Join Casey in this sizzling, action-packed first book of a paranormal romance thriller trilogy. HERE IS WHAT A FEW READERS ARE SAYING ABOUT BOOK ONE OF THE STEAMY AND EXCITING VAMPIRE TRILOGY... (From Reader's Favorite Award Review) ...Eileen Sheehan's vivid depiction of a post-apocalyptic world illustrates how dire situations can become. Casey's recollection of her mother dying by gunfire was horrifying. Casey's initial mistrust of Geo was relatable. If some smelly, dirty man approached me it could be alarming. Sybil's reaction to Casey was strange. Since she was a mutated vampire, I doubted she mothered Casey. The supporting characters were well-developed and their importance builds throughout the story. It shocked me to learn that Geo was more than just a messenger. The unpredictable plot took several twists and kept me hooked until the end. I look forward to reading more in the sequel. I recommend Vampire Witch Trilogy to readers who like dystopian stories with vampires, mutants, and rebel survival. (Other Reviews) Whoa!! I desperately want to grab the next book in the series now! The brilliant synopsis and early reviews create such a hype before you even open the book... you feel like you already know the characters. I thought it would spoil some of elements of surprise but no it doesn't. The story is fast paced, gripping, emotional and steamy!! I can't recommend this book highly enough and I will be adding this epic author to my fave list. It grabbed my attention and I seriously couldn't put it down until I finished it that same day! The plot was excellent. Definitely different from anything I've read. All the characters were well thought out and I felt like I really knew them. This book just sucked me in, I just cannot say enough good things. This author goes to the top of my favs list! I will never look at a paranormal book about vampires the same again. This book deals with humans, mutant humans, vampires, mutant vampires, a New World Order after a nuclear war, and the hatred between the groups. What happens throughout this book had me

unable to put it down, but man alive it was intense! One of those reads that if I said anything else about this book, I would be giving away key pieces. There are so many things going on in this book. Things that I did not expect to happen did. Things that I did expect to happen did not. The intrigue, mystery, and thrills in this book kept me on my toes. This book was so good! From the first page I was hooked and it only got better. The romance was sweet and a bit forbidden. The story was intense and fast paced and kept my attention the entire time. The characters were very well developed and relatable. I just really enjoyed this story and highly recommend it. Vampire Witch, by Eileen Sheehan, is a steamy new adult novel guaranteed to smoke your socks off if you like hot vampire romance. This story is told beautifully. Pick up this book. You will not be disappointed. Well worth 5 stars.

Heroines of Comic Books and Literature Maja Bajac-Carter, Norma Jones, Bob Batchelor, 2014-03-14 Despite the growing importance of heroines across literary culture—and sales figures that demonstrate both young adult and adult females are reading about heroines in droves, particularly in graphic novels, comic books, and YA literature—few scholarly collections have examined the complex relationships between the representations of heroines and the changing societal roles for both women and men. In *Heroines of Comic Books and Literature: Portrayals in Popular Culture*, editors Maja Bajac-Carter, Norma Jones, and Bob Batchelor have selected essays by award-winning contributors that offer a variety of perspectives on the representations of heroines in today's society. Focused on printed media, this collection looks at heroic women depicted in literature, graphic novels, manga, and comic books. Addressing heroines from such sources as the Marvel and DC comic universes, manga, and the *Twilight* novels, contributors go beyond the account of women as mothers, wives, warriors, goddesses, and damsels in distress. These engaging and important essays situate heroines within culture, revealing them as tough and self-sufficient females who often break the bounds of gender expectations in places readers may not expect. Analyzing how women are and have been represented in print, this companion volume to *Heroines of Film and Television* will appeal to scholars of literature, rhetoric, and media as well as to broader audiences that are interested in portrayals of women in popular culture.
