**Crochet for Beginners** Maryann Crafts,2020-02-26 Have you decided to learn how to crochet and don't know where to start? Crochet is an ancient art that embodies an incredible tradition of knowledge and craftsmanship. I remember that my grandmother was sitting on the sofa and, while watching television in a completely natural and automatic way, she managed almost by magic, from a thread and a underwire, to create wonderful masterpieces, which she usually then gave as a gift. Crochet is beautiful but mistakes are easy. It can happen to anyone, both those who are beginners (don't forget the advice) and those who are experts. In this guide, I have listed 5 of the most common crochet mistakes I have made, which others are making and many others will make. I hope they are useful to make you understand if you do it too. Correcting mistakes isn't difficult, just get started. You will learn the basic crochet stitches thanks to simple instructions and clear images and you will start the first creations that with a little exercise and patience, you should be able to know in a short time, perhaps adding a little of your creativity and imagination to it. Up to the doily challenge, a timeless classic.To answer the initial question...To learn you must have the desire and enthusiasm, the certainty that once trained to hold that thread and that hook, our hands will be able to give birth to many things; nice or not at the beginning it doesn't matter. Exercise is the key to everything. In summary, even if you are a beginner but want to start, you only need a crochet hook, a thread and this book to open the dance of the hands! What are you doing? Check Out What Others Are Saying... One thing I really love about the book is the abundance of clear, beautiful photos. They feature colorful crochet stitches done, has got to be one of my most favorite books. Why? Because you don't just read it cover to cover and walk away from it. It is useful, it is a resource, and I find myself referring to it time and time again. You see, I am a crocheter, but I don't crochet constantly so I forget stitches. A to Z Crochet is a great tool to remind me how to do a certain stitch. The pictures are helpful and show progressive steps. If there is more than one way to do something, you can bet it is explained.. I really appreciate these pics! I now have enough stitches to keep me crocheting into the next millennium. Easy instructions and great pictures...makes it hard to do anything other than crochet. For the price, this book is an absolutely incredible value. I expect to use this book as a reference for a long time to come. - Michelle Smith I've always wanted to learn how to crochet, this book

makes it so easy! The diagrams of the patterns were really helpful to me (it doesn't matter how many times someone explains something in words, I'm a visual learner!). Awesome guide, I can crochet now! Great book, It really does make it simple enough for anyone! - Katy Johnson (USA)

**Crochet For Beginners** Marta Harris, 2020-01-27 Do you want to learn how to crochet? If yes, then keep reading... Crochet is a lot of fun and it is incredibly easy to do, but you can't expect to have perfect results the very first time you try, and you are bound to have to try something over and over before you are happy with it. This is why I have included so many practice patterns for you to get started with. As I said, you have to make sure you watch your tension as you are making your way through a pattern. If you are holding it too tightly, you are going to end up with an item that pulls in at the middle or is too small. If you don't pull the yarn tight enough, your project is going to end up loose. Experience is the best way to learn how to get that proper tension, and I promise you will pick up on it in no time. Consistency and patience are all you need to get started, and in no time at all you are going to be making those patterns you have always been wanting to make! Once you

open the door for your own crochet, you are going to discover a world of creativity and fun that you never knew existed before. It is going to suddenly make sense why grandma loved this craft, and why she made so many things for everyone she knew. In no time at all you are going to be the one who is able to pass out the handmade gifts for any occasion. This hobby is so easy to do, and so much fun, you will likely stop purchasing the things you can make yourself. Why would you want to spend the money on something in the store when you have the ability to make it entirely custom? In this book, you will discover more about: Crochet terminology Types of Crochet Tools You Need for Crocheting The Basic Crochet Stitches Crocheting Supplies Easy Patterns for Beginners Crochet tips and tricks Mistakes Crochets Make and Solution ... AND MORE! Think of all the possibilities of the items you can make. Whether it be blankets, towels, washcloths, or anything else you can imagine, by the time you are done with this book, you are going to have the skills you need to make them all!
