**Understanding Love** Timo Purjo, 2025-08-18 This book is a true voyage of exploration across the sea of love, approaching the theme through a logotherapeutic and philosophical perspective. The author, PhD Timo Purjo, examines love as the highest value, a fundamental spiritual capacity, and the deepest meaning of human existence. It leads the reader from foundational philosophical principles to concrete life situations in which love is expressed as an attitude, a responsibility, a decision, and a calling. It draws upon Viktor Frankl's anthropological understanding of the human person, placing emphasis on the role of the will to meaning, self-transcendence, and responsibility in realizing authentic love. The author reflects on love not just as a feeling but as a value that gives direction and purpose to human life. Through philosophical analysis drawing on the insights of M. Scheler, K. Jaspers, E. Fromm, and other important thinkers, Purjo connects the logotherapeutic understanding of meaning with fundamental questions about the nature of love, the challenges it faces, and its potential for growth. Building upon Frankl's concept of WILL TO MEANING as the cornerstone of logotherapy, Purjo expands the framework by guiding the reader toward a conscious and empowered WILL TO LOVE. The practical dimension of love is also explored as love in interpersonal relationships, in professional settings, love directed toward imperfection, love in suffering and loss, and love for non-human beings and nature. The book includes personal stories that testify to love as a genuine and vital force in life. What makes this book truly unique is that the author does not write from the position of someone who knows what love is, but rather as someone who searches, learns, and shares with the reader what he has discovered along the way. More than a theoretical exploration, this book is an invitation to pause, reflect, and re-examine the ways in which love shapes our decisions, our relationships, and our sense of purpose. It encourages the reader to engage in the courageous act of loving, not as a fleeting emotion, but as an enduring orientation toward the good, the true, and the meaningful. Through this lens, love becomes not only a personal experience but an existential commitment, a spiritual path, and a shared human journey. *Understanding Love* is a deeply personal yet universal book, philosophical yet warm, academically grounded yet accessible to anyone seeking a deeper understanding of love in their own life.

The Little Prince Antoine de Saint-Exupéry, 2015-12-29 Illustrated Version The Little Prince Le Petit Prince By Antoine de Saint-Exupéry The Little Prince: The Childrens Classic Novella The Little Prince is a poetic tale, with illustrations by the author, in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism, remarking on the strangeness of the adult world. It was written during a period when Saint-Exupéry fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir Flight to Arras. The adult fable, according to one review, is actually ...an allegory of Saint-Exupéry's own life--his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood, and his deep love for his wife Consuelo but also an allusion to the tortured nature of their relationship. Though ostensibly styled as a children's book, The Little Prince makes several observations about life and human nature. For example, Saint-Exupéry tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: On ne voit bien qu'avec le cœur. L'essentiel est invisible pour les yeux. (One sees clearly only with the heart. What is essential is invisible to the eyes.) Other key thematic messages are articulated by the fox, such as: Tu deviens responsable pour toujours de ce que tu as apprivoisé. (You become responsible, forever, for what you have tamed.) and C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante. (It is the time you have lost for your rose that makes your rose so important.) The fox's messages are arguably the book's most famous quotations because they deal with human relationships.
