**Right Riches for You** Gary M. Douglas,Dain Heer,2012 Most programs about money deal with saving or investing; they do not address how to make money a reality. This resource contains a unique set of practical tools and energetic processes one can use to unlock the areas of life where one limits the amount of money he or she can have and receive, thereby empowering readers to change their financial situation with ease and permanence.

**Money Isn't the Problem , You Are** Gary M. Douglas,Dain Heer,2013-01-20 THIS BOOK OFFERS YOU OUT OF THE BOX CONCEPTS WITH MONEY Money Isn't The Problem, You Are is written for people who live in a constant state of difficulty around money, whether it's spending too much, not having enough, or having too much. In Money Isn't The Problem, You Are, Gary Douglas and Dain Heer share processes, tools, and points of view that you can use to change the way money flows into your life. Gary and Dain have worked with lots of people regarding money issues. Through innovative tools, Douglas and Heer have helped those who had \$10 in their pocket and people who had ten million. The interesting thing is they all have the same issue it has nothing to do with money. It has to do with what they are unwilling to receive. What you are unwilling to receive creates the limitation of what you can have. Change THAT and money isn't an issue any more! LEARNING TO RECEIVE IS THE GREATEST THING YOU CAN DO. Money Isn't The Problem, You Are is based on the very popular Access Money Seminar, which has been taught in cities throughout the U.S., Costa Rica, Australia and New Zealand. It's not about money. It never is. It's about what you're willing to receive. The Universe is endlessly abundant. Learn to make different choices with the empowering tools in this book. You CAN create a different reality. -Gary Douglas, found of Access Consciousness(R)

**The Place** Gary M. Douglas,2010 The story opens with Jake Rayne driving through the back-country of Idaho, in a 57 Thunderbird, reviewing his life. The beautiful dark-haired, funny laughing girl who disappeared. The child - sweet promise that the world will be better ... Of the divorce he writes, ... what we love in each other dies each day as we force ourselves to fit in the box ... of real life. intriguing beginning to a book that gathered me up with it's compelling lyrical rhythm, rich

descriptors and the seductive promise of much-more to come. A 5-point buck breaks Jake out of his reverie and he smashes the Thunderbird deep into the trees. His body is badly damaged and unable to help himself, he calls out into the darkness. This is where the story really begins as he is miraculously found and healed by some very unusual people. They have talents and abilities beyond what we consider normal, yet, beyond-normal is where they function from ... and live.

**Blessed Possibilities** Gary M. Douglas, 2016-03 Blessed Possibilities, a new book by Access Consciousness founder, Gary Douglas, is about the blessed choice of possibility we have available to create things we never even realized were possible. Instead of being the phenomenon we truly are on planet Earth, most of us keep trying to create the way other people do. We choose to diminish our awareness, hide our talents, and abandon our desires so we can live the way everyone else does. Blessed possibilities are about opening to the choice of new possibility. Why aren't you sharing your beauty and your talents? Gary asks. You will share your misery but you won't share your beauty. When you have talents, why the hell are you not sharing them? They are a blessed possibility. The book, based on Gary's conversations with participants at an Access seven-day event, presents brutally honest discussions of topics like sex, money, family, culture, and belonging and it offers life-changing questions, tools, and processes that address the limitations and barriers that keep us from being, doing, and having things we never even realized were possible.

**Magic. You Are It. Be It** Gary M. Douglas, Dain Heer, 2012-12-16 MAGIC IS CONSCIOUSNESS AT WORK In MAGIC. You ARE It. Be It. Gary Douglas and Dr. Dain Heer share processes, tools and points of view that you can use to create consciousness and magic- and change your life in ways you may not even be able to imagine. Magic is about the fun of having the things you desire. In a larger way, magic is about consciousness - not the addendum TO your life, it's consciousness AS your life. You can function from consciousness every moment you're alive. When you do, your life becomes truly magical and there's nothing you can't generate. What are the infinite possibilities? What else is possible? Magic is all around us, it's something we all generate. What would it take to think differently about the universe, the consciousness and oneness that we all are and the magic that is an intrinsic part of it? --Gary M. Douglas The real magic is the ability to have the joy that's possible, the joy that can be generated, the joy that life can be! -- Dr. Dain Heer

*Talk to the Animals* Gary M. Douglas, Dr Dain Heer, 2012 The authors share pragmatic tools and techniques to actually talk to animals and contribute to the Earth. Animals telepathically pick up on people's thoughts, feelings, and emotions. That's language to them, and they can provide the whole picture of what's going on for them, if people ask the question.

Divorceless Relationships Gary M. Douglas, 2011-10-01 What if you don't have to divorce you in order to create an intimate relationship? Most of us spend a lot of time divorcing parts and pieces of ourselves in order to care for someone else. For example, you like to go jogging but instead of jogging, you spend that time with your partner to show him or her that you really care. I love you so much that I would give up this thing that is valuable to me so I can be with you. This is one of the

ways you divorce you to create an intimate relationship. How often does divorcing you really work in the long run? When you give up any part of yourself, you give up what was so attractive about you to that other person in the first place and pretty soon the other person doesn't want to be with you anymore. A divorceless relationship is one where you don't have to divorce any part of you in order to be in a relationship with someone else. It is a place where everyone and everything you are in a relationship with can become greater as a result of the relationship. Divorceless Relationship contains tools, exercises and processes you can use to: Create divorceless relationships Discover what you would like as a relationship Discover what is true for you Use energy to attract the person you're interested in Know when it's time to leave a relationship Renew and recreate your relationship with your partner Bring sex back into your relationship Turn your lover on

**The Gentlemen's Club** Gary M. Douglas, 2014-11-10 In The Gentlemen's Club, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how to talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one? Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body. Praise from Gentlemen's Club Participant's wife: Thank you so much for doing these classes. I've got back the man that I fell in love with.

**La dama (Spanish)** Gary M. Douglas, 2021-11 ¿Eres una dama o una mujer? La dama se trata de una forma de ser en el mundo que es amable, elegante, juguetona y muy poderosa, que se extiende a todos los aspectos de la vida, desde los negocios, el dinero y la educación de los hijos, hasta el coqueteo, la seducción y el sexo. Una dama es una fuente de poder que crea posibilidad. Ella elige ser todo lo que es, sin definirse por lo que otros piensan que debería ser. Sabe lo que desea y cómo obtenerlo. Lidera sin controlar y nunca tiene que competir. Este libro te invita a recibir y disfrutar completamente la belleza, el poder, la diversión y el entusiasmo de quién eres. Describe una forma de ser que abre la oportunidad, tanto a hombres como a mujeres, a ser amables y comprensivos, a conocer el mundo y saber desenvolverse en él. Una dama siempre es una inspiración para los demás, con tan solo saber quién es.

Advanced How To Become Money Workbook Gary M. Douglas,2016-12-25 What if money was a vehicle to change the world? What if you were willing to receive unlimited amounts of money? What is money? For some, money is cars; for some, money is houses; for some, money is security. But, is money any of those things? No, its not. Money is energy, just as are you energy. There is no difference between you and money except the points of view that you give it. What if you could BE money? What if you could BE the energy that creates, generates, and produces money? If you could change your financial reality by looking at the points of view you have about money, would you choose to do so? The Advanced How to Become Money Workbook by Gary M. Douglas picks up where the original How to Become Money Workbook leaves off. It is full of more advanced questions and processes designed to facilitate the insane and limited points of view you have created around money and to create greater ease in your life--with a lot more money and currency flows.

*Projections, Expectations, Separations, Judgments & Rejections* Gary M. Douglas,2017-06 What if you were the best thing that ever happened on planet Earth? All the projections and expectations you've defined as meaningful are the things that keep you from being everything you are. Gary Douglas, in conversation with participants in a life-changing Access Consciousness(R) class, describes what projections, expectations, separations, judgments, and rejections are, the way they destroy you, your life, and your relationships, and how to get free of them and be everything you are. As class participants ask questions about money, business, work, love, sex, bodies, parents, family, and kids, Gary offers lively stories, provocative questions, and amazingly effective tools, and clearings that will enable you to clearly see what is in front of you, and to change anything in your life. **El sexo no es una grosería, pero las relaciones muchas veces sí lo son** Gary M. Douglas, Dain Heer, 2020-12 Este libro propone una mirada radicalmente diferente y refrescante respecto a los libros convencionales sobre el sexo y las relaciones, que se basan en teorías y principios psicológicos. Si estos libros funcionaran, escribe Gary Douglas, ¿No tendrías relaciones libres, expansivas y alegres desde hace mucho tiempo? Gracioso, franco y deliciosamente irreverente, el libro *el sexo no es una grosería pero las relaciones muchas veces sí lo son*, ofrece a los lectores una visión totalmente nueva acerca de cómo crear una gran intimidad y un sexo excepcional, y proporciona respuestas a preguntas que quizás nunca pensaste en hacer. ¿Cómo usar la energía para atraer a la persona que te interesa? ¿Cómo saber dónde desea tu pareja que la toques? ¿Cómo hacer del sexo una experiencia que nunca antes has vivido? ¿Cómo crear la relación que verdaderamente deseas?

*Beyond the Utopian Ideal* Gary M. Douglas, 2014-03 Most people operate from a fixed idea or concept of how things are supposed to be, rather functioning in the moment, where they can change anything as needed to accomplish and create more. This creates a tremendous limitation. We use conceptual constructs to create a purpose and a sense of rightness. Relationship, sex, sexuality, family, and the future are examples of conceptual constructs. Society is a construct. Culture, religion, and reputation are constructs. These things are not actually real; they are conceptual realities that have been dropped into our existence. We buy into them, and then at some point, we give up our awareness in order to buy the rightness of this reality. We accept the notion that being normal, average, and real-just like everybody else-is the best and only way to be. The problem with conceptual constructs is that they put you into conflict with yourself at every turn. This book is about becoming aware of the ideal concepts and constructs that create limitations and barriers to what is possible for you. The constructs have to come off so you can create a world that works for you.

An Economic Inquiry into the Nonlinear Behaviors of Nations Rongxing Guo, 2017-02-06 This book applies an economic approach to examine the driving forces behind the dynamic behaviors of developing nations. Taking into account initial conditions and environmental and external factors often oversimplified by historians and anthropologists, Guo finds that the rise and fall of civilizations and nations followed an anti-Darwinian process: physical weakness, rather than strength, induced humans to adapt. Cultures facing unfavorable physical and environmental conditions developed complex societies to overcome these challenges, while favorable conditions did not incentivize major economic and cultural change. Over

centuries of economic growth and development, nations and civilizations' adaptive behaviors have followed a cyclical path at both the country level and in an international context. This interdisciplinary book incorporates elements of history, anthropology, and development into an astute economic analysis that changes the way we think about the origins and evolutions of civilizations.
