

Books Like Fairy Tale Stephen King

Stephen King

Stephen King from A to Z George Beahm, Beahm, 1998-09 Contains hundreds of alphabetically arranged entries that provide information about various aspects of the life and work of popular novelist Stephen King.

The Universe of Oz Kevin K. Durand, Mary K. Leigh, 2010-03-08 The Wizard of Oz has captured the imagination of the public since publication of L. Frank Baum's first book of the series in 1900. Oz has shaped the way we read children's literature, view motion pictures and experience musicals. Oz has captured the scholarly imagination as well. The seventeen essays in this book address numerous questions of the boundaries between literature, film, and stage--and these have become essential to Oz scholarship. Together the essays explore the ways in which Oz tells us much about ourselves, our society, and our journeys.

Fairy Tale Stephen King, 2024-06-25 Master storyteller Stephen King goes into the deepest well of his imagination in this #1 New York Times bestselling and spellbinding novel about a young man who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher—for that world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a horrific accident when he was seven, and grief drove his dad to drink. Charlie learned how to take care of himself—and his dad. When Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from that shed. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world.

Stephen King Bev Vincent, 2022-09-13 Take an intimate tour through the life and works of Stephen King, made vivid with rare photos and ephemera from King's personal collection. Even if you are a die-hard fan, you will find something new in this beautifully packaged Stephen King reference that you will return to again and again. Timed to celebrate Stephen King's 75th birthday on September 21, 2022, *Stephen King: A Complete Exploration of His Work, Life, and Influences* reveals the inspiration behind the prolific author's brilliant works of horror through a combination of photos and documents from King's archives and an engaging account of the stories behind how his novels, novellas, short stories, and adaptations came to be. It

might sound like a tall tale that Stephen King once met a bartender named Grady in an empty hotel in Colorado, or that the celebrated author helped his young daughter bury her cat in a nearby “pets sematary” after it was killed on a busy roadway. In this book, discover how King drew on these and more real personal experiences and mundane life events, then employed his extraordinary imagination to twist them into something horrific. From impoverished university student to struggling schoolteacher to one of the best-selling—and most recognizable—authors of all time, this engrossing book reveals the evolution and influences of Stephen King’s body of work over his nearly 50-year career, and how the themes of his writing reflect the changing times and events within his life. An expansion of Stephen King expert Bev Vincent’s *The Stephen King Illustrated Companion*, this fully revised, redesigned, and updated book includes: A review of King’s complete body of work, including *Fairy Tale*, published in September 2022. A wealth of rare memorabilia from King’s own collection, including personal and professional correspondences, handwritten manuscript pages, book covers, movie stills, and never-before-seen excerpts from one of his poems and an unpublished short story. Interludes on specific topics such as real-life settings that inspired King’s writing, the editor who discovered him, his life as a Boston Red Sox fan, and the many awards and honors he has received. Insightful quotes from King from interviews over the decades. Celebrate the beloved King of Horror with this informational and entertaining look inside King’s most iconic titles and the culture they have created.

Contemporary British Women Writers Robert E. Hosmer, 1993-01-14 *Contemporary British Women Writers* is a collection of ten essays, each devoted to an important novelist and written by a distinguished scholar. Included in this volume are Sybille Bedford, Anita Brookner, A.S. Byatt, Angela Carter, Isabel Colegate, Penelope Fitzgerald, Susan Hill, Molly Keane, Muriel Spark, and Fay Weldon. Each essay focuses on several novels, selected to reveal the novelist's consistent concerns and characteristic strategies. Individual bibliographies provide a full sense of the novelist's work as well as a discriminating guide to the best critical work available.

Books Abroad ,1976

Silk and Potatoes Adam Roberts, 1998 This study constitutes the first to analyse the remarkable surge in popularity of Arthurian literature and art in the modern period from a broad range of instances of cultural production. More novels with Arthurian themes have been published since the war than in any previous period, and *Silk and Potatoes* provides detailed readings of some of the most famous, including works by Marion Zimmer Bradley, Anthony Burgess, C.J. Cherryh, Guy Gavriel Kay, Mary Stewart, Jack Vance and T.H. White. In addition to examining Arthurian fiction (with chapters on the general novel, Historical fiction and Science Fiction), this study examines the key cinematic examples of Arthuriana (Boorman's *Excalibur*, Bresson's *Lancelot du Lac*, Rohmer's *Perceval Le Gallois* and Monthy Python and the *Holy Grail*). A further chapter goes on to look at the myriad other forms of cultural production based on Arthurian themes; from Bugs Bunny to Pop Music, from the Camelot of JFK to the British National Lottery. This is a study that touches on many aspects of

Arthuriana whilst developing two connected arguments about (on the one hand) the necessary anachronism of any modern Arthurian Literature, and (on the other) the aesthetic-political implications of this literature's success. The whole, whilst rooted in the scholarly debates on the enduring appeal of King Arthur, is written in an accessible and entertaining style. It will be of interest to students and teachers of Arthurian literature, film and popular culture.

The Tim Burton Encyclopedia Samuel J. Umland, 2015-09-28 Tim Burton is one of the most inventive filmmakers in the world. From his early work as an animator for Disney studios to his distinctive takes on iconic characters like Batman and Alice in Wonderland, Burton's skewed vision of the world has informed all of his films. Imbuing his films with a comically dark tone, Burton provides a twisted slant on conventional storytelling. In *The Tim Burton Encyclopedia*, Samuel J. Umland looks at all aspects of this idiosyncratic storyteller's films, which frequently display childlike wonder and a macabre humor. Entries in this volume focus on Burton's artistic inspirations as well as creative personnel behind the camera, including writers, cinematographers, costume designers, art directors, and other collaborators, notably his frequent composer Danny Elfman. Recurring actors are also represented, such as Michael Keaton, Helena Bonham-Carter, Jack Nicholson, and, of course, Johnny Depp. Film entries include all of his features such as Pee-Wee's Big Adventure, Beetlejuice, Edward Scissorhands, Ed Wood, Big Fish, and Dark Shadows. Each entry is followed by a bibliography of published sources, both in print and online. Featuring entries focused on every stage of Burton's career—including early animated shorts like Frankenweenie and his work as a producer—this volume provides indispensable information about one of the most distinctive filmmakers of the past three decades. Comprehensive and entertaining, *The Tim Burton Encyclopedia* will appeal to scholars, researchers, and fans of this singular director's work.

The Reacher Guy Heather Martin, 2020-09-29 An exquisitely written and nuanced biography of an exceptional individual and writer who has created the # 1 international bestselling hero Jack Reacher, revered by dedicated and loyal readers worldwide. Lee Child has a great public persona: he is gracious and generous with readers and fans. But Jim Grant is a reticent and very private man. This rags-to-riches literary and social biography is based principally on disarmingly frank personal conversations and correspondence with the author since 2016 and privileged access to archival materials. It consists almost entirely of original material, and is the nearest thing the world is likely to get to the autobiography he does not intend to write. There are a handful of great Lee Child/Reacher stories that have been recycled over and over again. They are so good that no one has bothered to look beyond them. This book revisits (and sometimes revises) those irresistible stories, but goes back further and digs deeper. The emphasis on chronology, accuracy and specificity is unprecedented. The Lee Child origin myth is much loved. But mostly it sees him springing fully formed from the brow of Granada Television. There are glancing references to Aston Villa and the schoolyard, but no one has examined the social and historical detail or looked closely at where Lee really came from: the people, places and period. This is the first time someone has described the

Lee Child arc: from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure, no. 1 in America, rock star, celebrity and publishing institution through to backlash, the changing zeitgeist, and intimations of retirement. The analysis of the emotional power and significance of Lee's work in the final chapters—the themes of happiness, addiction, dependency, loneliness, and existential absurdity—and the first-hand retrospective accounts of his life and second-act career are all exclusive to this definitive biography.

Discovering Stephen King Darrell Schweitzer, 1985 King seems to have pleased everyone except conventional mainstream literary critics -- which doesn't stop his books from making the best-seller list. Here are some early critical looks at King and his works, circa 1985.

Fairy Tale Stephen King, 2022-09-06 From legendary storyteller Stephen King, comes this No. 1 Sunday Times bestseller, now with a stunning new cover look for Summer 2024. WELCOME TO THE DARK SIDE OF HAPPILY EVER AFTER Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. When Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe - inside the shed is a portal to another world. Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher - for their world or ours.

The Random Series Boxed Set (Books 4-6) Julia Kent, 2021-04-03 It may have all started with a hitchhiker wearing a guitar - and only a guitar - but now the band's on the rise, and every member - Trevor, Joe, Liam, Sam, and Frown - has a story. A love story. From working the "day job" in creative ways to pay bills to engagements gone awry to second chance romances and breakups that make Mavis the Chicken return along with the ever-assured Happily Ever After, this wild and crazy ride leaves you filled with HOPE, screaming YES, and so full of LOVE. This boxed set contains Random Acts of Hope, Random Acts of Yes, and Random Acts of Love, books 4, 5 and 6 in the New York Times bestselling Random series by Julia Kent. Note: Random Acts of Yes was previously published under the title Randomly Ever After: Sam and Amy.
