**Kathleen Armour**

**He's Just Not That Into You** Greg Behrendt, Liz Tuccillo, 2004-10-07 He's Just Not That Into You—based on a popular episode of Sex and the City—is tough love advice for otherwise smart women on how to tell when a guy just doesn't like them enough, so they can stop wasting time making excuses for a dead-end relationship. It's the best relationship advice you'll ever receive. For ages, women have come together over coffee, cocktails, or late-night phone chats to analyze the puzzling behavior of men. He's afraid to get hurt again. Maybe he doesn't want to ruin the friendship. Maybe he's intimidated by me. He just got out of a relationship. Greg Behrendt and Liz Tuccillo are here to say that—despite good intentions—you're wasting your time. Men are not complicated, although they'd like you to think they are. And there are no mixed messages. The truth may be, He's just not that into you. Unfortunately, guys are too terrified to ever directly tell a woman, "You're not the one." But their actions absolutely show how they feel. Reexamining familiar scenarios and classic mindsets that keep us in unsatisfying relationships, Behrendt and Tuccillo's wise and wry understanding of the sexes spares women hours of waiting by the phone, obsessing over the details with sympathetic girlfriends, and hoping his mixed messages really mean, "I'm in love with you and want to be with you." He's Just Not That Into You is provocative, hilarious, and, above all, intoxicatingly liberating. It deserves a place on every woman's night table. It knows you're a beautiful, smart, funny woman who deserves better. The next time you feel the need to start "figuring him out," consider the glorious thought that maybe, He's just not that into you. And then set yourself loose to go find the one who is.

**God's Instructions** Walk the Talk Ministries, 2012-03-02 It has been noted that anyone who reads and hears everything written in this book, may result in changes in their understanding, finances, health and anyone around them. This book was not written so you can read and hear about all the miracles God did for me. On the contrary, this book was written solely with the purpose of what God can and will do for you. The instructions written in this book, are not written so you can read and hear about how God answered my prayers, needs and wants. The instructions written in this book are all about how God can

and will answer all of your prayers, needs and wants, today, tomorrow and forever. It wasnt until I took the time to read and hear Gods instructions to make all of this possible and not impossible. In Mat. 19: 26, Gods word says, With God all things are possible. And my life has never been the same. If you are not happy with the way your life is going or something has been missing and you can quite put your finger on it. You are closer than you think. Your first step, is this book in your hands and only you can change all of this right now; I cant do it for You. If you take the time to read and hear what God has in these instructions for you, your life will never be the same. I Love you in the Lord always Brother Roland
