Making Life Easy Christiane Northrup, M.D., 2018-01-23 You know Dr. Christiane Northrup as the best-selling author of books such as *Women's Bodies*, *Women's Wisdom* and *The Wisdom of Menopause*—a beloved and trusted expert on everything that can go right with the female body. Now she brings her wisdom and insight to illuminate the mind, soul, and spirit as well. In this joyfully encouraging new book—as useful for men as it is for women—Dr. Northrup explores the essential truth that has guided her ever since medical school: our bodies, minds, and souls are profoundly intertwined. Making life flow with ease, and truly feeling your best, is about far more than physical health; it's also about having a healthy emotional life and a robust spiritual life. When you view your physical well-being in isolation, life can become a constant battle to make your body “behave.” When you acknowledge the deep connection between your beliefs and your biology and start to tune in to the Divine part of yourself, it's a whole new ballgame—and the first step in truly making your life easy. Take your well-being into your own hands as you learn to: • Untie the knots of blame and guilt that harm your health • Use sexual energy consciously to increase vitality • Balance your microbiome through healthy eating • Cultivate a healthy ego that serves you (not vice versa) • Communicate directly with the Divine • And much more Drawing on fields from epigenetics to past-life regression to standard Western medicine, Dr. Northrup distills a brilliant career's worth of wisdom into one comprehensive user's guide to a healthy, happy, radiant life.

Making Life Easy Christiane Northrup, 2016 Ever since medical school, Dr. Christiane Northrup has been guided by an essential truth about the way our bodies, minds, and souls are intertwined. It's the same truth Edgar Cayce expressed in this famous formula: The Spirit is Life. The Mind is the Builder. The Physical is the Result.

It's Not Your Money Tosha Silver, 2019-02-05 From the author of the acclaimed *Outrageous Openness*, a witty and spirited guide to radically releasing the burden of financial fears It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully

back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance.

Goddesses Never Age Christiane Northrup, M.D., 2016-12-13 THE NEW YORK TIMES BESTSELLER! Though we talk about wanting to age gracefully, the truth is that when it comes to getting older, we're programmed to dread an inevitable decline: in our health, our looks, our sexual relationships, even the pleasure we take in living life. But as Christiane Northrup, M.D., shows us in this profoundly empowering book, we have it in us to make growing older an entirely different experience, both for our bodies and for our souls. In chapters that blend personal stories and practical exercises with the latest research on health and aging, Dr. Northrup lays out the principles of ageless living, from rejecting processed foods to releasing stuck emotions, from embracing our sensuality to connecting deeply with our Divine Source. Explaining that the state of our health is dictated far more by our beliefs than by our biology, she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years—no matter what our culture tries to teach us to the contrary—including: · Vibrant good health · A fulfilling sex life · The capacity to love without losing ourselves · The ability to move our bodies with ease and pleasure · Clarity and authenticity in all our relationships—especially the one we have with ourselves Taking all the right supplements and pills, or getting the right procedure done, isn't the prescription for anti-aging, Dr. Northrup explains. Agelessness is all about vitality, the creative force that gives birth to new life. *Goddesses Never Age* is filled with tools and inspiration for bringing vitality and vibrancy into your own ageless years—and it all comes together in Dr. Northrup's 14-day Ageless Goddess Program, your personal prescription for creating a healthful, soulful, joyful new way of being at any stage of life.

Lord, Change Me Evelyn Christenson, 2002

Let There Be A Change Timothy Atunnise, 2013-03-17 *Let There Be A Change* is a must have Personal Deliverance prayer book that will transform your life and bring restoration into every area of your life. What is Deliverance? Deliverance means to loose the bounds of wickedness. A lot of people are under the bondage of wickedness. If you look at the lives of many people, you will discover a wide array of wicked occurrences. If your life is surrounded by wicked mysterious happenings, you need to seek deliverance as soon as possible. Deliverance centers on the destruction of the yoke of the enemy. A yoke is anything that hinders or sets you back. Whatever sets you back from moving forward in your life is a yoke. God's will is that you move forward and attain divine goals set for your life. When the contrary happens, there is a bondage

hanging above your life. Deliverance is to break curses and evil covenants. The ancestors of many people were cursed and the curses have flown down the family line. For example, if a person struggles without any tangible achievement in life, there is a problem somewhere.
