New York Magazine, 1989-05-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. *Very Naughty Boys [EBK]* Robert Sellers, 2013-09-24 The incredible, hilarious insider's story of Britain's favourite film company! It all started when Beatle George Harrison stepped in to fund *Life of Brian* when Monty Python's original backers pulled out. His company, HandMade films, went on to make some of the best British films of the 80s (*Withnail and I*, *Time Bandits* and *Mona Lisa* among them), but then things started to go wrong... This is the incredible and often hilarious insiders' story of what happened...

*How to Stay Sane in a Crazy World* Sophia Stuart, 2014-02-18 When did you last go back to bed on a Sunday morning with magazines and some tea and cake? Or sink into a bubble bath by candlelight and listen to soothing music? When was your last massage or vacation? If you can't remember the last time you took care of yourself like this, this book is for you. There was a time when Sophia Stuart needed this book, too. She lived a crazy life with no true relaxation, and soon enough she found herself in front of a surgeon who told her that she had three tumors in her throat and that she needed a five-and-a-half hour surgery—plus almost a month of medical leave to recover. And that's when she fell apart. But the kindness of strangers helped her through it all. Her anonymous blog [teamgloria.com](http://teamgloria.com) gave her an outlet to express everything she was

feeling—her fear of the pain, her anxiety about the operation, her frustration about being stuck at home, and anything else that came up. Her writing also focused on all the glorious people, places, and things that make life delicious; and slowly, it helped her realize that she wanted to live differently. On teamgloria.com, Sophia wasn't an executive or a media specialist; she was just another person sharing her thoughts and creativity. And through this she forged deep virtual friendships with people who cheered her on and taught her how to stay sane in a crazy world. This book brings together what she learned. It's full of practical ideas and sweet inspirations (and even a few shopping lists at the back) to guide you to a more serene place. Because sometimes the world just looks better after a stroll or reading a novel in the park or making a kindness kit for yourself or a long nap on a summer's afternoon. So grab this book, with its gentle suggestions and peaceful images, and use it as your own little slice of tranquility.

**How to Get Ahead in Life** Anthony Winston, 2015-12-07 Why should we strive to become rich? All that becoming rich means is that we want a fuller and more abundant life." From his opening lines, author Anthony Winston reminds us why we are working. Riches should not mean a fancy haircut or the newest car. True riches mean security and freedom. The only way to obtain, and keep, wealth is through the right mindset and practical steps. Reprogram your mind and understand that you are in control of your life and your wealth. Self-discipline is key. Once you have mastered yourself, you can move on to mastering the other tenets of wealth creation: money and investments, real estate, and owning your business. Filled with practical language and real-life examples, *How to Get Ahead in Life: Hidden Secrets of the Rich* provides financial motivation for anyone interested in taking control of their money. Wealth is earned and Winston shows you how.
