

# Her Royal Spyness Book Series

**Rhys Bowen**

**Her Royal Spyness** Rhys Bowen, 2007 Lady Victoria Georgiana Charlotte Eugenie (Georgie), who has bolted from Scotland and headed to London, receives a summons from the Queen to spy on her playboy son.

**On Her Majesty's Frightfully Secret Service** Rhys Bowen, 2017 When royal sleuth Georgie Rannoch receives a letter from her dearest friend Belinda, who's in an Italian villa awaiting the birth of her illegitimate baby, she yearns to run to her side. If only she could find a way to get there! But then opportunity presents itself in a most unexpected way - her cousin the queen asks her to attend a house party in the Italian Lake Country. The Prince of Wales AND the dreadful Mrs. Simpson have been invited, and Her Majesty is anxious to thwart a possible secret wedding. What luck! A chance to see Belinda, even if it is under the guise of stopping unwanted nuptials. Only that's as far as Georgie's fortune takes her. She soon discovers that she attended finishing school with the hostess of the party - and the hatred they had for each other then has barely dimmed. Plus, she needs to hide Belinda's delicate condition from the other guests. And her dashing beau, Darcy is (naturally) working undercover on a dangerous mission. Then her actress mother shows up, with a not-so-little task to perform. With all this subterfuge, it seems something is bound to go horribly wrong- and Georgie will no doubt be left to pick up the pieces when it does.

**God Rest Ye, Royal Gentlemen** Rhys Bowen, 2021-10-12 Georgie is back and hanging the stockings with care when a murder interrupts her Christmas cheer in this all-new installment in the New York Times bestselling Royal Spyness series from Rhys Bowen. Georgie is excited for her first Christmas as a married woman in her lovely new home. She suggests to her dashing husband, Darcy, that they have a little house party, but when Darcy receives a letter from his aunt Ermintrude, there is an abrupt change in plans. She has moved to a house on the edge of the Sandringham estate, near the royal family, and wants to invite Darcy and his new bride for Christmas. Aunt Ermintrude hints that the queen would like Georgie nearby. Georgie had not known that Aunt Ermintrude was a former lady-in-waiting and close confidante of her royal highness. The letter is therefore almost a royal request, so Georgie, Darcy, and their Christmas guests: Mummy, Grandad, Fig, and Binky all head to Sandringham. Georgie soon learns that the notorious Mrs. Simpson, mistress to the Prince of Wales, will also be in attendance. It is now crystal clear to Georgie that the Queen expects her to do a bit of spying. There is tension in the air from the get-go, and when Georgie pays a visit to the queen, she learns that there is more to her request than just some simple

eavesdropping. There have been a couple of strange accidents at the estate recently. Two gentlemen of the royal household have died in mysterious circumstances and another has been shot by mistake during a hunt. Georgie begins to suspect that a member of the royal family is the real target but her investigation will put her new husband and love of her life, Darcy, in the crosshairs of a killer.

**Crowned and Dangerous** Rhys Bowen, 2016 Nothing is simple when you're thirty-fifth in line for the British crown, least of all marriage. But with love on their side, and plans to elope, Lady Georgiana Rannoch and her beau Darcy O'Mara hope to bypass a few royal rules... With Darcy driving me out of London in a borrowed motor car, I soon discover that he isn't planning to introduce me to the pleasures of sinning in secret--as I had hoped--but to make me his wife! Of course, there are some quibbles to be dealt with, such as my needing special permission from the King to marry a Roman Catholic and the question of where we might live after the honeymoon. Though he will inherit a title, Darcy is as broke as I am. Even his family's Irish castle has been sold to a rich American who now employs Darcy's father as a hired hand. Throwing these cares to the wind, nothing could deter us from our mission--except perhaps the news that my future father-in-law has just been arrested. It seems the rich American was murdered and Darcy's father had more than enough motive to do the deed. With the elopement postponed, we head for Ireland where he insists he's innocent, and it's up to us to prove it--for better or worse.

**Queen of Hearts** Rhys Bowen, 2014 Lady Georgiana Rannoch, thirty-fifth in line for the British throne, knows how to play the part of an almost royal--but now she's off to Hollywood, where she must reprise her role as sleuth or risk starring in an all-too-convincing death scene ... My mother, the glamorous and much-married actress, is hearing wedding bells once again--which is why she must hop across the pond for a quickie divorce in Reno. To offer my moral support, and since all expenses are paid by her new hubby-to-be, Max, I agree to make the voyage with her. Crossing the Atlantic, with adventure in the air and wealthy men aboard, Mother all but forgets about Max and matrimony--especially when movie mogul Cy Goldman insists on casting her in his next picture. Meanwhile, I find myself caught up in the secret investigation of a suspected jewel thief. Lucky for me, the lead investigator happens to be my dashing beau, Darcy! Mother's movie and Darcy's larceny lead everyone to Cy's Hollywood home, where the likes of Charlie Chaplin are hanging about and there's enough romantic intrigue to fill a double feature. But we hardly get a chance to work out the sleeping arrangements before Cy turns up dead--as if there wasn't enough drama already ... --

**A Royal Pain** Rhys Bowen, 2008 Assigned by the Queen of England to entertain a Bavarian princess, penniless aristocrat Lady Georgie must help Princess Hanni unlearn the English she has learned from American gangster films, break her of her shoplifting habit, deal with her unwitting involvement with Communists, and investigate a murder.

**Royal Flush** Rhys Bowen, 2015-12-17 In her third Royal Spyness whodunit, Rhys Bowen returns with Lady Georgiana, thirty-fourth in line to the throne, everyone's favorite penniless heiress . . . With its posh clientele gone to the country, my

fledgling housecleaning business has fizzled. Now to make a living I must rely on my other talents, as a dinner-and-theatre companion. But on my first and only assignment, the not-so-gentle man seems to have quite the wrong idea - and Darcy, my on-again-but-usually-off-again beau, must come to my rescue . . . To avoid further scandal, I'm shipped home, like a naughty schoolgirl, to Castle Rannoch, where I am required to keep the entirely unsuitable Mrs. Simpson from seducing the Prince of Wales. Oh, and I've also been coerced into helping Scotland Yard by keeping an eye on the members of the shooting party at Balmoral and preventing someone from shooting the Prince of Wales instead of quails. And manage all this without strangling my odious sister-in-law, Fig, or my spineless brother, Binky . . .

**Malice at the Palace** Rhys Bowen, 2015-08-04 Thirty-fifth in line for the British throne, Lady Georgiana Rannoch becomes embroiled in royal wrongdoing in the ninth mystery from the New York Times bestselling author of *Crowned and Dangerous*. Caught between her high birth and empty purse, Georgie is relieved to receive a new assignment from the Queen. The King's youngest son, George, is to wed Princess Marina of Greece, and the Queen wants Georgie to be her companion: showing her the best of London—and dispelling any rumors about George's libertine history. The prince is known for his many affairs with women as well as men—including the great songwriter Noel Coward. But things truly get complicated when one of his supposed mistresses is murdered. The Queen wants the whole matter hushed. But as the case unfolds—and Georgie's beau Darcy, as always, turns up in the most unlikely of places—their investigation brings them precariously close to the prince himself.

Royal Blood Rhys Bowen, 2010-09-07 A royal wedding brings Lady Georgiana Rannoch to Transylvania and lands her in a truly draining state of affairs in the fourth mystery in the New York Times bestselling *Royal Spyness* series. London, 1932. With her hateful brother Binky in town, Georgie has been desperately seeking an escape. So when an invitation from the Queen of England arrives asking her to represent the royals at a wedding in Transylvania—legendary home of vampires—she's delighted to accept. But when the bride starts acting a little batty and a prominent wedding guest is poisoned, something must be done lest the couple's vows become till undeath do they part...

**Heirs and Graces** Rhys Bowen, 2013 While in the Australian Outback grooming a newfound heir, Jack Altringham, for high society, Lady Georgiana Rannoch finds herself investigating the murder of the Duke who was found with Jack's hunting knife in his back.

**Naughty in Nice** Rhys Bowen, 2012-08-07 In the fifth *Royal Spyness* Mystery, Lady Georgiana Rannoch discovers that being a minor royal has its privileges when she visits the glamorous—and dangerous—French Riviera... London, 1933. Her Majesty the Queen is sending Georgie off to Nice with a secret assignment—to recover her priceless, stolen snuff box from the disreputable Sir Toby Groper. Her Majesty's trust is an honor, but an even greater honor is bestowed upon Georgie in Nice when none other than Coco Chanel asks her to model the latest fashions. Unfortunately, things go disastrously wrong on

the catwalk and before Georgie can snatch the snuff box, someone's life is snuffed out in a very dastardly way. With a murderer on the loose—and Georgie's beau Darcy seen in the company of another woman—how's a girl to find any time to go to the casino?

Masked Ball at Broxley Manor Rhys Bowen, 2012-10-02 A delectable prequel to the national bestselling Royal Spyness mysteries featuring Lady Georgiana Rannoch—thirty fourth in line to the throne, and England's poorest heiress. At the end of her first unsuccessful season out in society, Lady Georgiana has all but given up on attracting a suitable man—until she receives an invitation to a masked Halloween ball at Broxley Manor. Georgie is uncertain why she was invited, until she learns that the royal family intends to marry her off to a foreign prince, one reputed to be mad. When the prince, dressed as the devil, rescues her from an embarrassing situation at the ball, Georgie is surprised to find her unwanted suitor to be a dashing, charming man—especially when he pulls her aside and gives her the kiss of a lifetime. But as the time comes for the unmasking, Georgie's rescuer vanishes and the party is thrown into chaos, making it clear that everything at Broxley Manor is not as it appears... Includes a preview of the latest Royal Spyness mystery, *The Twelve Clues of Christmas*, available November 2012.

**Peril in Paris** Rhys Bowen, 2022-11-08 Lady Georgiana Rannoch and her dashing husband, Darcy, are awaiting a bundle of joy, but an unexpected trip to Paris will thrust them straight into a tangled web of international intrigue in this all-new mystery in the New York Times bestselling Royal Spyness series from Rhys Bowen. What a delight it is to finally be able to enjoy a simple meal again! I have been in the throes of morning sickness for the last few months as Darcy and I prepare to welcome a brand-new addition to our little family. Now that I am feeling better, I have realized I am dreadfully bored! It seems that all my nearest and dearest are off leading their own busy lives while I sit at home and attempt to train our two adorably naughty puppies. Fun as it may be, it is hard not to long for a little adventure, a change of pace, before my true confinement begins when the baby comes. Happily, it seems that Darcy has read my mind. When I receive a letter from my glamorous best friend, Belinda, Darcy suggests we take a trip to Paris to visit her. It seems he also has a spot of business of which to take care, so I will be staying in Belinda's flat as she works feverishly on Coco Chanel's fall collection. I happen to know Coco from a disastrous encounter in Nice years ago, and I am hoping this visit will go much more smoothly. But I soon learn that nothing about my time in Paris is going to be simple . . . or safe for that matter. Darcy has asked me to take on a small chore as a part of his latest assignment. I am to covertly retrieve something from an attendee of Coco's show. It seems easy enough, but I discover that this little errand could have terrifying consequences for a world on the brink of war. When things go horribly wrong, I am left to find a killer all while trying to fend off a French policeman who is certain that I am a criminal mastermind. But I have no plans to deliver my darling little one in a prison cell, and so I will muster every ounce of my courage to save the day . . . and, quite possibly, the world!

**The Last Mrs. Summers** Rhys Bowen, 2020 Georgie goes to Cornwall with her best friend Belinda to inspect a spooky house Belinda has inherited. While there, the house proves untenable so the pair are invited to stay with Rose, a woman Belinda knew as a child. Rose is now married to Belinda's childhood crush, Tony. When Rose confides that she thinks Tony might have killed his first wife, Georgie and Belinda investigate. But when Tony turns up dead during a thunderstorm, all fingers point to a creepy housekeeper who is harbouring a dark secret.

*The Twelve Clues of Christmas* Rhys Bowen, 2013-11-05 In the sixth mystery in the New York Times bestselling Royal Spyness series, Lady Georgiana Rannoch cannot wait to ring in the New Year—before a Christmas killer wrings another neck... Scotland, 1933. While her true love, Darcy O'Mara, is spending his feliz navidad tramping around South America and her mother is holed up in a tiny village called Tiddleton-under-Lovey with droll playwright Noel Coward, Georgie is quite literally stuck at Castle Rannoch thanks to a snowstorm. It seems like a Christmas miracle when she manages to land a position as hostess to a posh holiday party in Tiddleton. The village should be like something out of A Christmas Carol, but as soon as she arrives things take a deadly turn when a neighborhood nuisance falls out of a tree. On her second day, another so-called accident results in a death—and there's yet another on her third, making Georgie wonder if there's something wicked happening in this winter wonderland... Includes an English Christmas companion, full of holiday recipes, games, and more!

**A Royal Threesome** Rhys Bowen, 2014-02-04 Now in one volume—the first three “charming and lighthearted” (Kirkus Reviews) Royal Spyness Mysteries from New York Times bestselling author Rhys Bowen, featuring the elegant, titled, and stony-broke sleuth Lady Georgiana Rannoch. HER ROYAL SPYNESS Georgie is forced to earn her keep as a housekeeper in London when the Queen summons her to spy on the playboy prince. But when a Frenchman winds up dead in Georgie's bathtub, it's her job to clear her very long family name. A ROYAL PAIN While entertaining a Bavarian princess at the Queen's behest, Georgie finds herself investigating the rather more worrisome matter of the dead body in the bookshop, as well as her royal guest's unwitting involvement in the communist party. ROYAL FLUSH After being saved from scandal by her on-again-but-mostly-off-again beau, Darcy O'Mara, Georgie is shipped home, where Queen Mary wants her to keep Wallis Simpson from seducing the Prince of Wales, and Scotland Yard wants her to stop one of the members of the shooting party at Balmoral from turning their sights from the quails to His Royal Highness.

**Love and Death Among the Cheetahs** Rhys Bowen, 2019 Georgie is excited when Darcy announces out of the blue that they are flying to Kenya for their extended honeymoon. But after they arrive, she begins to suspect he has actually been sent there on assignment. Darcy finally confides that there has been a string of robberies in London and Paris, and it is suspected the thief was a member of the aristocracy who may have fled to Kenya. Then, not long after their arrival, one of the leading lights of the upper-class English community in Nairobi is found dead along a lonely stretch of road. Was it a lion attack? Or is

there a darkness lurking under the surface of the community's decadent lifestyle?

**The Proof of the Pudding** Rhys Bowen, 2024-10-01 Lady Georgiana Rannoch is looking forward to her first ever turn as hostess for her very own house party when the festivities lead to murder.... Georgie, back home at her estate in Eynsleigh, impatiently awaits the birth of her baby. But she has plenty to occupy her: her new chef, Pierre, has arrived from Paris, and Sir Hubert, who owns Eynsleigh, is back from his latest expedition. It's time for Georgie to throw her first house party to celebrate his return and show off her new chef. The dinner party is a smashing success. Sir Mordred Mortimer—famous author of creepy Gothic horror novels—is one of the guests. He recently purchased a nearby Elizabethan manor because it has a famous poison garden. After the dinner, Sir Mortimer approaches Georgie and asks to borrow her new chef for his upcoming party, and Georgie and Darcy, her dashing husband, are invited! The tour of the poison garden is fascinating, as is Sir Mordred's laboratory. Shockingly, just after the banquet several of the guests become sick. And one dies, apparently poisoned by berries from the garden. But how could this be when they all ate the same meal and the same delectable dessert? Georgie has to find the culprit to save her new chef and her own reputation—all before her bundle of joy arrives!

*Reading the Cozy Mystery* Phyllis M. Betz, 2021-03-09 With their intimate settings, subdued action and likeable characters, cozy mysteries are rarely seen as anything more than light entertainment. The cozy, a subgenre of crime fiction, has been historically misunderstood and often overlooked as the subject of serious study. This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints. The authors engage with the standard classification of a cozy, the characters who appear in its pages, the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways. Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer; that Columbo fits the mold of the cozy detective; and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye.

**Genreflecting** Diana Tixier Herald, Samuel Stavole-Carter, 2019-05-24 Librarians who work with readers will find this well-loved guide to be a treasure trove of information. With descriptive annotations of thousands of genre titles mapped by genre and subgenre, this is the readers' advisor's go-to reference. Next to author, genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy. With its detailed classification and pithy descriptions of titles, this book gives users valuable insights into what makes genre fiction appeal to readers. It is an invaluable aid for helping readers find books that they will enjoy reading. Providing a handy roadmap to popular genre literature, this guide helps librarians answer the perennial and often confounding question What can I read next? Herald and Stavole-Carter briefly describe thousands of popular fiction titles, classifying them into standard genres such as science fiction, fantasy, romance, historical fiction, and mystery. Within each genre, titles are broken down into more specific subgenres and themes. Detailed author, title, and subject indexes provide further access. As in previous editions, the

focus of the guide is on recent releases and perennial reader favorites. In addition to covering new titles, this edition focuses more narrowly on the core genres and includes basic readers' advisory principles and techniques.
