Margaret Thomas, Amazon Reviewer A message from the author: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. No, it is not in production to be made into a movie, nor have I sold the rights to anyone for the movie. But just in case I ever do, my fans will be sure the casting director has a complete line-up ready! Check it out: elcasey.com/WOTF_Movie
