Remembering My Miss Vicki Thomas Crochetiere, 2011-04-24 This is a husband's heartfelt story about his wife and their journey during the last year of their life together. You will learn firsthand, how they embraced some of the most memorable and cherished moments of their marriage. You will also learn how they handled some of the difficulties presented to them and how they dealt with some of the worst times of their life. Together, they leaned on each other to provide a common strength but in the end, he had to rely on her incredible strength just to get through each day and eventually, minute by minute. You will experience some of the many emotions they faced throughout the year and you will be able to feel life as

they did. It is not the intent of this story to depress you or leave you with the impression that life may have little meaning.
